

Tasha Remschel Description

Recognized Teacher

How long have you been in education?

“16 years”

What is your current teaching position?

“2nd Grade Teacher Math & Science, Ingram Elementary School”

Why are you an Educator?

“I LOVE helping students find their 'Aha!' moments and get excited about learning new things. I get such joy when I see students who were initially wary of math decide that they are good at it becomes one of their favorite subjects..”

Why is Ingram ISD a great place to work?

“I adore the 'family feel' of Ingram and the positive atmosphere here. I feel supported and trusted by administration and inspired by excellent coworkers. Our students bring me joy every day. IPI!!!”

A Quote About her:

“Mrs. Remschel is the perfect combination of fun and order! I love being in her classroom. She makes real-world connections for her students and they are all in! It's so easy to be excited about learning in the amazing environment she's created.” Kali Brandt, Principal, Ingram Elementary School
