Superheroes in the Making at CRS & LLE!

CRS and LLE welcomed award-winning singer/songwriter Jared Campbell for an exciting, music-filled experience! Students sang along, had fun, and discovered that being a superhero at school doesn't require a cape. It takes three superpowers: showing respect, playing it safe, and showing up ready to learn!

SUPERHERO

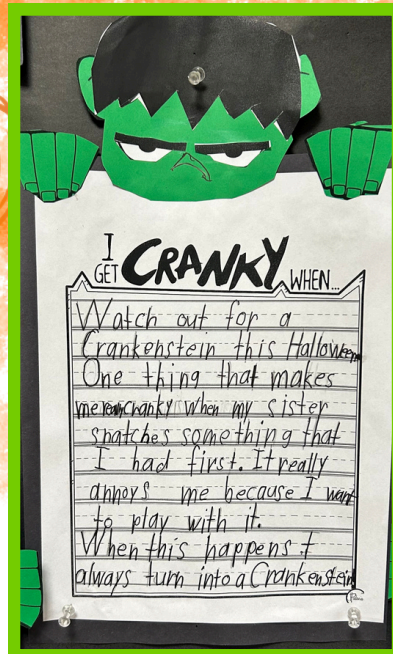

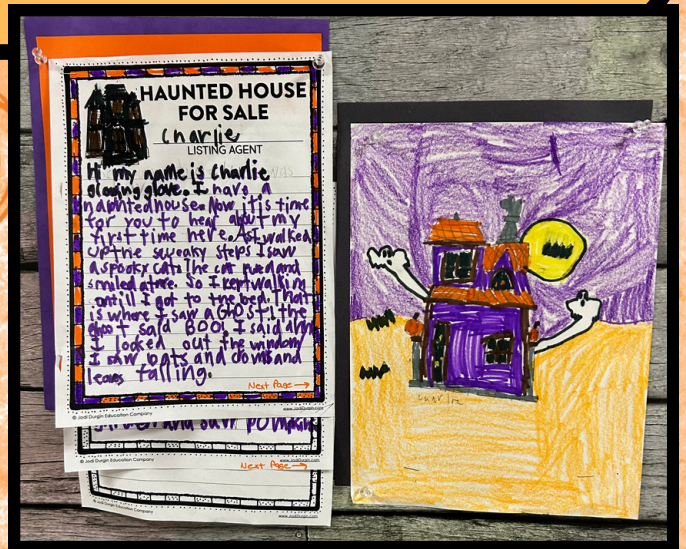

October Writing in Second Grade!

OUR SECOND GRADERS HAVE BEEN BUSY PUTTING THEIR CREATIVITY TO WORK WITH THEIR OCTOBER WRITING PIECES! MRS. POIDOMANI'S CLASS WROTE ABOUT WHAT MAKES THEM CRANKY WITH FUN CRANKENSTEIN WRITING PIECES, WHILE MRS. APPELBLATT'S CLASS WROTE SPOOKY REAL ESTATE ADVERTISEMENTS FOR A HAUNTED HOUSE FOR SALE. STUDENTS IN MRS. HUBENER'S CLASS IMAGINED BEING TRAPPED INSIDE A HAUNTED HOUSE AND USED THEIR FIVE SENSES TO DESCRIBE WHAT THEY MIGHT SEE, HEAR, FEEL, SMELL, AND TOUCH. FINALLY, MS. ROGAN'S CLASS GOT CREATIVE BY DISGUIISING GHOSTS AS SOMETHING ENTIRELY DIFFERENT AND TRYING TO CONVINCE THE READERS THAT THEY WERE IN FACT NOT A GHOST! WE LOVE SEEING OUR STUDENTS' IMAGINATIONS COME TO LIFE THROUGH THEIR FESTIVE FALL WRITING!

Ahh! there is a witch in the haunted house!!! I see sticky cobwebs on the roof. I see spooky ghosts flying everywhere in the big room. I hear owls hooting in the deep, dark woods. I hear wolves howling to the moon. I feel a gust of wind when I open the door. I feel when I want to the deep dark woods. I smell yucky rotten cardboard. I smell dusty air. It smells like dirt. I taste an awful rotten potion that is old.

Dear CRS and LLE Families,

Halloween celebrations at CRS and LLE are only a week away. For the past couple of weeks there has been a link, which is below, regarding information about our parades. These take place throughout the day. Therefore, you are required to read over the information as well as the guidelines about costumes.

In the past some parents have taken their child home early since they are already at the school. Please read over the information below about this.

- **Kindergarten and first grade parents**, if you are planning on signing your child out following the parade, please go directly to the students’ classroom door on the outside of the building. However, please remember that there are class parties after the parade.
- **Second, third and fourth grade parents**, if you want to sign your child out after the parade, we will have designated areas set up for each grade/homeroom. At those locations you must sign out your child.
 - Second Grade:
 - Parents wait on the blacktop by the cafeteria and gym doors for their second grader
 - Third Grade:
 - Ms. Kim’s students may be picked up from her outside door along the sidewalk
 - Mrs. O’Hara’s students may be picked up from her outside door along the sidewalk
 - Mrs. Peditto’s parents will wait by the Lenox Avenue door for their third grader
 - Mrs. Wood’s students may be picked up from her outside door along the sidewalk
 - Fourth Grade:
 - Mrs. Lefer’s and Mrs. Rilli’s parents will wait by the lower front entrance doors in the front of the building
 - Ms. Liguori’s students may be picked up from her outside door near the flagpole
 - Mrs. Forma’s students may be picked up from her outside door along the sidewalk
