Preface

To Students and Parents:

Welcome to Treetops School! We wish this year to be an especially productive experience for each student. For this to happen, we must all work together: students, parents, and staff. This Student/Parent Handbook ("the Handbook") is designed to help us accomplish this goal.

The Handbook is an overview of our school's goals, services, and rules. It is an essential reference book describing what we expect of our students and parents, what they can expect of us, and how we will achieve our educational mission. We have attempted to make the language in this Handbook as straightforward as possible. Please note that the term "parent" is used to refer to the parent, legal guardian, or other person who has agreed to assume school-related responsibility for a student.

The Handbook is divided into six sections. The first section includes general information regarding school policy and procedures. The second section provides important health and safety information. The third section provides information about academics and grading. The fourth section is the Student Code of Conduct, which is required by state law and intended to promote school safety and an atmosphere for learning. Both students and parents need to be familiar with the Student Code of Conduct. The Student Code of Conduct is also available in the office and is posted on the school's website. The fifth section is especially for parents, with information regarding parental rights. Finally, the sixth section contains important notices regarding student information, computer resources, and electronic communication devices.

This Handbook is designed to be in harmony with Board Policy. Please be aware that the Handbook is updated yearly, while policy adoption and revision may occur throughout the year. Changes in policy and procedure that affect Handbook provisions will be made available to students and parents through newsletters and other communications. In case of conflict between Board Policy and any provision of this Handbook, the provision that was most recently adopted by the Board of Directors will be followed.

We ask our parents to review the entire Handbook with their students and to keep it as a reference during this school year. Parents or students with questions about the material in this Handbook should contact the Director.

Finally, you must complete and return the signature pages at the end of this Handbook to the campus main office.

On behalf of the entire Treetops School staff and community, best wishes for a great 2022-2023 school year!

About the School

Treetops International School was founded as a private school in 1969 and converted to a charter school in 1998. Our mission is to foster intellectual development and academic achievement by providing a school centered around challenging interactive learning experiences that consistently bridge traditional disciplines. Essential to the achievement of this mission is the establishment of a community of learning -- a community built upon the values of personal responsibility, consideration for others, respect for the environment, and academic integrity. Treetops supports the belief that education is a shared responsibility and family involvement is an essential component to the educational process. The campus has been developed as a more natural and nature-oriented 20 acre opportunity for learning.

Statement of Non-Discrimination

Treetops School does not discriminate on the basis of race, religion, color, national origin, sex or gender, disability, or age in providing educational services, activities, and programs, including vocational and career technology programs. Treetops School complies with Director VI of the Civil Rights Act of 1964, as amended; Director IX of the Education Amendments of 1972; Director II of the Americans with Disabilities Act of 1990 ("ADA"), as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975, as amended; and any other legally-protected classification or status protected by applicable law.

Any questions or concerns about Treetops School's compliance with these federal programs should be brought to the attention of the following persons designated as being responsible for coordinating compliance with these requirements:

- The Director IX Coordinator, for concerns regarding discrimination on the basis of sex/gender.
- The ADA/Section 504 Coordinator, for concerns regarding discrimination on the basis of disability.
- The Age Discrimination Coordinator, for concerns regarding discrimination on the basis of age.
- All other concerns regarding discrimination may be directed to name, Lou Blanchard, 12500 S. Pipeline Rd., Euless, TX, 76040, and 817-283-1771

General Admissions and Enrollment Information

Admission and enrollment of students shall be open to persons who reside within the geographic boundaries stated in the school's charter, and who are eligible for admission based on lawful criteria identified in the charter and in state law. The total number of students enrolled in Treetops School shall not exceed the number of students approved in the charter or subsequent amendments. Total enrollment may further be limited by Treetops School based on occupancy limitations, code compliance and staffing requirements as deemed necessary.

In accordance with state law, Treetops School does not discriminate in its admissions policy on the basis of sex; national origin; ethnicity; religion; disability; academic, artistic, or athletic ability; or the district the child would otherwise attend.

Exclusion from Admission

As authorized by the Treetops School charter and Texas Education Code § 12.111(a)(5)(A), students with a documented history of a criminal offense, a juvenile court adjudication, or other discipline problems under Texas Education Code Chapter 37, Subchapter A may be excluded from admission and enrollment in Treetops School.

Submission of Applications and Admissions Lottery

Students wanting to attend Treetops School must submit an application during the school's open enrollment period, which takes place **during the month of April each year**, or as otherwise set by the administration. Enrollment forms are available at 12500 S. Pipeline Rd., Euless, TX, 76040, and online through the Treetops School website.

If fewer applications than spots available are received, students will be offered admission on a first-come, first-served basis. If Treetops School receives more applications than it has spots available in any grade level, it will conduct a random lottery. Each applicant selected during the lottery (up until all open seats are filled) will be offered admission. Once all enrollment spots have been filled by the lottery, the lottery will continue and applicants will be placed on a waiting list in the order in which they are drawn. If a vacancy arises before the commencement of the next school year, the individual on the waiting list with the lowest number assignment will be offered admission and then removed from the waiting list.

If an application is received after the application period has passed, the applicant's name will be added to the waiting list behind the names of the applicants who timely applied.

Families offered an enrollment seat will be sent a registration packet with instructions for registering. Families must complete and return the registration packet by the published deadline in order to secure enrollment. If an enrollment offer is declined or if you do not complete the registration packet by the established deadline, your child's seat will be offered to the next potential student on the waiting list.

Exceptions to Lottery Process: Federal guidelines permit Treetops School to exempt from the lottery students who are already attending Treetops School; siblings of students already admitted to or attending Treetops School; and children of Treetops School's founders, teachers, and staff, so long as the total number of students allowed under this exemption constitutes only a small percentage of Treetops School's total enrollment.

McKinney-Vento Homeless Education Assistance Act of 2001

Homeless children and youth are ensured specific educational rights and protections. A listing of these specific rights may be obtained from Treetops School by contacting Lou Blanchard, Director, 12500 S. Pipeline Rd., Euless, TX, 76040, 817-283-1771.

"Homeless children and youth" as defined and covered by the McKinney-Vento Homeless Education Assistance Act of 2001:

- Means individuals who lack a fixed, regular, and adequate nighttime residence.
- Includes children and youth who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason.
- Are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative accommodations.
- Are living in emergency or transitional shelters.
- Are abandoned in hospitals, or are awaiting foster care placement.

- Children and youth who have a primary nighttime residence that is a public or private place not designed as a regular sleeping accommodation for human beings.
- Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations.

Parents/Guardians of students in homeless situations can keep their students in their schools of origin (the school that the child or youth attended when permanently housed or the school in which the child or youth was last enrolled even if the student is now residing outside the school attendance area or school district) or enroll them in any public school that students living in the same attendance area are eligible to attend.

Student Information

Any student admitted to Treetops School must have records, such as a report card and/or transcript from the previous school attended, to verify his or her academic standing. Verification of residency and current immunization records are also required. Every student enrolling in Treetops School for the first time must present documentation of immunizations as required by the Texas Department of State Health Services.

No later than 30 days after enrolling in Treetops School, the parent and school district in which the student was previously enrolled shall furnish records that verify the identity of the student. These records may include the student's birth certificate or a copy of the student's school records from the most recently attended school. Students will not be denied enrollment because they failed to meet this requirement.

Treetops School will forward a student's records on request to the school in which a student seeks or intends to enroll without the necessity of the parents' consent.

Food Allergy Information

The parent/guardian of each student enrolled in Treetops School must complete a form provided by Treetops School that discloses (1) whether the child has a food allergy or a severe food allergy that should be disclosed to the school to enable it to take any necessary precautions regarding the child's safety and (2) specifies the food(s) to which the child is allergic and the nature of the allergic reaction.

For purposes of this requirement, the term "severe food allergy" means a dangerous or life-threatening reaction of the human body to a food-borne allergen introduced by inhalation, ingestion, or skin contact that requires immediate medical attention.

Treetops School may also require information from a child's physician if the child has food allergies.

Food allergy information forms will be maintained in the child's student records, and shall remain confidential. Information provided on food allergy information forms may be disclosed to teachers, school counselors, school nurses, and other appropriate school personnel only to the extent consistent with Board policy and as permissible under the Family Educational Rights and Privacy Act of 1974 ("FERPA").

Establishing Identification

Any of the following documents are acceptable for proof of identification and age: birth certificate; driver's license; passport; school ID card; records, or report card; military ID; hospital birth records; adoption records; church baptismal record; or any other legal document that establishes identity.

Undocumented Students

Enrollment may not be denied to children who are not legally admitted into the United States.

Residency Verification

The Texas Education Code authorizes schools to obtain evidence that a person is eligible to attend public schools. To be eligible for continued enrollment in Treetops School, each student's parent must show proof of residency at the time of enrollment. Residency may be verified through observation, documentation, and other means, including, but not limited to:

1. A recently paid rent receipt,
2. A current lease agreement,
3. The most recent tax receipt indicating home ownership,
4. A current utility bill indicating and name of the residence occupiers,
5. Mail with current address,
6. Visual inspection of the residence,
7. Interviews with persons with relevant information, or
8. Building permits issued to a parent on or before September 1st of the school year in which admission is sought (permits will serve as evidence of residency for the school year in which admission is sought only).

Falsification of residence on an enrollment form is a criminal offense.

School Calendar

Treetops School operates according to the school calendar adopted annually by the Board of Directors. Holidays may be used as school make-up days for days lost due to bad weather. The latest changes to the calendar will be available on the school's website.

School Day

Classes **begin at 7:55 a.m.** and are dismissed at 3:30 (K), 3:30 (1st-4th) and 3:45 (5th-12th) p.m. Students may be dropped off as early as 7:35 a.m. No supervision is provided before or after school hours.

Students enrolled in after-school activities or who are signed up for academic supervision may be on campus, provided that all applicable fees for activities and/or supervision have been paid. These fees vary, and will be published on our website and communicated to parents.

Drop-off and Pick-up Procedures

All students must be dropped off and picked up **ONLY** in the designated areas. Parents must remain in their vehicles at all times.

Student Drivers and Parking

All student drivers must hold a valid driver's license and insurance. Students driving to school must park in the designated lot and have paid any required campus parking fees, if applicable. Students may not go to their cars during the school day. Students must also drive in a manner that is safe and does not disrupt the learning environment or school community in any way. Students who fail to follow these guidelines will have their driving privileges suspended or revoked, and may be subject to discipline under the Student Code of Conduct.

Attendance

Regular attendance is expected of all Treetops School students due to the rigor of our curriculum. Consistent school attendance is an essential component of each student's education. Official attendance is taken each day and recorded each instructional period. Tardies and early checkouts are also recorded each day.

Absence from school will affect a student's ability to succeed in class; therefore, students and parents should make every effort to avoid unnecessary absences. State law mandates compulsory school attendance for children of a certain age, and Treetops Schools policy deals with attendance for course credit and a student's final grade. These items laws are discussed below.

Texas Compulsory Attendance Law

The state compulsory attendance law requires that a student between the ages of six and 19 must attend school and school-required tutorial sessions unless the student is otherwise legally exempted or excused. Treetops School staff must investigate and report violations of the state compulsory attendance law. A student absent from school without permission from any class, from required special programs, or from required tutorials will be considered "truant" and subject to disciplinary action.

A student who voluntarily attends or enrolls after his or her 19th birthday is required to attend each school day. If a student 19 years of age or older has more than five unexcused absences in a semester, Treetops School may revoke the student's enrollment, except that Treetops School may not revoke the enrollment on a day on which the student is physically present at school. The student's presence on school property thereafter would be unauthorized and may be considered trespassing. Prior to revoking the student's enrollment Treetops School shall issue a warning letter to the student after the third unexcused absence stating that the student's enrollment may be revoked for the remainder of the school year if the student has more than five unexcused absences in a semester. As an alternative to revoking enrollment, Treetops School may impose a behavior improvement plan.

Notice to Parents: *Under Texas Education Code § 25.095(a), you are hereby notified that if a student is absent from school on ten or more days or parts of days within a six-month period in the same school year, the student's parent is subject to prosecution under Texas Education Code § 25.093; and the student is subject to referral to a truancy court for truant conduct under Texas Family Code § 65.003(a).*

Treetops School shall notify a student's parent if the student has been absent from school, without excuse, on three days or parts of days within a four-week period. The notice will inform the parent that it is the parent's duty to monitor the student's school attendance and require the student to attend school; the student is subject to truancy prevention measures under Texas Education Code § 25.0915; and that a conference between school officials and the parent is needed to discuss the absences.

Attendance for Credit or Final Grade

To receive credit or a final grade in a class, a student must attend at least 90% of the days the class is offered. These days **include both excused and unexcused absences**. A student who attends fewer than 90% of the days the classes offered may be referred to the Attendance Review Committee to determine whether the absences were due to extenuating circumstances and how the student may regain credit or earn a final grade.

The Attendance Review Committee will consider the following factors when determining whether there are extenuating circumstances for the absence:

1. All absences, whether excused or unexcused, must be considered, with consideration given to special circumstances as defined by the Texas Education Code.
2. For a student transferring into Treetops School after school begins, including a migrant student, only those absences after enrollment will be considered.

3. In reaching consensus about a student's absences, the committee will attempt to ensure that its decision is in the best interest of the student.
4. The committee will consider whether the absences were for reasons over which the student or parent could exercise control.
5. The committee will consider the acceptability and authenticity of documentation expressing reasons for the student's absences.
6. The committee will consider the extent to which the student has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
7. The student, parent or other representative will be given an opportunity to present any information to the committee about the absences and to discuss ways to earn or regain credit.

If credit is lost or a final grade is not earned due to excessive absences, the Attendance Review Committee will decide how the student may regain credit or earn a final grade. If the committee determines there are no extenuating circumstances and that credit or a final grade may not be earned, the student or parent may appeal the committee's decision to the Board of Directors by filing a written request with the Director. The appeal notice must be postmarked to the following address within five days following the last day of instruction in the semester for which credit was denied:

Treetops School, 12500 S. Pipeline Rd., Euless, TX, 76040

The appeal will then be placed on the agenda of the next regularly scheduled Board meeting. The Director or designee shall inform the student or parent of the date, time, and place of the meeting.

Absence and Tardiness

When a student must be absent from school, parents are asked to email the school each day the student will be absent. Upon returning to school, the student must bring a note, signed by the parent, or a medical excuse signed and dated by a provider that describes the reason for the absence. Notes should be submitted to the attendance office (attendance@treetops.org), and may be scanned and emailed. If a note is not received within 1 day of the absence, the absence will be recorded as unexcused.

Because excessive absences are considered truancy under state law, Treetops School reserves the right to take extreme absence cases to court.

Treetops School recognizes two kinds of absences: excused and unexcused. Students and parents should read this section carefully to understand the school's expectations. Students and parents should also be aware of the school's policy regarding homework, quizzes, and tests following an absence.

Excused Absences

State law allows exemptions to the compulsory attendance requirements for several types of absences if the student makes up all work. These include the following activities and events:

- Religious holy days.
- Required court appearances.
- Activities related to obtaining United States citizenship.
- Service as an election clerk.
- Documented health-care appointments for the student or a child of the student, including absences for recognized services for students diagnosed with autism spectrum disorders. If a student returns to school the same day or attends part of the day prior to a doctor's appointment and then presents a doctor's note verifying the appointment, the absence is excused and the student is counted present. Students should be picked up and signed out for early dismissal in the office. We cannot call your student from the classroom until you are in the front office signing them out.
- For students in the conservatorship (custody) of the state.
- Mental health or therapy appointments.
- Court-ordered family visitations or any other court-ordered activity provided it is not practicable to schedule the student's participation in the activity outside of school hours.

A junior or senior student may also be absent for up to two days per school year for purposes of visiting a college or university, so long as the student obtains permission prior to the visit using the Planned Absence Form on the website and obtains a signature from an admissions counselor at college to verify the visit. Make up work missed due to the absence is due upon return.

A student may also be absent for up to two days in a school year for service as an early voting clerk, provided the student completes the Planned Absence Form and receives approval from the Director prior to the absence.

Absences of up to five days will be excused for a student to visit with a parent, stepparent, or legal guardian who has been called to duty for, is on leave from, or immediately returned from certain deployments.

Additionally, Treetops School may excuse up to four days of school for a high school student who is 17 years of age or older to pursue enlistment in a branch of the armed services of the United States or the Texas National Guard, provided that Treetops School verifies the student's activities relating to pursuing enlistment.

For religious holy days, required court appearances, activities related to obtaining citizenship, and service as an election clerk, one day of travel to the

site and one day of travel from the site shall also be excused by Treetops School.

The only additional excused absences are for personal illness, death in the immediate family (parent, sibling, grandparent, or member of the immediate household), a school-related absence or an absence approved in advance by the Superintendent due to extenuating circumstances.

Planned Absences

Any absence from school, entailing one or more full days, that is planned in advance must be approved by the director or other appropriate school official, along with requests to each teacher for work to be missed during the planned absence, no less than one week before the first day of the absence period. The "Planned Absence Form" must be filled out completely and submitted to the office. On the day of the student's return to school, official verification of attendance at the planned activity, on the official letterhead or form of the appropriate entity, must be submitted in order for the absence to be excused, or for assignments that were not available before the absence to be made up (IE: the teacher was unable to give the assignment to the student in advance or otherwise worked out an alternate plan with the student in advance). Only the activities below, or other activities approved by the Superintendent prior to the absence, are acceptable for excusing the absence.

Regarding student related travel as an extracurricular activity: if any school days are missed, a student must receive from their teachers, any work they miss while on the trip. Students will not accrue absences due to school related travel and will be marked as "field trip" for attendance.

Unexcused Absences

Any absence not listed above or approved in advance by the Superintendent due to extenuating circumstances will be considered an unexcused absence. Including but not limited to, an absence upon return from school related travel. Students must return to school the next day following the travel or it is an unexcused absence.

Tardiness and Late Arrival

Nearly all tardiness is avoidable. If a student arrives late to school, a parent must report to the school office to complete a tardy slip. Repeated tardiness will result in more severe disciplinary consequences as allowed by the Student Code of Conduct.

Make-Up Work

If a student misses class for any reason, a teacher may assign make-up work that incorporates the instructional objectives for the class and that will assist the student to master the essential knowledge and skills necessary to meet subject or course requirements. Students are responsible for obtaining and completing the make-up work in a satisfactory manner and within the time specified by the teacher. Teachers will provide students and parents with additional information regarding penalties for failure to complete make-up work within the time allotted, and the process for making up tests missed due to absence. Planned absences require form submission to get all assignments.

Driver's License Attendance Verification

The Texas Department of Public Safety ("DPS") is required to verify the attendance records of a student between the ages of 16 and 18 that is seeking to obtain or renew a driver's license. In order for DPS to access this information or, in certain circumstances, for a school administrator to provide the attendance information to DPS, written parental permission must be obtained. Students may obtain the required Verification of Enrollment ("VOE") form from the school office.

Release of Students from School

A student will not be released from school at times other than at the end of the school day except with permission from the Director or designee and in accordance with campus sign-out procedures. Additionally, state rules require that parental consent be obtained before a student under the age of 18 may leave campus at any point in the school day.

Because class time is important, doctor's appointments or meetings with other professionals should be scheduled at times when the student will not miss instructional time, if possible.

Closed Campus

Students are not permitted to leave campus for lunch. Parents are welcome to eat lunch with their child in the designated lunch area. Parents may only bring lunch for their own children. Students and adults may not bring in or give away food to other students during lunch times.

Withdrawals

Voluntary Withdrawal

A student under 18 years of age may be withdrawn from school only by a parent. Treetops School requests notice from the parent at least three days in advance so that records and documents may be prepared. Parents may obtain a withdrawal form from the main office. The parent shall also provide the name of the new school in which the student will be enrolled, and must sign the withdrawal request to document that the student will continue to be enrolled in a school as required by compulsory attendance laws.

A student who is 18 years of age or older, who is married, or who has been declared by a court to be an emancipated minor, may withdraw without parental signature.

Withdrawing students and parents are expected to:

- Return all textbooks, Chromebooks and check out materials and equipment.
- Complete any make-up work assigned;
- Pay any unpaid balance for student fees, if any; and
- Sign a release of student records.

In all cases, withdrawal forms must be appropriately completed and signed before withdrawal is complete.

Involuntary Withdrawal

Treetops School may initiate withdrawal of a student under the age of 19 for non-attendance if:

1. the student has been absent 10 consecutive school days, and
2. repeated efforts by the school to locate the student have been unsuccessful.

Additionally, Treetops School may revoke the enrollment of a student 19 years of age or older who has more than five unexcused absences in one semester.

Dress and Grooming

The school's dress and grooming standards are designed to teach grooming and hygiene, minimize safety hazards, and provide a dress standard that offers flexibility for the parent and student. Students must come to school cleanly and wear clothing that will not be a health or safety hazard to the student or others, and that will not distract from the educational atmosphere of the school.

Students who do not follow the school's guidelines for personal attire and appearance may be subject to discipline under the Student Code of Conduct. Additionally, a parent may be contacted to bring an acceptable change of clothing to school, and the student may be assigned to in-school suspension for the remainder of the day until a change of clothes is brought to the school.

Treetops School students are expected to dress in a manner that conveys respect for their learning community and communicates a message of personal confidence and pride. The following specific guidelines must be adhered to:

- Boxer shorts and pajama bottoms are not allowed. Students may not wear clothing that exposes underwear.
- Students must wear closed-toe at all times in grades **(K-8)**. Athletic shoes are required daily for physical fitness. A zero will be earned as a daily grade if athletic shoes are not worn daily. House-shoes, slippers and shoes with wheels are not allowed.
- Per the Texas Education Agency students may not be excluded from admission to Kindergarten if they are not fully potty trained. However, the Texas Education Agency does not regulate procedures for assisting a child with bathroom capacities; local policies govern hygiene assistance. Treetops School does not have classroom aids or am on campus nurses. Parents will be called to clean up students if they cannot change themselves. Students should have a change of clothes daily for emergency use.

Treetops School will periodically review its dress and grooming policies, and make changes as needed.

While it is inevitable that there will be differences of opinion as to the appropriateness of dress, grooming, and/or determining whether or not a student's attire is disruptive or distracting to the educational environment of the school, the final determination will be made by the Director. Any student who does not comply with the dress code will be removed from the regular school setting until the student complies with this code.

Student Fees

Materials that are part of the basic educational program are provided with state and local funds at no charge to a student. Students are expected to provide their own consumable items, such as pencils, paper, pens, erasers, notebooks, calculators, headsets, etc. Students may be required to pay certain fees or deposits, including:

1. A fee for materials for a class project that the student will keep, if the fee does not exceed the cost of materials;
2. Membership dues in voluntary student clubs or organizations and admission fees to extracurricular activities;
3. A security deposit for the return of materials, supplies or equipment;
4. A fee for personal physical education and athletic equipment and apparel, although a student may provide the student's own equipment or apparel if it meets reasonable requirements and standards relating to health and safety;
5. A fee for voluntarily purchased items, such as student publications, class rings, pictures, yearbooks, graduation announcements, etc.;
6. A reasonable fee, not to exceed the actual annual maintenance cost, for the use of musical instruments and uniforms owned or rented by the school;
7. A fee for items of personal apparel used in extracurricular activities that become the property of the student;
8. Device Protection Plan is \$45.00 for grades K-12th grade;
9. A fee for an optional course offered for credit that requires the use of facilities not available on campus or the employment of an educator who is not part of the school's regular staff;
10. A fee for summer school courses that are offered tuition-free during the regular school year;
11. A reasonable fee, not to exceed \$50, for costs associated with an educational program offered outside of regular school hours through which a student who was absent from class receives instruction voluntarily for the purpose of making up the missed instruction and meeting the level of attendance required for class credit, so long as the fee would not create a financial hardship or discourage the student from attending the program;

12. A fee for lost, damaged, or overdue library book; or
13. A fee specifically permitted by any other statute.
14. A fee for loss or damage to assigned Chromebook.

Treetops School may waive any fee or deposit if the student and parent are unable to pay. A request for such a waiver must be made in writing to the Director or designee, and include evidence of inability to pay. Details for the fee waiver are available in the office.

Supply lists are posted on the Treetops School website and are distinct for each of our programs.

Families are responsible for paying all fees associated with extra-curricular programs, including clubs, parking, athletics, fine arts, UIL academics, and academic supervision prior to participation.

Textbooks and Curriculum Materials

State-approved textbooks and additional curriculum materials are provided free of charge for each subject or class, except for dual credit courses. Materials must be used by the students as directed by the teacher, and treated with care. A student who is issued damaged materials should report the damage to the teacher.

Students must return all textbooks and supplemental materials to the teacher at the end of the school year or when the student withdraws from school. Any student failing to return issued materials in an acceptable condition loses the right to free textbooks and educational materials until the student and/or parent pay for the damages. However, a student will be provided textbooks and educational materials for use during the school day. Treetops School may reduce or waive the payment requirement if the student is from a low-income family. Release of student records, including official transcripts, will be delayed pending payment for lost or severely damaged textbooks.

Meals

Every student is responsible for bringing a nutritious sack lunch to school each day, as well as a water bottle. Students in K-8th grade may not bring any drinks other than water to school. No student may bring energy drinks to school. Because there is no cafeteria, all students and teachers eat outside. Students will eat inside only if it is raining or the temperature, including wind chill or heat index, is below 40 degrees or above 100 degrees. During lunch periods, students are expected to clean up after themselves and throw away trash.

Transportation

Treetops School does not provide regular transportation to and from school, unless required by a student's Individualized Education Plan ("IEP") for a student with disabilities. However, Treetops School may provide transportation

in parent volunteer vehicles for educational field trips and participation in athletic and other extracurricular events.

Riding in a volunteer vehicle is a privilege. Volunteer vehicle drivers have the authority to maintain discipline and require seating charts. When riding a school assigned vehicle, students are held to behavioral standards established in this Handbook and the Student Code of Conduct. Students must:

1. Follow the driver's directions at all times;
2. Enter and leave the vehicle in an orderly manner;
3. Keep feet, books, instrument cases, and other objects out of the aisle;
4. Not deface the vehicle or its equipment;
5. Not put head, hands, arms, legs, or an object out of any window; and
6. Wait for the driver's signal in order to leave or cross in front of the vehicle.

Only designated students are allowed to ride in the vehicle. Students may neither ride the vehicle to a different address nor have friends ride the vehicle to participate in after-school activities.

If a student with a disability is receiving school transportation as a result of an IEP, the Admission Review and Dismissal ("ARD") Committee will have the discretion in determining appropriate disciplinary consequences related to inappropriate behavior in a school vehicle.

Transcripts

Treetops School maintains an academic achievement record (or transcript) for each student enrolled. Transcripts list complete personal student data, give complete scholastic grades, and report student activities, honors, and scores on standardized achievement tests. Requests for transcripts should be made to the campus registrar. Students are provided with five free official transcripts. Each additional transcript is \$10.00. Payments should be made at the time of the request in either cash or check. Official transcripts may be picked up from the campus registrar five business days after the request is submitted except at the end of the semester. GPA and class rank are recalculated at the end of each semester and updated transcripts are not available until the end of the third business week after the end of the semester.

GPA (Grade Point Average) Calculation Table is located in the Forms Section at the end of this document).

Displaying a Student's Artwork, Projects, Photos, and Other Original Work

Teachers may display student work in classrooms or elsewhere on campus as recognition of student achievement. However, Treetops School will seek parental consent before displaying student artwork, special projects, photographs taken by students, and other original works on the Treetops School website, on any campus or classroom website, in printed materials, by video, or by any other method of mass communication. Treetops School will also seek consent before displaying or publishing an original video or voice recording in this manner.

Distribution of Materials or Documents

School Materials

Publications prepared by and for Treetops School may be posted or distributed with prior approval by the Director and/or teacher. Such items may include school posters, brochures, murals, etc.

Non-School Materials

Students must obtain express prior approval of the Director or designee before distributing, posting, selling, or circulating written materials, handbills, photographs, pictures, petitions, films, tapes, posters, or other visual or auditory materials on campus.

Non-school literature shall not be distributed by students on Treetops School property if:

- The materials are obscene, vulgar, or otherwise inappropriate for the age and maturity of the audience.
- The materials endorse actions endangering the health or safety of students.
- The materials promote illegal use of drugs, alcohol, or other controlled substances.
- The distribution of such materials would violate the intellectual property rights, privacy rights, or other rights of another person.
- The materials contain defamatory statements about public figures or others.
- The materials advocate imminent lawless or disruptive action and are likely to incite or produce such action.
- The materials are hate literature or similar publications that scurrilously attack ethnic, religious, or racial groups or contain content aimed at creating hostility and violence, and the materials would materially and substantially interfere with school activities or the rights of others.
- There is reasonable cause to believe that distribution of the non-school literature would result in material and substantial interference with school activities or the rights of others.

Any student who posts material without prior approval will be subject to disciplinary action in accordance with the Student Code of Conduct. Materials displayed without approval will be removed.

Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials over which Treetops School does not exercise control shall not be sold, circulated, or distributed by persons or groups not associated with Treetops School or a school support group on school premises unless the person or group obtains specific prior approval from the Director or designee. To be considered, any non-school material must include the name of the sponsoring organization or individual. The requestor may appeal the Director or designee's decision in accordance with Board policy.

Electronic Device Policy

Electronic and telecommunication devices are a major source of distraction in the classroom. For this reason, **students are not permitted to possess items such as cell phones, pagers, radios, CD players, tape recorders, camcorders, DVD players, cameras, smart watches, calculators, or electronic devices or games at school**, unless prior permission has been obtained from the Director. "Electronic items, including smart watches and calculators, may be taken up if used in a manner that violates the electronics policy."

If a student is permitted to possess an electronic or telecommunications device at school, including a cell phone, all such devices must be turned into the office during school hours. If a Treetops School employee observes a student using any electronic or telecommunication device (including a cell phone) during the school day or a school-related activity, the employee will collect the item and turn it into the Director's office. If a student and parent have executed a waiver permitting the student to possess an electronic communication device at school, school officials may power on and search the device if there is a reasonable cause to believe that the device has been used in the transmission or reception of communications prohibited by law, policy, or regulation.

A parent will be contacted to pick up the item and pay the applicable fine. A \$15 fee will be assessed before the parent is able to retrieve a telecommunication device. An additional \$15 fee will be assessed each subsequent time a telecommunication device is confiscated. Any disciplinary action will be in accordance with the Student Code of Conduct.

Treetops School will not be responsible for damage to or loss or theft of confiscated items.

Pledges of Allegiance and Moment of Silence

Each school day, students will recite the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. Parents may submit a written request to the Director or designee to excuse their student from reciting a pledge.

State law requires that one minute of silence will follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity during that minute so long as the silent activity does not interfere with or distract others. In addition, state law requires that Treetops School provide for the observance of one minute of silence at the beginning of the first class period when September 11 falls on a regular school day in remembrance of those who lost their lives on September 11, 2001.

Recitation of the Declaration of Independence

State law requires students in social studies classes in grades 3–12 to recite a portion of the text of the Declaration of Independence during “Celebrate Freedom Week.” A student will be exempted from this requirement if a parent provides a written statement requesting that the student be excused, Treetops School determines that the student has a conscientious objection to the recitation, or the parent is a representative of a foreign government to whom the United States extends diplomatic immunity.

Prayer and Meditation

Students have a right to individually, silently, and voluntarily pray or meditate in school in a manner that does not disrupt instructional or other school activities. Treetops School will not require, encourage, or coerce a student to engage in or refrain from such prayer or meditation during any school activity.

SECTION 2: STUDENT HEALTH AND SAFETY

Alcohol-Free School Notice

In order to provide a safe and alcohol-free environment for students and employees, all alcoholic beverages are prohibited on Treetops School property at all times, and at all school-sanctioned activities occurring on or off school property. Student violators are subject to possible prosecution, as allowed by law, as well as the disciplinary terms of the Student Code of Conduct.

Tobacco-Free School Notice

Smoking (including electronic cigarettes, cigars, and pipes) and using tobacco products is prohibited in school buildings, vehicles, or on or near school property, or at school-related or school-sanctioned events off school property. Students may not possess tobacco products or vaping apparatus at any time or at activities listed above. Student violators are subject to possible prosecution, as allowed by law, as well as the disciplinary terms of the Student Code of Conduct.

Drug-Free School Notice

Treetops School believes that student use of illicit drugs is unlawful. Consequently, Treetops School prohibits the use, sale, possession, or distribution of illicit drugs by students on school premises or any school activity. Treetops School also prohibits the use, sale, possession, or distribution of look-alike substances and/or synthetic substances designed to imitate the look and/or effects of illicit drugs. Student violators are subject to possible prosecution, as allowed by law, as well as the disciplinary terms of the Student Code of Conduct.

Asbestos Management Plan

All school facilities have been inspected for asbestos by a licensed Asbestos Hazard Emergency Response Act ("AHERA") inspector. An Asbestos Management Plan has been created for the school in accordance with federal regulations. Parents may view the Asbestos Management Plan at the campus office.

Bacterial Meningitis Information

State law requires Treetops School to provide the following information:

What is bacterial meningitis?

Meningitis is an infection of the fluid surrounding the brain and spinal cord. It is usually caused by viruses, bacteria, parasites, and fungi. Viral meningitis is the most common and least serious. Most people completely recover from viral meningitis. Parasitic and fungal meningitis are very rare. Bacterial meningitis is very serious and may involve complicated medical treatment.

What are the symptoms of bacterial meningitis?

Someone with meningitis will become very ill but not everyone with meningitis will have the same symptoms. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Children (over one year old) and adults with meningitis may have a severe headache, high temperature, nausea, vomiting, sensitivity to bright lights, neck stiffness or joint pain, drowsiness, or confusion. In both children and adults, there may be a rash or tiny red-purple spots that can occur on any part of the body.

How is Bacterial Meningitis diagnosed?

The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

How serious is Bacterial Meningitis?

Bacterial meningitis is a very serious disease. If it is diagnosed early and treated promptly, the majority of people make a complete recovery. Even with prompt treatment, some cases may result in permanent disabilities such as loss of hearing, loss of vision, mental retardation, paralysis, or limb amputations. Bacterial meningitis can also be fatal.

How is bacterial meningitis spread?

Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. The germs that cause meningitis live naturally in the back of our noses and throats, but they do not live for long outside the body. They are spread when people exchange saliva (such as by kissing, sharing drinking containers, eating utensils or cigarettes). The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks or even months. Being a carrier helps to stimulate your body's natural defense system. The bacteria rarely overcome the body's immune system and causes meningitis or another serious illness.

How can bacterial meningitis be prevented?

Bacterial meningitis can be prevented by limiting the number of people you kiss and by not sharing food, drinks, utensils, toothbrushes, or cigarettes.

Vaccines that help prevent meningitis are required for young children, if there is a meningitis outbreak in the community, and for people traveling to foreign countries where there is a high risk of getting the disease. A vaccine that can prevent meningitis in adolescents and young adults is state mandated for students in grades 7–12 and unvaccinated first year college students ages 19–21. Administer booster dose if the most recent dose given was when the student was younger than age 16. The vaccine is safe and effective (85%-90%). It can cause mild side effects such as redness and discomfort at the injection site lasting up to two days

What should you do if you think you or a friend might have bacterial meningitis? You should seek prompt medical attention.

Where can you get more information?

Your family doctor and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Texas Department of Health office to ask about meningococcal vaccine. Additional information may also be found at the web sites for the Centers for Disease Control and Prevention: www.cdc.gov and the Texas Department of State Health Services: www.dshs.state.tx.us.

Communicable Diseases

To protect other students from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. Parents of students with a communicable or contagious disease should notify the Director or designee so that other students who might have been exposed to the disease can be alerted. School authorities will report those students who are suspected of having a reportable condition. A list of reportable conditions can be found on the Texas Department of State Health Services (“TDSHS”) website at: <http://www.dshs.state.tx.us/idcu/investigation/conditions/>.

Any student excluded from school attendance for reason of communicable disease may be readmitted by one or more of the following methods, as determined by the local health authority:

- Certificate of the attending physician, advanced practice nurse, or physician assistant attesting that the child does not currently have signs or symptoms of a communicable disease or to the disease’s non-infectiousness in a school setting;
- Submitting a permit for readmission issued by a local health authority; or
- Meeting readmission criteria as established by the commissioner of health.

Please contact the school nurse if you have questions or if you are concerned about whether a child should stay home.

Immunization Requirements

The State of Texas requires that every child in the state be immunized against vaccine preventable diseases caused by infectious agents in accordance with an established immunization schedule.

To determine the specific number of doses that are required for your student, please read the “2017–2018 Texas Minimum State Vaccine Requirements for Students in Grades K–12” document issued by the TDSHS.

Specific immunization information is available on the TDSHS website at <http://www.dshs.texas.gov/immunize/school/>.

Proof of immunization may be personal records from a licensed physician or public health clinic with a signature or rubber-stamp validation.

Provisional Enrollment

A student can be enrolled provisionally for no more than 30 days if he or she transfers from one Texas school to another, and is awaiting the transfer or the immunization record.

A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate required vaccine. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school. Treetops School shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If at the end of the 30-day period, a student has not received a subsequent dose of vaccine, then the student is not in compliance and Treetops School shall exclude the student from school attendance until the required dose is administered.

A student who is homeless, as defined by the McKinney Act (42 U.S.C. § 11302), shall be admitted temporarily for 30 days if acceptable evidence of vaccination is not available. Treetops School shall promptly refer the student to appropriate public health programs to obtain the required vaccinations.

Exclusions from Immunization Requirements

Exclusions from immunization requirements are allowable on an individual basis for medical reasons, reasons of conscience (including a religious belief), and active duty with the armed forces of the United States.

To claim exclusion for medical reasons, the student must present a statement signed by the student's physician (M.D. or D.O.), duly registered and licensed to practice medicine in the United States who has examined the student, in which it is stated that, in the physician's opinion, the vaccine required is medically contraindicated or poses a significant risk to the health and well-being of the student or any member of the student's household. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

To claim an exclusion for reasons of conscience, including a religious belief, a signed Texas Department of State Health Services ("TDSHS") affidavit must be presented by the student's parent, stating that the student's parent declines vaccinations for reasons of conscience, including because of the person's religious beliefs. The affidavit will be valid for a period of two years. The form affidavit may be obtained by writing the TDSHS Immunization Branch

(MC 1946), P.O. Box 149347, Austin, Texas 78714-9347, or online at <https://corequest.dshs.texas.gov/>. The form must be submitted to the Director within 90 days from the date it is notarized. If the parent is seeking an exemption for more than one student in the family, a separate form must be provided for each student. Students, who have not received the required immunizations for reasons of conscience, including religious beliefs, may be excluded from school in times of emergency or epidemic declared by the commissioner of public health.

To claim exclusion for armed forces, the student must prove that he or she is serving on active duty with the armed forces of the United States.

Immunization Records Reporting

The school's record of a student's immunization history, while private in most instances, may be inspected by the Texas Education Agency, local health departments, and TDSHS and transferred to other schools associated with the transfer of the student to those schools.

Emergency Medical Treatment

If a student has a medical emergency at school or a school-related activity and the parent cannot be reached, Treetops School staff will seek emergency medical treatment unless the parent has previously provided a written statement denying this authorization. Therefore, parents are asked each year to complete an emergency care consent form. Parents should keep emergency care information up-to-date (name of doctor, emergency phone numbers, allergies, etc.). Please contact the campus registrar to update any information.

Student Illness

When your child is ill, please contact Treetops School to let us know he or she will not be attending that day. **Students must be fever-free without the use of fever-reducing medication and must be free of vomiting/diarrhea without the use of diarrhea suppressing medication for at least 24 hours before returning to school.**

If a student becomes ill during the school day, he or she are directed to their teacher or coordinator to contact parents or guardians.

Administration of Medication

Medication should be administered at home whenever possible. If necessary, medication can be administered at school by the classroom teacher under the following circumstances:

1. Nonprescription medication brought to school must be submitted to Treetops School by a parent along with a written request. The medication must also be in the original and properly labeled container.
2. Prescription medications administered during school hours must be prescribed by a physician or advanced nurse practitioner ("ANP") and filled by a pharmacist licensed in the State of Texas. In accordance with the Texas Board of Nursing's Nurse Practice Act, Treetops School will not administer medications prescribed or fulfilled in Mexico.
3. Prescription medications must be submitted in a labeled container showing the student's name, name of the medication, reason the medication is being given, proper dosage amounts, the time the medication must be taken, and the method used to administer the medication. Medications sent in plastic baggies or unlabeled containers will NOT be administered.
4. If the substance is herbal or a dietary supplement, it must be provided by the parent and will be administered only if required by the student's Individualized Education Program ("IEP") or Section 504 plan for a student with disabilities.
5. Only the amount of medication needed should be delivered to Treetops School, *i.e.*, enough medication to last one day, one week, etc. In cases of prolonged need, send in the amount for a clearly specified period. Extra medication will not be sent home with the student.
6. In certain emergency situations, Treetops School may administer a nonprescription medication to a student, but only in accordance with the guidelines developed by the school's medical advisor and when the parent has previously provided written consent for emergency treatment.

Changes to daily medications require written instruction from the physician and written permission from the parent. Parents are responsible for advising Treetops School that a medication has been discontinued. Treetops does not have a nurse on campus.

Asthma and Anaphylaxis Medication

Asthma and anaphylaxis are life-threatening conditions, and students with those conditions are entitled to possess and self-administer prescription medication while on Treetops School property or at school-related events.

Student possession and self-administration of asthma or anaphylaxis medication at school requires the student to demonstrate his or her ability to self-administer the medication to the student's physician or other licensed health care provider. Requirements also include written authorization from the student's parent and physician or other licensed health care provider on file in

the school office. Medication must be in an original container with a prescription label. Please note that most pharmacies will place a label on the inhaler device upon request.

Steroid Notice

Treetops School does not permit steroid use.

Dyslexia and Related Disorders

From time to time, students may be tested and, where appropriate, treated for dyslexia and related disorders in accordance with programs, rules and standards approved by the state. The program approved by the state must include screening at the end of the school year of each student in kindergarten and each student in the first grade. Parents will be notified should Treetops School determine a need to identify or assess their student for dyslexia and related disorders.

Fitness Testing

According to requirements under state law, Treetops School will annually assess the physical fitness of students. Treetops School is not required to assess a student for whom, as a result of disability or other condition identified by rule or law, the assessment exam is inappropriate.

Spinal Screening

Certain students must be screened at various times set by law for abnormal spinal curvature before the end of the school year. The screening requirement for students may be met if the child has been screened for spinal deformities during the previous year.

A parent who declines participation in the spinal screening provided by Treetops School must submit to the Director or designee documentation of a professional examination which includes the results of a forward-bend test. This documentation must be submitted to Treetops School during the year the student is scheduled for screening or, if the professional exam is obtained during the following summer, at the beginning of the following school year.

Exemption: A student is exempt from screening if the screening conflicts with the tenets and practices of a recognized church or religious denomination of which the individual is an adherent or member. To qualify for the exemption, the student's parent, managing conservator, or guardian must submit to the Director or designee on or before the day of the screening procedure an affidavit stating the objections to screening.

Vision and Hearing Screenings

All children enrolled in Texas schools must be screened for possible vision and hearing problems in accordance with regulations issued by the Texas Department of State Health Services. Students in certain grade levels identified

by state regulations shall be screened for vision and hearing problems annually.

Screening records for individual students may be inspected by the TDSHS or a local health department, and may be transferred to another school without parental consent.

Exemption: A student is exempt from screening requirements if screening conflicts with the tenets and practices of a recognized church or religious denomination of which the individual is an adherent or a member. To qualify for the exemption, the individual or, if the individual is a minor, the minor's parent, managing conservator, or guardian, must submit to the Director or designee on or before the day of admission an affidavit stating the objections to screening.

Freedom from Discrimination, Harassment, and Retaliation

Statement of Nondiscrimination

Treetops School prohibits discrimination, including harassment, against any student on the basis of race, color, religion, gender or sex, national origin, disability, age, or any other basis prohibited by law. Treetops School also prohibits dating violence, as defined by this Handbook. Retaliation against anyone involved in the complaint process is a violation of school policy.

Discrimination

For purposes of this Handbook, discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, gender or sex, national origin, disability, age, or any other basis prohibited by law and that adversely affects the student.

Prohibited Harassment

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, gender or sex, national origin, disability, age, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

- Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
- Otherwise adversely affects the student's educational opportunities.

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes; name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative

stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

Sexual Harassment

In compliance with the requirements of Title IX, Treetops School does not discriminate on the basis of sex in its educational programs or activities. Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

- Affects the student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
- Otherwise adversely affects the student's educational opportunities.

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Treetops School also does not tolerate sexual harassment of a student by school employees. Romantic or inappropriate social relationships between students and school employees are prohibited. Any sexual relationship between a student and a school employee is always prohibited, even if consensual.

Sexual harassment of a student by a school employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

- A school employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
- The conduct is so severe, persistent, or pervasive that it:
 - Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - Creates an intimidating, threatening, hostile, or abusive educational environment.

Gender-based harassment includes harassment based on a student's gender, expression by the student of stereotypical characteristics associated with the

student's gender, or the student's failure to conform to stereotypical behavior related to gender.

Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include, but not be limited to, offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

Dating Violence

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other partner. Examples of dating violence against a student may include physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student's family members or members of the student's household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, attempts to isolate the student from friends and family, stalking, or encouraging others to engaged in these behaviors.

For purposes of this Handbook, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

- Affects the student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
- Otherwise adversely affects the student's educational opportunities.

Retaliation

Treetops School prohibits retaliation against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation. Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a school investigation regarding discrimination or harassment is subject to appropriate discipline.

Reporting Procedures

Any student who believes that he or she has experienced prohibited harassment or believes that another student has experienced prohibited harassment should immediately report the alleged acts to a teacher, counselor, the Director or designee, or other school employee.

A student shall not be required to report prohibited harassment to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX Coordinator, the ADA/Section 504 Coordinator, and/or the Ag Discrimination Coordinator may be directed to the Lou Blanchard, Director, 817-283-1771 .

Investigation of Complaints

After receiving a complaint of prohibited discrimination or harassment, Treetops School may, but need not, require the student to prepare a written report. Oral complaints will be reduced to written form. Upon receipt of a complaint, the appropriate Compliance Coordinator or other authorized school official shall promptly authorize and undertake an investigation. Following completion of the investigation, the Compliance Coordinator or other authorized school official will prepare a written decision regarding the complaint, including a determination of whether prohibited discrimination or harassment occurred.

When appropriate, Treetops School may take interim action to avoid additional opportunities for discrimination or harassment. The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and any others with knowledge of the circumstances surrounding the allegations. If the results of the investigation establish that prohibited discrimination or harassment occurred, Treetops School shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to prevent the discrimination or harassment and prevent its recurrence. Treetops School may take disciplinary action based on the results of an investigation, even if Treetops School concludes that the conduct did not rise to the level of harassment prohibited by law or policy.

Confidentiality

To the greatest extent possible, Treetops School shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal

A student or parent who is dissatisfied with the outcome of the investigation may appeal through the Treetops School grievance procedure. A student shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

Freedom from Bullying and Cyberbullying

Treetops School prohibits bullying as defined by this section, as well as retaliation against anyone involved in the complaint process. Bullying means a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that:

- Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable harm to the student's person or of damage to the student's property;
- Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student; or
- Materially and substantially disrupts the educational process or the orderly operation of a classroom or the School; or
- Infringes on the rights of the victim at school.

Cyberbullying means bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

The school's bullying policy applies to:

- Bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property;
- Bullying that occurs on a publicly or privately owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
- Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying:
 - o Interferes with a student's educational opportunities; or
 - o Substantially disrupts the orderly operation of a classroom, school, or school-sponsored or school-related activity.

Reporting Procedures

Any student who believes that he or she has experienced any form of bullying or believes that another student has experienced bullying should immediately report the alleged acts to the Director or designee, a teacher, counselor, or other school employee. A report may be made orally or in writing, and may be submitted anonymously. Any school employee who receives notice that a student has or may have experienced bullying shall immediately notify the Director or designee. The Director or designee will notify the victim, the student who engaged in bullying, and any student witnesses of available counseling options.

The Director or designee shall provide notice of an incident of alleged bullying to:

- A parent or guardian of the alleged victim on or before the third business day after the date the incident is reported; and
- A parent or guardian of the alleged bully within a reasonable amount of time after the incident.

Investigation of Report

The Director or designee shall determine whether the allegations in the report, if proven, would constitute prohibited harassment and, if so, proceed under that policy instead. The Director or designee shall conduct an appropriate investigation based on the allegations in the report, and shall take prompt interim action calculated to prevent bullying during the course of an investigation, if appropriate.

The Director or designee shall prepare a written report of the investigation, including a determination of whether bullying occurred. If the results of an investigation indicate that bullying occurred, the school shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated the conduct in accordance with the Student Code of Conduct. Treetops School may take action based on the results of an investigation, even if the school concludes that the conduct did not rise to the level of bullying under this policy.

Discipline for bullying of a student with disabilities shall comply with applicable requirements under federal law, including the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 *et seq.*). Treetops School may not impose discipline on a student who, after an investigation, is found to be a victim of bullying, based on that student's use of reasonable self-defense in response to the bullying.

The Director, or the Director's designee, may make a report to the police department of the municipality in which the school is located or, if the school is not in a municipality, the sheriff of the county in which the school is located if, after an investigation is completed, the Director or designee has reasonable grounds to believe that a student engaged in conduct that constitutes an offense under Section 22.01 (Assault) or 42.07(a)(7) (Harassment), Texas Penal Code.

Confidentiality

To the greatest extent possible, Treetops School shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary to conduct a thorough investigation.

Appeal

A student or parent who is dissatisfied with the outcome of the investigation may appeal through the Treetops School grievance procedure.

Law Enforcement Agencies

Questioning of Students

When law enforcement officers or other lawful authorities wish to question or interview a student at school, the Director or designee will cooperate fully regarding the conditions of the interview if the questioning or interview is part of a child abuse investigation. In other circumstances:

1. The Director or designee shall verify and record the identity of the official and request an explanation of the need to question or interview the student at school.
2. The Director or designee ordinarily will make reasonable efforts to notify the student's parent, unless the interviewer raises what the Director or designee considers to be a valid objection.
3. The Director or designee ordinarily will be present during the questioning or interview, unless the interviewer raises what the Director or designee considers to be a valid objection.

When the investigation involves allegations of child abuse, special rules apply.

Students Taken into Custody

State law requires Treetops School to permit a student to be taken into legal custody:

1. Pursuant to an order of the juvenile court;
2. Pursuant to the laws of arrest;
3. By a law enforcement officer if there is probable cause to believe the student has engaged in conduct that violates a penal law, delinquent conduct or conduct in need of supervision, or conduct that violates a condition of probation imposed by the juvenile court;
4. By a probation officer if there is a probable cause to believe the student has violated a condition of probation imposed by the juvenile court;
5. Pursuant to a properly issued directive to apprehend; or
6. By an authorized representative of the Texas Department of Family and Protective Services ("TDFPS"), a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in Section 262.104 of the Texas Family Code relating to the student's physical health or safety.

Before a student is released to a law enforcement officer or other legally authorized person, the Director or designee will verify the officer's identity and, to the best of his or her ability, verify the official's authority to take custody of the student.

The Director or designee will immediately notify the Director and will ordinarily attempt to notify the parent unless the officer or other authorized person raises what the Director or designee considers to be a valid objection to notifying the

parents. Because the Director or designee does not have the authority to prevent or delay a student's release to a law enforcement officer, any notification will most likely be after the fact.

Child Abuse Reporting and Programs

Treetops School provides child abuse anti-victimization programs and cooperates with official child abuse investigators as required by law. Treetops School also provides training to its teachers and students in preventing incidents of sexual abuse and other maltreatment of children, including knowledge of likely warning signs indicating that a child may be a victim of sexual abuse or maltreatment. Assistance, interventions and counseling options are also available.

The school's administration shall cooperate with law enforcement investigations of child abuse, including investigations by the Texas Department of Protective and Family Services. School officials may not refuse to permit an investigator to interview a student who is alleged to be a victim of abuse or neglect at school. School officials may not require the investigator to permit school personnel to be present during an interview conducted at school.

Investigations at school may be conducted by authorized law enforcement or state agencies without prior notification or consent of the student's parent, if necessary.

Plan for Sexual Abuse and Other Maltreatment of Children

What is Sexual Abuse of a Child?

The Texas Family Code defines "sexual abuse" as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as, in certain circumstances, failure to make a reasonable effort to prevent sexual conduct harmful to a child.

What is Other Maltreatment of a Child?

Under State law, "other maltreatment" of a child includes "abuse" or "neglect," as defined by Texas Family Code sections 261.001 and 261.401.

Reporting Obligation

Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to the Texas Department of Family and Protective Services ("DFPS"). Reports may be made by contacting one of the following:

- Texas Abuse Hotline: 1-800-252-5400 or, in non-emergency situations only: <http://www.txabusehotline.org>;
- Your local police department; or
- Call 911 for emergency situations.

Treetops School has established a plan for child sexual abuse and other maltreatment of children (the "Plan"). The Plan is located in this section of the Handbook.

Methods for Increasing Awareness Regarding Sexual Abuse or Other Maltreatment For Staff:

Treetops School annually trains staff in all content areas' in the Plan. Training is provided by campus staff, administrative staff, or outside agencies as determined by the campus administration.

For Students: School staff are available to increase awareness regarding sexual abuse and other maltreatment of children and anti-victimization programs with age appropriate conversation and materials no less than once per school year. These discussions will occur in classroom group settings.

For Parents: Parents must be aware of warning signs indicating that their child may have been or is being sexually abused or otherwise maltreated. A child who has experienced sexual abuse or other maltreatment should be encouraged to seek out a trusted adult. Be aware as a parent or other trusted adult that evidence of sexual abuse or other maltreatment may be more indirect than disclosures or signs of physical abuse. It is important to remain calm and comforting if your child, or another child, confides in you. Reassure the child that he or she did the right thing in coming to you.

The fact that the abuser is a parent or other family member does not remove your obligation to protect the child. Parents who permit their child to remain in a situation where he or she may be injured or abused may also be subject to prosecution for child abuse. And, if you are frightened for your own safety or that of your child, you should call 911 or 1-800-252-5400.

Also remember that parents are legally responsible for the care of their children and must provide their children with safe and adequate food, clothing, shelter, protection, medical care and supervision, or arrange for someone else to provide these things. Failure to do so may be considered neglect.

The Director or designee will provide information regarding counseling options available in your area for you and your child if your child is a victim of sexual abuse or other maltreatment. The DFPS also provides early abuse intervention through counseling programs. Services available in your county can be accessed at the following web address:

Likely Warning Signs of Sexual Abuse or Other Maltreatment

Psychological and behavioral signs of possible sexual abuse or other maltreatment may include:

- Nightmares, sleep problems, extreme fears without an obvious explanation.
- Sudden or unexplained personality changes; becoming withdrawn, angry, moody, clingy, “checking out” or showing significant changes in eating habits.
- Depression or irritability.
- An older child behaving like a young child, for example, bedwetting or thumb sucking.
- Developing fear of certain places or resisting being alone with an adult or young person for unknown reasons.
- Resistance to routine bathing, toileting, or removing clothes, even in appropriate situations.
- Play, writing, drawings, or dreams of sexual or frightening images.
- Refusal to talk about a secret he or she has with an adult or older child.
- Leaving clues that seem likely to provoke a discussion about sexual issues.
- Using new or adult words for body parts.
- Engaging in adult-like sexual activities with toys, objects or other children.
- Developing special relationships with older friends that may include unexplained money, gifts, or privileges.
- Intentionally harming him or herself, for example, drug/alcohol use, cutting, burring, running away, and sexual promiscuity.
- Thinking of self or body as repulsive, dirty, or bad.

- Becoming increasingly secretive about Internet or telephone use.

Physical symptoms of possible sexual abuse or other maltreatment include:

- Stomachaches or illness, often with no identifiable reason.
- Difficulty in walking or sitting.
- Stained or bloody underwear.
- Genital or rectal pain, itching, swelling, redness, or discharge.
- Bruises or other injuries in the genital or rectal area.
- Unexplained soreness, pain or bruises around mouth, sexually transmitted disease, or pregnancy.

Any one sign does not necessarily mean that a child has been sexually abused or maltreated, but the presence of several signs is the time you should begin asking questions and seeking help. Often signs first emerge at other times of stress, such as during a divorce, death of a family member or pet, problems at school or with friends, or other traumatic or anxiety-inducing events.

Actions That a Child Who Is a Victim of Sexual Abuse or Other Maltreatment Should Take

During student awareness sessions concerning sexual abuse and other maltreatment issues, students will be encouraged to tell a trusted adult in a private and confidential conversation if they have been a victim of sexual abuse or other maltreatment or have been in situations that make them feel uncomfortable in any way. School employees are trained to take appropriate actions to help the child obtain assistance and to follow proper reporting procedures. Older students will also be provided with local crisis hotline numbers to obtain assistance.

Available Counseling Options

Interrogations and Searches

In the interest of promoting student safety and attempting to ensure that Treetops School is safe and drug free, school officials may from time to time conduct searches. Such searches are conducted without a warrant and as permitted by law.

Administrators, teachers and other professional personnel may question a student regarding the student's own conduct or the conduct of other students. In the context of school discipline, students have no claim to the right not to incriminate themselves.

Students shall be free from unreasonable searches and seizures by school officials. School officials may search a student's outer clothing, pockets, or

property by establishing reasonable cause or securing the student's voluntary consent.

A search is reasonable if (1) the school official has reasonable grounds for suspecting that the search will uncover evidence of a rule violation or a criminal violation and (2) the scope of the search is reasonably related to the circumstances justifying the search, such as the extent of the search, the objectives of the search, the age and sex of the student, and the nature of the infraction.

Searches

Students should have no expectation of privacy in the contents of their desks or other school property. Cubbies and desks assigned to students remain at all times under the control and jurisdiction of Treetops School. Treetops School will make periodic inspections of lockers and desks at any time, with or without notice or student consent. School officials will remove any item that violates school policy or that may potentially be dangerous.

Students have full responsibility for the security of their cubbies and desks, and shall be held responsible for any prohibited items found therein. A student's parent shall be notified if any prohibited articles or materials are found in a student's locker or desk, or on the student's person.

Vehicles on Campus

Vehicles parked on school property and property under school control are under the jurisdiction of Treetops School and may be searched at any time if reasonable suspicion exists to believe that the search will result in evidence that school rules or other laws have been violated. If a vehicle subject to search is locked, the student shall be asked to unlock the vehicle and consent to a search of the vehicle. If the student refuses to permit the vehicle to be searched, Treetops School may contact the student's parents and/or law enforcement officials. A student may be held responsible for and in possession of prohibited items found in his or her vehicle parked on school property or at a school-related event.

Random Drug Searches

In order to ensure a drug-free learning environment, Treetops School conducts random drug searches of all school facilities. Treetops School may use or contract for specially trained nonaggressive dogs to sniff out and alert school officials to the current presence of concealed prohibited or illegal items, including drugs and alcohol. Canine visits may be unannounced. The dogs shall be used to search vacant classrooms, vacant common areas, the areas around student lockers, and the areas where vehicles are parked on Treetops School property or at school-related events. The dogs shall not be asked to alert on students. A dog alert to a locker, vehicle, or item in a classroom, constitutes reasonable grounds for a search by school officials.

Procedures for Use of Restraint and Time-Outs

School employees, volunteers or independent contractors are authorized to use restraint in the event of an emergency and subject to the following limitations:

- Only reasonable force, necessary to address the emergency, may be used.
- The restraint must be discontinued at the point at which the emergency no longer exists.
- The restraint must be implemented in such a way as to protect the health and safety of the student and others.
- The student may not be deprived of basic human necessities.

At no time, however, may a student be placed in seclusion.

A student with a disability may not be confined in a locked box, locked closet or other specially designated locked space as either a discipline management practice or a behavior management technique.

Visitor and Volunteer Policy

Treetops School encourages parents and family members to regularly visit the school and become involved in student activities. The impact that positive parental involvement has on the learning and development of students is immeasurable. With that in mind, the following policies must be adhered to so that a safe, secure, and productive learning environment can be ensured for all.

Visitors **MUST** sign in at the main office whenever they are on campus. They will be provided with a visitor ID that must be worn while on campus. **Visitors are not permitted to make unscheduled or drop-in visits to classrooms.**

When visiting campus to meet with teaching staff, visitors must have a pre-arranged time set up with the teacher(s) in question except for urgent matters. Times are best arranged via email. An email directory is located on our website. With few exceptions, conferences are scheduled during teacher/team planning time, and/or immediately before or after school. Under no circumstances can a teacher be interrupted while providing instruction before, during, or after the school day to meet with a parent.

Visitors to campus must be the parent, guardians, or other adult family members with permission of the parent/guardian. Students' friends, younger siblings, and other non-related individuals cannot visit the campus during school hours.

Visitors/Volunteers **MUST** go through a background check conducted by our district office (you will need to provide your state issued ID). Once the check is cleared, volunteers are notified and may begin helping on campus. Until this clearance is obtained, they are not to be involved in any educational or extra-curricular activities.

Additionally, the Director or designee may take the following actions whenever there is a school visitor:

The School will verify whether the visitor is a sex offender registered with the computerized central database maintained by the Department of Public Safety or any other database accessible by Treetops School.

Any visitor identified as a sex offender shall be escorted by school personnel at all times during a school visit and shall have access only to common areas of the campus.

Disruptions

To protect student safety and sustain an educational program free from disruption, state law permits Treetops School to act against any person – student or nonstudent – who:

- Disrupts classes while on school property or on public property that is within 500 feet of school property. Class disruption includes making loud noises; trying to entice a student away from, or to prevent a student from attending, a required class or activity; entering a classroom without authorization; and disrupting the activity with profane language or any misconduct.
- Interferes with an authorized activity by seizing control of all or part of a building.
- Interferes with the movement of people at an exit or an entrance to school property.
- Interferes with the movement of people in an exit, an entrance, or a hallway of a school building without authorization from an administrator.
- Interferes with the transportation of students in school vehicles.
- Uses force, violence, or threats in an attempt to prevent participation in an authorized assembly.
- Uses force, violence, or threats in an attempt to prevent people from entering or leaving school property without authorization from an administrator.
- Uses force, violence, or threats to cause disruption during an assembly.

Emergency Closings

Generally, Treetops School dismisses classes for weather-related events on the same days as surrounding local independent school districts. Any closures for weather will be broadcast on local television and/or radio stations. Treetops School may also need to close during certain emergency situations beyond the control of school officials. The announcement of non-weather related school

closings will be broadcast on local television and/or radio stations as early as possible. Any emergency closures will also be posted on the Treetops School website.

Drills: Fire, Tornado, and Other Emergencies

Students, teachers, and other staff will participate in drills of emergency procedures. When the alarm is sounded, students should follow the direction of school staff quickly, quietly, and in an orderly manner. Order rather than speed shall be stressed. Defined instructions for vacating each room will be posted in each room, and students should familiarize themselves with these instructions.

Pest Control Information

Treetops School periodically applies pesticides inside school buildings and on school grounds. Except in an emergency, signs will be posted 24 hours before application. Students may not reenter a treated area inside a building or use an area on school grounds for at least 12 hours following application. Parents who want to be notified prior to pesticide application may contact the Director or designee.

Videotaping of Students

For safety purposes, including the maintenance of order and discipline, surveillance cameras may be used to monitor student behavior in classrooms, on school vehicles, and in school common areas. Video recordings may be reviewed routinely to document student misconduct and used by Treetops School staff when investigating an incident. Tapes and other video recordings will be available for viewing pursuant to the Family Educational Rights and Privacy Act ("FERPA").

SECTION 3: ACADEMICS AND GRADING

Academic Programs

The Director will provide students and parents with information regarding academic programs to prepare for higher education and career choices.

A student removed from the regular classroom to in-school suspension or another setting will have an opportunity to complete his or her daily work just as if they were in the regular learning center.

Students and parents are encouraged to discuss options for ensuring that students complete all work required with a teacher or the Director.

Required Curriculum

Treetops School offers instruction in the Texas Essential Knowledge and Skills as provided by the State of Texas for all grade levels.

Academic Integrity

All students are expected to be honest and to display a high standard of integrity in the preparation and presentation of work for credit in classes. A student's attempt to present the work of another as his or her own will be viewed as a serious offense, and the student may be subject to a grading penalty and/or discipline in accordance with the Student Code of Conduct.

Career and Technology Programs

Treetops School offers career and technical education programs in CTE courses. Admission to these programs is based on academic eligibility requirements.

Treetops School will take steps to ensure that lack of English language skills will not preclude a student from participating in all educational and career and technology programs.

College Days

High school students who meet the following criteria will be allowed to have two excused days of absence for a college visit during their junior year and two excused days of absence for a college visit during their senior year:

- The student must have passed the required parts of the STAAR/equivalent state assessment for the previous year.
- The student must be on track to graduate on time.
- The student must be classified as a junior or senior based upon credits earned.
- The student must be passing all course work.
- The student must have no truancy or other attendance problems.

Students must submit a written request to the school office at least two days prior to the day requested for a college visit so that eligibility criteria for an excused day of absence can be verified and approval granted prior to the student participating in a college visit. Approval will not be granted for a college visit on a day when major exams are scheduled, and no partial days will be approved.

Computer Resources

To prepare students for an increasingly computerized society, Treetops School has made a substantial investment in computer technology for instructional purposes. Use of these resources is restricted to students working under a teacher's supervision or parent/guardian and for approved purposes only. Students and parents must read and agree to abide by the Student Acceptable Use Policy found in this Handbook.

Counseling

Academic Counseling

Students and parents are encouraged to talk with the school counselor to learn about course offerings, graduation requirements, and early graduation

procedures. Each spring, students in 8th–12th grade will be provided with information on anticipated course offerings for the next year and other information that will help to make the most of academic and vocational opportunities.

Credit by Exam

Treetops School uses examinations and guidelines established by the State Board of Education to offer credit and acceleration by exam.

If a Student has Prior Instruction

A student in grades 6–12 who has previously taken a course or subject (but did not receive credit for it) may, in circumstances determined by the Director or designee, be permitted to earn credit by passing an exam on the essential knowledge and skills defined for the course or subject. To receive credit, a student must score at least 70% on the exam.

The Attendance Review Committee may also offer a student with excessive absences an opportunity to receive credit for a course by passing an exam.

If a Student Has Not Taken the Course

A student will be permitted to take an exam to earn credit for an academic course or subject area for which the student has had no prior instruction or to accelerate to the next grade level. The exams offered by Treetops School are provided through Texas Tech University K-12 school at the cost to the parent or guardian.

A student in grade 6 or above will earn course credit with a passing score of at least 80 on the exam, or a score designated by the state for an exam that has alternate scoring standards. A student may take an exam to earn course credit no more than twice. If a student fails to achieve the designated score on the approved exam before the beginning of the school year in which the student would need to enroll in the course according to the school's course sequence, the student must complete the course.

If a student plans to take an exam, the parent must register with the Director no later than 30 days prior to the scheduled testing date.

Dual Credit Opportunities

A dual credit course is a college course taken by a high school student for which the student earns both college and high school credit. Dual credit is also known as concurrent enrollment.

A student is eligible to enroll in dual credit courses in the 11th or 12th grade if the student:

- Demonstrates college readiness by achieving the minimum passing standards under the Texas Success Initiative as set forth in 19 Texas

Administrative Code § 4.85, on relevant section(s) of an assessment instrument approved by the State Board of Education; or

- Demonstrates that he or she is exempt under the provisions of the Texas Success Initiative as set forth in 19 Texas Administrative Code § 19.54.

An 11th grade student is also eligible to enroll in dual credit courses in reading, writing, and/or mathematics if he or she satisfies standards set by the Texas Higher Education Coordinating Board. As these requirements may change from time to time, students and parents are encouraged to contact the Director of College and Career Readiness and/or Chief Academic Officer of the participating college for current requirements.

Students in grades 11 and/or 12 are eligible to enroll in workforce education dual credit courses if the student demonstrates that he or she achieved the designated minimum standards set by the Texas Higher Education Coordinating Board. A student who is exempt from taking TAKS or STAAR end-of-course assessments may be otherwise evaluated to determine eligibility for enrolling in workforce education dual credit courses. A student may enroll only in those workforce education dual credit courses for which he or she has demonstrated eligibility.

Students may not enroll in more than two dual credit courses per semester. A student may be exempt from this requirement only through approval by the Director if the student demonstrates outstanding academic performance and capability. Students in the 10th grade may appeal to be admitted to the Director.

Students and parents are responsible for any fees for dual credit courses.

Distance Learning

Distance learning and correspondence courses include courses that encompass the state-required essential knowledge and skills but are taught through multiple technologies and alternative methodologies, such as mail, satellite, Internet, video-conferencing, and instructional television.

If a student wishes to enroll in a correspondence course or a distance learning course that is not provided through the TxVSN in order to earn credit in a course or subject, the student must receive permission from the Director prior to enrolling in the course or subject. If the student does not receive prior approval, Treetops School may not recognize and/or apply the course or subject toward graduation requirements or subject mastery.

Extracurricular Activities, Clubs, and Organizations

Participation in school-related activities is an excellent way for a student to develop talents, receive individual recognition, and build strong friendships with other students. Participation, however, is a privilege and not a right. Eligibility for participation in many school-related activities is governed by state

law and rules of the University Interscholastic League (“UIL”), a statewide association overseeing interscholastic competition between public schools. Additional information regarding extracurricular activities, clubs, and organizations may be obtained from the Director.

Participation in these activities may result in events that occur off-campus. When Treetops School arranges transportation for these events, students are required to use the transportation provided by Treetops School to and from the event. Exceptions may only be made with approval from the sponsor.

Please note: Sponsors of student clubs and performing groups such as the student council, Community Service International and athletic teams may establish standards of behavior – including consequences for misbehavior – that are stricter than those for students in general. If a violation of organization rules is also a violation of school rules, the consequences specified by the Student Code of Conduct or by local policy will apply in addition to any consequences specified by the organization.

Graduation (High School Grades Only)

Treetops School shall ensure that each student enrolls in the courses necessary to complete the curriculum requirements identified by the State Board of Education (“SBOE”) for the foundation high school program, or the recommended or advanced high school program.

program, a student must meet the following requirements to receive a high school diploma:

1. Complete the required number of credits established by the State and any additional credits required by Treetops School;
2. Complete any locally required courses in addition to the courses mandated by the State;
3. Achieve passing scores on certain EOC assessments or approved substitute assessments, unless specifically waived as permitted by State law; and
4. Demonstrate proficiency, as determined by Treetops School, in the specific communication skills required by the State Board of Education.

Testing Requirements for Graduation

Students are required, with limited exceptions, to perform satisfactorily on the following EOC assessments: English I, English II, Algebra I, Biology, and United States History. A student who has not achieved sufficient scores on the EOC assessments to graduate will have opportunities to retake the assessments. State law and state rules also provide for certain scores on norm-referenced national standardized assessments to substitute for the requirement to meet satisfactory performance on an applicable EOC assessment should a student choose this option. See the Director for more information on the State testing requirements for graduation.

If a student fails to perform satisfactorily on an EOC assessment, Treetops School will provide remediation in the content area for which the performance standard was not met. This may require student participation before or after normal school hours, or at times of the year outside of normal school operations.

In limited circumstances, a student who fails to demonstrate proficiency on two or fewer of the required assessments may be eligible to graduate, if an individual graduation committee, formed in accordance with state law, unanimously determines that the student is eligible to graduate. Please see the Director for more information on the makeup of an individual graduation committee and all other requirements for graduation.

Foundation Graduation Program

Students who enter grade 9 in the 2014–2015 school year and thereafter will graduate under the foundation school program. Within the foundation graduation program are “endorsements,” which are paths of interest that include Science, Technology, Engineering, and Mathematics (“STEM”); Business and Industry; Public Services; Arts and Humanities; and Multidisciplinary Studies. Endorsements earned by a student will be noted on the student’s transcript and diploma. The foundation graduation program also involves the term “distinguished level of achievement,” which reflects the completion of at least one endorsement and Algebra II as one of the required advanced mathematics credits.

State law and rules prohibit a student from graduating solely under the foundation graduation program without an endorsement unless, after the student’s sophomore year, the student and the student’s parent are advised of the specific benefits of graduating with an endorsement and submit written permission to an appropriate school administrator for the student to graduate without an endorsement. A student who anticipates graduating under the foundation graduation program without an endorsement and who wishes to attend a four-year university or college after graduation must carefully consider whether this will satisfy the admission requirements of the student’s desired college or university.

Graduating under the foundation graduation program will also provide opportunities to earn “performance acknowledgements” that will be acknowledged on a student’s diploma and transcript. Performance acknowledgements are available for outstanding performance in bilingualism and biliteracy, in a dual credit course; on an AP or IB exam; on the PSAT, ACT-Plan, SAT, or ACT exam; or for earning a nationally or internationally recognized license or certificate. The criteria for earning these performance acknowledgements are prescribed by state rules, and the Director can provide more information about these acknowledgments.

Standardized Testing

STAAR (State of Texas Assessments of Academic Readiness)

In addition to routine tests and other measures of achievement, students in grades 3–8 will take the state assessment, the STAAR exam, in the following subjects:

- Mathematics, annually in grades 3–8.
- Reading, annually in grades 3–8.
- Writing, including spelling and grammar, in grades 4 and 7.
- Science in grades 5 and 8.
- Social Studies in grade 8.

Successful performance on the reading and math assessments in grades 5 and 8 is required by law, unless the student is enrolled in a reading or math course intended for students above the student's current grade level, in order for the student to be promoted to the next grade level. Exceptions may apply for students enrolled in a special education program if the ARD Committee concludes the student has made sufficient progress in the student's individualized education plan ("IEP").

STAAR Alternate 2 is available for eligible students receiving special education services and who meet certain state-established criteria, as determined by the student's ARD committee.

STAAR Spanish is available for eligible students for whom a Spanish version of STAAR is the most appropriate measure of their academic progress.

End-of-Course Assessments for Students in Grades 9–12

STAAR end-of-course ("EOC") assessments are administered for the following courses:

- Algebra I;
- Biology;
- English I and II; and
- United States History.

Satisfactory performance on the applicable assessments will be required for graduation, except in circumstances where a student may be eligible to graduate in accordance with a plan approved by an Individual Graduation Committee. (See "Individual Graduation Committee Decisions" above.)

There are three testing windows during the school year in which a student may take an EOC assessment, which will occur during the fall, spring, and summer months. If a student does not meet satisfactory performance, the student will have additional opportunities to retake the assessment.

STAAR Alternate 2 is available for eligible students receiving special education

services and who meet certain state-established criteria, as determined by the student's ARD committee. The student's ARD committee will determine whether successful performance on the EOC assessments will be required for a student receiving special education services to graduate, in accordance with parameters set in state regulations.

Texas Success Initiative Assessment

Prior to enrollment in a Texas public college or university, most students must take a standardized test called the Texas Success Initiative ("TSI") assessment. The purpose of the TSI assessment is to assess the reading, mathematics, and writing skills that entering freshmen-level students should have if they are to perform effectively in undergraduate certificate or degree programs in Texas public colleges and universities. This assessment may be required before a student enrolls in a dual-credit course offered through Treetops School as well. Cost of the TSI is the responsibility of the parents or guardians.

Texas English Language Proficiency Assessment System ("TELPAS")

The Texas English Language Proficiency Assessment System ("TELPAS") is a system of statewide assessments administered to all Limited English Proficient ("LEP") students in grades K–12. The TELPAS measures English ability based on the stages of language development of second language learners. These results will further the understanding of the educational needs of LEP students by providing a state-level measure of both their current academic English levels and their annual progress in English.

Promotion and Retention

A student may be promoted on the basis of academic achievement and/or demonstrated proficiency in the subject matter of the course or grade level. To earn credit in a course, a student must demonstrate mastery on grade level standards and meet Treetops School's requirements for attendance. A student in grades 9–12 will advance to a grade level based on the number of course credits earned.

In addition, at certain grade levels a student with limited exceptions will be required to pass the State of Texas Assessments of Academic Readiness ("STAAR"), if the student is enrolled in a public Texas school on any day between January 1 and the date of the first administration of the STAAR.

- In order to be promoted to grade 6, students enrolled in grade 5 must perform satisfactorily on the Mathematics and Reading sections of the grade 5 grade assessment exam in English or Spanish.
- In order to be promoted to grade 9, students enrolled in grade 8 must perform satisfactorily on the Mathematics and Reading sections of the grade 8 assessment exam in English.

If a student in grade 5 or 8 is enrolled in a course that earns high school credit and for which an end-of-course ("EOC") assessment will be administered, the

student will not be subject to the promotion requirements described above for the relevant grade 5 or 8 assessment. However, for federal accountability purposes, the student may be required to take both the grade level and EOC assessment.

If a student in grade 8 is enrolled in a class or course intended for students above his or her current grade level in which the student will be administered a state-mandated assessment, the student will be required to take an applicable state mandated assessment only for the course in which he or she is enrolled, unless otherwise required to do so by federal law.

Parents of students who do not perform satisfactorily on their STAAR or EOC assessments will be notified that their child will participate in an Accelerated Instructional Program designed to improve performance. A student in grade 5 or 8 will have two additional opportunities to take a failed assessment. If a student fails a second time, a grade placement committee, consisting of the Director or designee, the student's teacher, and the student's parent will determine the additional special instruction the student will receive.

Students will also have multiple opportunities to retake EOC assessments.

If a student fails after a third attempt, the student will be retained at his or her current grade level. The parent, however, may appeal this decision to the Committee. A decision to promote a student to the next grade level must be unanimous. Regardless of whether the student is retained or promoted, an educational plan for the student will be designed to enable the student to perform at grade level by the end of the next school year.

In addition to the requirements listed above for students in grades 5 and 8, a student may be considered for retention if they have met any of the following criteria:

1. failed one or more core subject areas;
2. failed one or more state assessments
3. is below level in one or more core subject areas;
4. missed more than 10% of instructional days in an academic year. The decision must be made by a committee, which is comprised of the child's core subject area teachers, the counselor, and the Director.

Students with Disabilities

Upon the recommendation of the Admission, Review, and Dismissal ("ARD") Committee, a student with disabilities who is receiving special education services may be promoted and/or permitted to graduate under the provisions of his or her Individualized Education Program ("IEP").

A student who receives special education services and has completed four years of high school, but has not met the requirements of his or her IEP, may

participate in graduation ceremonies and receive a certificate of attendance. Even if the student participates in graduation ceremonies to receive the certificate of attendance, he or she may remain enrolled to complete the IEP and earn his or her high school diploma; however, the student will only be allowed to participate in one graduation ceremony.

Report Cards

Report cards with each student's grades or performance and absences in each class or subject are issued to parents at the end of the year via parent portal. Parent portal is online and accessible by parents all year. If the student receives a grade lower than 70% in any class or subject at the end of a grading period, the parent will be requested to schedule a conference with the teacher of that class or subject. The report card or progress report will state whether tutorials are required for a student who receives a grade lower than 70% in a class or subject.

Questions about grade calculation should first be discussed with the teacher; if the question is not resolved, the parent or student may request a conference with the Coordinator, then Director. State law provides that a test or course grade issued by a teacher cannot be changed unless the Board determines that the grade was arbitrary or contains an error, or that the teacher did not follow the school's grading policy.

Special Programs

Bilingual/ESL Services

Treetops School offers Bilingual/English as a Second Language ("ESL") services for English language learners who are limited to their English proficiency. The program is designed to assist students identified as having Limited English Proficiency with development in language – listening, speaking, reading, and writing. The goal of this program is to provide additional English language assistance to students, enabling them to become academically successful in all classes. Students are assessed with state-approved Oral Language Proficiency and Norm-Referenced Test to qualify for placement in the program. If the test results indicate either limited oral or limited cognitive academic English ability, the student (with parent approval) is provided additional English language support.

Special Education Services

Treetops School has the responsibility of identifying, locating, and evaluating individuals with disabilities who are 5 to 21 years of age and who fall within the school's jurisdiction. If you know or suspect that your student has a disability, please contact Nikki Roderick, Special Education, at 12500 S. Pipeline Rd., Euless, TX, 76040, 817-283-1771 for information about available programs, assessments, and services.

Special education services are specifically designed to meet the unique needs of students with disabilities. Each student who receives special education services has an Individual Education Plan ("IEP"), which is developed by the student's ARD Committee. The ARD Committee considers the student's disability and determines appropriate accommodations, supplementary aids, and/or services that are necessary for the student to participate in the general curriculum.

All special education services are provided in the least restrictive environment, which may be special education settings, general education settings, or a combination or both. All students receiving special education services are educated to the maximum extent appropriate with their non-disabled peers as well as participating in all school activities on the same basis as students who are not disabled.

The Notice of Procedural Safeguards – Rights of Parents of Students with Disabilities, can be obtained from Nikki Roderick, 12500 S. Pipeline Rd., Euless, TX, 76040, 817-283-1771. or at the Texas Education Agency Special Education Website:

http://tea.texas.gov/Academics/Special_Student_Populations/Special_Education/Special_Education/.

Providing Assistance to Students Who Have Learning Difficulties or Who Need Special Education Services

If a student is experiencing learning difficulties, the parent may contact Nikki Roderick, 12500 S. Pipeline Rd., Euless, TX, 76040, 817-283-1771 to learn about Treetops School's overall general education referral or screening system for support services. This system links students to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students, including a process based on Response to Intervention ("RtI"). The implementation of RtI has the potential to have a positive impact on Treetops School's ability to meet the needs of all struggling students.

Treetops School shall provide an annual notice to the parent of each child in general education to whom the school provides assistance for learning difficulties, including intervention strategies. The notice must be provided when the child begins to receive the assistance for that school year, in English or in the parent's native language, to the extent practicable, and must include:

- A reasonable description of the assistance that may be provided to the child;
- Information collected regarding any Tier 1 intervention if a multi-tiered system of supports was previously used with the student;
- An estimate of how long the assistance will be provided;

- The estimated time frame within which the school will provide the parent with a report on the child's progress with the assistance; and
- A statement that the parents have the right to request an evaluation of the student's need for special education services under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794).

At any time, a parent may request an evaluation for special education services by presenting a written request to Nikki Roderick, 12500 S. Pipeline Rd., Euless, TX, 76040, 817-283-1771 or an administrative employee. Treetops School must, within 15 school days of receiving the request, either (1) give the parent an opportunity to give written consent for the evaluation or (2) refuse to provide the evaluation and provide the parent with written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parents of their rights if they disagree with Treetops School. Additionally, the parent will receive a copy of the *Notice of Procedural Safeguards – Rights of Parents of Students with Disabilities*.

If consent for evaluation is obtained, Treetops School must generally complete the evaluation and report within 45 school days of the date Treetops School receives the written consent. Treetops School must give a copy of the evaluation report to the parent.

Section 504 Services

Treetops School provides a free appropriate public education to each qualified student with a disability, regardless of the nature or severity of the student's disability. A "student with a disability" is one who has a physical or mental impairment that substantially limits one or more of the student's major life activities, has a record of having such impairment, or is regarded as having such impairment. A student with a disability is "qualified" if he or she is between the ages of 3 and 21, inclusive.

An appropriate education is the provision of regular or special education and related services that are (1) designed to meet the student's individual educational needs as adequately as the needs of students who do not have disabilities are met; and (2) based on adherence to procedures that satisfy federal requirements for educational setting, evaluation and placement, and procedural safeguards.

Qualified students with disabilities will be placed in the regular educational environment, unless Treetops School demonstrates that education in the regular environment with the use of supplemental aids and services cannot be achieved satisfactorily. Should an alternate educational environment be necessary, Treetops School will comply with all legal requirements regarding least restrictive environment and comparable facilities for students with disabilities. In providing or arranging for nonacademic and extracurricular services and activities, Treetops School will ensure that a qualified student with

a disability participates with students who do not have disabilities to the maximum extent appropriate.

To be eligible for services and protections against discrimination on the basis of disability under Section 504 of the Rehabilitation Act, a student must be determined, as a result of an evaluation, to have a "physical or mental impairment" that substantially limits one or more major life activities. If a student has or is suspected of having a disability, or requires special services, parents or teachers should contact the Director for information concerning available programs, assessments, and services.

SECTION 4: STUDENT CODE OF CONDUCT

Purpose of the Student Code of Conduct

To function properly, education must provide an equal learning opportunity for all students by recognizing, valuing, and addressing the individual needs of every student. In addition to the regular curriculum, principles and practices of good citizenship must also be taught and modeled by school staff. To foster an orderly and distraction-free environment, Treetops School has established this Student Code of Conduct ("the Code") in accordance with state law and the Treetops School open-enrollment charter. The Code has been adopted by the Board of Directors, and provides information to parents and students regarding expectations for behavior, consequences of misconduct, and procedures for administering discipline.

In accordance with state law, the Code will be posted at each Treetops School campus and/or will be available for review at the campus office. Parents will be notified of any violation that may result in a student being suspended or expelled from Treetops School. Students must be familiar with the standards set forth in the Student Code of Conduct, as well as campus and classroom rules.

The Code does not define all types and aspects of student behavior, as Treetops School may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code. When students participate in student activities, they will also be expected to follow the guidelines and constitutions that further specify the organization's expectations, student behavior and consequences.

Authority and Jurisdiction

Treetops School has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school on Treetops School transportation;
2. During periods in which a student is allowed to leave campus;

3. While the student is attending any school-related activity, regardless of time or address;
4. For any school-related misconduct, regardless of time or address;
5. For any expulsion offense committed while on Treetops School property or while attending a school-sponsored or school-related activity of Treetops School or another school in Texas;
6. For any expulsion offense committed away from Treetops School property and not at a school-sponsored or school-related event, if the misconduct creates a substantial disruption to the educational environment;
7. While the student is in transit to or from school or to or from school-related activities or events;
8. When retaliation against a school employee or volunteer occurs or is threatened, regardless of time or address;
9. When the student commits a felony, including those provided by Texas Education Code §§ 37.006 or 37.0081, regardless of time or address; and
10. When criminal mischief is committed on or off Treetops School property or at a school-related event.

Reporting Crimes

In addition to disciplinary consequences, misdemeanors and felony offenses committed on campus or while attending school-sponsored or school-related activities will be reported to an appropriate law enforcement agency.

Standards for Student Conduct

Each student is expected to:

- Demonstrate courtesy, even when others do not.

- Adhere to the requirements of the Student Code of Conduct.

Discipline Management Techniques

Disciplinary techniques are designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action will draw on the professional judgment of teachers and administrators and on a range of discipline management

techniques. Discipline will be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

Because of these factors, discipline for a particular offense, unless otherwise specified by law, may bring into consideration varying techniques and responses.

Techniques

The following discipline management techniques may be used—alone or in combination—for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Assignment of school duties such as cleaning or picking up litter.
- Behavioral contracts (see also, School related travel behavioral contracts)
- Cooling-off time or "time-out."
- Counseling by teachers, counselors, or administrative personnel.
- Rewards for positive behavior.
- Demerits.
- Detention.
- Expulsion from Treetops School, as specified in the expulsion section of the Code.
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.
- Out-of-school suspension, as specified in the suspension section of the Code.
- Parent-teacher conferences.
- Penalties identified in individual student organizations' extracurricular standards of behavior.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by Treetops School.
- School-assessed and school-administered probation (final warning contracts).
- Seating changes within the classroom.
- Sending the student to the office or other assigned area.
- Techniques or penalties identified in individual student organizations' extracurricular standards of behavior.
- Temporary confiscation of items that disrupt the educational process.
- Verbal correction, oral or written.
- Withdrawal of privileges, such as participation in extracurricular activities, field trips, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Other strategies and consequences as determined by school officials.

Corporal Punishment

Treetops School will NOT administer corporal punishment upon a student for misconduct.

Behavior Contract rules for **School Related Student Travel**

Students must sign a behavior contract prior to travel. Breaches of behavior may result in removal from the trip. Travel privileges may be revoked due to behavior *prior* to travel. Removal from the trip due to behavioral issues *after* departure will be at the parents' expense.

Suspension

Out of School Suspension

The Director will give notice of suspension and the reasons for the suspension to the student. In deciding whether to order out-of-school suspension, the administrator may take into consideration factors including self-defense, prior discipline history, intent or lack of intent and other appropriate or mitigating factors determined by the administrator.

Conferences, Hearings, and Appeals

All students are required to attend conferences, hearings, and/or appeals of disciplinary matters as provided by applicable state and federal law, and Treetops School policy.

Process for Suspensions Lasting Up to Five Days

In addition to the above list of Code of Conduct violations, the Director has authority to suspend a student for a period of up to five school days for any of the following additional reasons:

1. The need to further investigate an incident,
2. A recommendation to expel the student, or
3. An emergency constituting endangerment to health or safety.

Prerequisites to Suspension

Prior to suspending a student for up to five days, the Director or designee must attempt to hold an informal conference with the student to:

1. Notify the student of the accusations against him/her,
2. Allow the student to relate his or her version of the incident, and
3. Determine whether the student's conduct warrants suspension.

Notification to Parents/Guardians

If the Director or designee determines the student's conduct warrants suspension during the school day for up to five days, the Director or designee will make reasonable effort to notify the student's parent(s) that the student has been suspended before the student is sent home. The Director or designee will notify a suspended student's parent(s) of the period of suspension, the grounds for the suspension, and the time and place for an opportunity to confer with the Director.

Credit During Suspension

A student shall receive credit for work missed during the period of suspension if the student makes up work missed during the period of suspension within the same number of school days the student was absent on suspension.

Process for Out-of-School Suspensions Over Five Days (extended suspension) and Expulsion

Notice

When the Director or designee determine that a student's conduct warrants suspension for more than five days (extended suspension) or expulsion, but prior to taking any such action, the Director or designee will provide the student's parent(s) with written notice of:

1. The reasons for the proposed disciplinary action; and

2. The date and address for a hearing before the Director, within five school days from the date of the disciplinary action.

The notice shall further state that, at the hearing, the student:

1. May be present;
2. Shall have an opportunity to present evidence;
3. Shall be apprised and informed of Treetops School's evidence;
4. May be accompanied by his or her parent(s); and

Hearing Before the Superintendent

Treetops School shall make a good faith effort to inform the student and the student's parent(s) of the time and place for the hearing, and Treetops School shall hold the hearing regardless of whether the student, the student's parent(s) or another adult representing the student attends. The Director may audio record the hearing.

Immediately following the hearing, the Director will notify the student and the student's parent(s) in writing of his or her decision. The decision shall specify:

1. The length of the extended suspension or expulsion, if any;
2. When or if the expulsion is not permanent, the procedures for re-admittance at the end of the expulsion period if at all; and
3. The right to appeal the Director's decision to the Board of Directors or the Board's designee.

The notice shall also state that failure to timely request such a hearing constitutes a waiver of further rights in the matter.

Appeal to the Board of Directors

The student or his or her parent(s) may appeal the extended suspension or expulsion decision to the Board of Directors by notifying the Director in writing within five calendar days of the date of receipt of the Director's decision. The Board will review the audio or transcribed record from the hearing before the Director at a regular or specially called meeting in closed session. The Board will notify the student and his or her parent(s) of its decision within five calendar days of the hearing. The decision of the Board is final and may not be appealed.

Please note that discipline consequences will not be deferred pending the outcome of an appeal of an extended suspension or expulsion to the Board.

No Credit Earned

Except when required by law, students will not earn academic credit during a period of expulsion.

Emergency Placement and Expulsion

If the Director or designee reasonably believes a student's behavior is so unruly, disruptive, or abusive that it seriously interferes with a teacher's ability to communicate effectively with students in a class, with the ability of a student's classmates to learn, or with the operation of Treetops School or a school-sponsored activity, the Director or designee may order immediate removal of the student. The Director or designee may impose immediate suspension if he or she reasonably believes such action is necessary to protect persons or property from imminent harm. At the time of such an emergency removal, the student will be given verbal notice of the reason for the action and appropriate hearings will be scheduled within a reasonable time after the emergency removal.

Placement of Students with Disabilities

All disciplinary actions regarding students with disabilities (504 or special education under the IDEA) shall be conducted in accordance with applicable federal and state laws.

Suspension/Expulsion Requirement

SECTION 5: ESPECIALLY FOR PARENTS

Parent Contact Information

Parents are responsible for notifying Treetops School of any changes in their address, telephone number, and/or email address so that we can update our records accordingly. Parents are encouraged to check the campus website on a regular basis as it is our primary means of communication. It is important for parent communication that Treetops School has a valid, working parent email address.

Your Involvement as a Parent

A child's education succeeds best when there is a strong partnership between home and school, a partnership that thrives on communication. Your involvement in this partnership may include:

1. Encouraging your student to put a high priority on education and working with your student on a daily basis to make the most of the educational opportunities the school provides. Be sure your child comes to school each day prepared, rested, in appropriate attire, and ready to learn.
2. Becoming familiar with all of your child's school activities and with the academic programs, including special programs, offered by Treetops School. Discuss with the Director any questions you may have about the options and opportunities available to your child.
3. Monitoring your student's academic progress and contacting teachers as needed.
4. Attending scheduled conferences and requesting additional conferences as needed. To schedule a conference or in-person conference with a teacher or Director, please call the school office for an appointment. A teacher will usually return your call or meet with you at a mutually convenient time before or after school.
5. Becoming a school volunteer. For further information, contact the Renee Dulock co-op coordinator. All volunteers must complete a Volunteer Application and criminal background check prior to volunteering.

Surveys and Activities

Parents will be able to inspect the survey or other instrument and any instructional materials used in connection with such a survey, analysis, or evaluation.

"Opting Out" of Surveys and Activities

Parents have the right to receive notice of and deny permission for their student's participation in:

1. Any survey concerning the private information listed above, regardless of funding;
2. School activities involving the collection, disclosure, or use of personal information gathered from their student for the purpose of marketing or selling that information;

Notice of Teacher Qualifications

Treetops School will provide parents with the qualifications of each teacher employed by the school. For the absence to be excused, the absence must occur no earlier than the 60th day before deployment or no later than the 30th day after the parent's return from deployment.

Student or Parent Complaints and Concerns

Treetops School values the opinions of its students and parents, and the public it serves. Parents and students have the right to express their views through appropriate informal and formal processes. The purpose of this grievance policy is to resolve conflicts in an efficient, expeditious, and just manner.

The Board of Directors encourages parents and the public to discuss their concerns and complaints through informal meetings with the Director. Concerns and complaints should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Neither the Board of Directors nor any School employee shall unlawfully retaliate against a parent or student for voicing a concern or complaint.

The Director may develop more detailed grievance procedures. The Director shall ensure that the school's grievance procedures are provided to all parents and students. The formal grievance procedure shall provide for any grievance to ultimately be considered or heard by the Board of Directors in accordance with Commissioner of Education rules.

For purposes of this policy, "days" shall mean school days, and announcement of a decision in the student's or parent's presence shall constitute communication of the decision.

Informal Conferences

A parent or student may request an informal conference with the Director, teacher, or other campus administrator within seven school days of the time the parent or student knew or should have known of the event(s) giving rise to the complaint. If the person is not satisfied with the results of the informal conference, he or she may submit a written grievance form to the Director. Grievance forms may be obtained from the Director's office.

Formal Grievance Process

The formal grievance process provides all persons with an opportunity to be heard up to the highest level of management if they are dissatisfied with an

administrative response. Once all administrative procedures are exhausted, a person can bring concerns or complaints to the Board, as outlined below.

A grievance must specify the harm alleged by the parent and/or student, and the remedy sought. A parent or student should not submit separate or serial grievances regarding the same event or action. Multiple grievances may be consolidated at the school's discretion. All time limits shall be strictly complied with; however, if an administrator determines that additional time is needed to complete a thorough investigation of the complaint and/or to issue a response, the administrator shall inform the parent or student in writing of the need to extend the response time and provide a specific date by which the response will be issued. Costs of any grievance shall be paid by the grievant.

Level One Complaint –Coordinator Review

A parent or student shall submit a written Level One Grievance Form to the Coordinator within the later of (1) ten school days from the time the event(s) causing the complaint were or should have been known, or (2) within 10 school days following an informal conference with the Coordinator. The school reserves the right to require the grievant to begin the grievance process at Level Two.

The Coordinator must meet with the complaining parent or student. Following this conference, the Coordinator shall issue a written Level One Decision. The Level One Decision must be issued within ten school days of the Coordinator's receipt of the complaint.

Note: A complaint against the Director shall begin at Level Three.

Level Two Complaint –Level Two Director/Coordinator

If the parent or student is not satisfied with the Level One Decision, or if no Decision is provided, the parent or student may file a written appeal to the Director. The appeal must include a signed statement of the complaint, any evidence supporting the complaint, and a copy of the written complaint to the Coordinator and a copy of the Level One Decision, if issued. The appeal shall not include any new issues or complaints unrelated to the original complaint. The appeal must be filed within ten school days of the Level One Decision or the response deadline if no Decision is made.

The Director will meet with the complaining parent or student. Following this conference, the Director shall issue a Level Two Decision. The Level Two Decision must be issued within 10 school days of the written appeal.

Level Three – Board of Directors Review

If the student or parent is not satisfied with the Level Two Decision, or if no decision is provided, the parent or student may submit to the Board of Directors a written appeal to the Board of Directors. The request must be filed within ten school days of the Level Two Decision or the response deadline if no

Decision is made. The student or parent shall be informed of the date, time, and place of the hearing.

The Board of Directors shall hear the student or parent complaint, and may set a reasonable time limit for presenting the complaint. Annual FERPA Confidentiality Notice of Parent and Student Rights

The Family Education Rights and Privacy Act ("FERPA") affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's educational records. These rights include the following:

The Right to Inspect and Review

Parents and/or eligible students have the right to inspect and review the student's educational records within 45 days of the day the school receives access. Parents or eligible students should submit to the Director or designee a written request that identifies the record(s) they wish to inspect. Treetops School will make arrangements for access and notify the parent or eligible student for the time and place where the records may be inspected.

If circumstances effectively prevent the parent or eligible student from exercising the right to inspect and review the student's educational records, Treetops School shall provide the parent or eligible student with a copy of the records requested to make arrangements for the parent or eligible student to inspect and review the requested records.

If the student's educational records contain information on more than one student, the parent or eligible student may inspect and review or be informed of only the specific information about that student.

The Right to Seek Amendment of the Student's Educational Records

Parents or eligible students may ask Treetops School to amend a record that they believe is inaccurate, misleading, or in violation of the student's privacy rights. Parents or eligible students should submit to the Director or designee a written request that clearly identifies the part of the record they want changed, and specifies why it is inaccurate, misleading, or in violation of the student's privacy rights. Treetops School will decide whether to amend the record as requested within a reasonable time after receiving the request. If Treetops School decides not to amend the record as requested by the parent of eligible student, the school will notify the parent of eligible student of the decision and advise them to their right to a hearing to challenge the content of the student's educational records on the grounds that the information contained in the educational records is inaccurate, misleading, or in violation of the student's privacy rights.

If, as a result of the hearing, Treetops School decides that the information in the educational record is not inaccurate, misleading, or in violation of the student's privacy rights, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he or she disagrees with the decision of Treetops School. If the school places an amended statement in the student's educational records, Treetops School is obligated to maintain the amended

statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

The Right to Consent Prior to Disclosure

Parents and/or eligible students have the right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interest. A "school official" is a person employed by Treetops School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board of Directors; a person or company with whom Treetops School has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

Upon request, Treetops School discloses educational records without consent to officials of another school in which a student seeks or intends to enroll or is already enrolled, so long as the disclosure is for purposes related to the student's enrollment or transfer.

The Right to File a Complaint

Parents and/or eligible students have the right to file a complaint with the Family Policy Compliance Office of the U.S. Department of Education ("Office") concerning alleged failures by Treetops School to comply with the requirements of FERPA. These complaints should be sent to the following address:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW.
Washington, D.C. 20202

Access to Medical Records

Parents are entitled to access their student's medical records.

Student Technology Acceptable Use Policy (AUP)

Computer Resources

To prepare students for an increasingly computerized society, Treetops School has made a substantial investment in computer technology for instructional purposes. Use of those resources is restricted to students working under a teacher's or parent's supervision and for approved purposes only. Students with access to Treetops School computers and their parents agree to adhere to the following user agreement regarding use of these resources.

Purpose

The purpose of this policy is to ensure school-level compliance with all procedures and regulations regarding the local area network and Internet usage. All students, parents, teachers, administrators, and school staff who obtain their Internet access through the school are expected to use these services appropriately. Violations of this agreement may result in withdrawal or suspension of computer privileges and other disciplinary action.

Technology Mission Statement

Treetops School is committed to utilizing the maximum potential of technology to enhance student learning and increase teacher effectiveness by providing students with technology-related experiences. Recognizing the ever-changing influences of technology on all aspects of our lives, Treetops School is dedicated to providing an integrated technological curriculum for all students and staff. Students will have access to the technology necessary to produce, manage, communicate, and retrieve information in an efficient manner for educational use. In the attainment of both present and future goals, Treetops School will provide a continually evolving staff development program oriented toward the integration of technology in areas of curriculum.

Instructional Resource

Treetops School is proud to bring network and Internet access to school staff and students. Treetops School believes the Internet offers many diverse and unique resources to both student and staff. Treetops School's goal in providing these services to staff and students is to promote educational excellence by facilitating resource sharing, innovative teaching, and communication skills.

Students and staff have access to numerous research oriented and instructional resources via the Internet. Online textbooks, libraries, applications, encyclopedia sites, professional journals, and databases filled with timely information on thousands of topics are just a few of the resources provided. School computers have the technology necessary to support student research and to promote academic achievement.

G Suite for Education

At Treetops School, we use **G Suite for Education**, and we are seeking your permission to provide and manage a G Suite for Education account for your child. G Suite for Education is a set of education productivity tools from Google including Gmail, Calendar, Docs, Classroom, and more used by tens of millions of students and teachers around the world. At Treetops School, students will use their G Suite accounts to complete assignments, communicate with their teachers, sign into their Chromebooks, and learn 21st century digital citizenship skills.

You can read the notice online at
https://gsuite.google.com/terms/education_privacy.html.

This link is also provided on our website. The notice provides answers to common questions about what Google can and can't do with your child's personal information, including:

- What personal information does Google collect?
- How does Google use this information?
- Will Google disclose my child's personal information?
- Does Google use student personal information for users in K-12 schools to target advertising?
- Can my child share information with others using the G Suite for Education account?

Student Safety

Treetops School is aware that resources which are inappropriate or not designed for use in the educational setting may be accessed on the Internet. To protect students and staff from such inappropriate material, the school's Internet access is filtered with one of the highest rated Internet filtering systems available. However, users must recognize that it is impossible for Treetops School to restrict access to all controversial material and individuals must be responsible for their own actions in navigating the network. All electronic communications using Treetops School computers and network, are not private and may be monitored by school staff.

User Responsibilities

The use of the Internet is a privilege. Abusive conduct will lead to the privilege being revoked. Treetops School is providing Internet resources for educational purposes only. Student/staff use of Internet resources must be related to an expressed educational and/or administrative goal or objective.

1. The use of the school's Internet and computer network must be in support of educational goals, research, and class assignments and be consistent with the educational objectives of Treetops School.
2. Users must have a valid, authorized account to access the network, and use only those computer resources that are authorized. Accounts may be used only in accordance with authorized purposes.
3. Individual accounts may be used only by the owner of the account, except where specifically authorized by administrators. In the case of class accounts, all use must be under the supervision of the sponsoring teacher/supervisor or parent/guardian.
4. The user is responsible for safeguarding the computer account. Users are expected to protect access to accounts by not sharing password information with anyone other than a parent or school official. They must respect the privacy of others by not tampering with their files, passwords, or attempting access to another person's account.
5. Parents/Guardians are responsible for: supervising student's use of devices and technology resources at home, discussing expectations related to use of Internet, email, apps, photos, and videos. This includes respecting all copyright laws.
6. Users and parents agree to notify campus personnel immediately of any mechanical or technical issues with devices as well as any information, images, or messages that are inappropriate or violate the Acceptable Use Policy.

Acceptable Use Policy Terms and Conditions

Acceptable Use

Users are to properly use Treetops School network resources for educational and/or administrative purposes. Respectful and responsible network etiquette and behavior should be in keeping with the school's mission statement. Students and staff are expressly prohibited from accessing obscene, profane, vulgar, or pornographic sites or materials.

Students are prohibited from sending or posting electronic messages that are abusive, offensive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation or illegal. Inappropriate content will not be allowed on school related accounts or devices. Presence of pornographic materials, inappropriate language, threats of violence, extortion, obscene or harassing messages, stalking, weapon-related content, alcohol, drugs, and/or gang related symbols or pictures, or any other activity deemed inappropriate by campus staff will result in disciplinary action.

This prohibition applies to conduct off school property if it results in a substantial disruption to the educational environment.

Any person taking, disseminating, transferring or sharing obscene, sexually oriented, lewd or otherwise illegal images or other content, commonly referred to as "sexting," will be disciplined according to the Student Code of Conduct and may, in certain circumstances, be reported to law enforcement. Because engaging in this type of behavior can lead to bullying or harassment, students involved in "sexting" or the sharing of inappropriate images or other content may also be disciplined for violating the school's anti-harassment and bullying policies.

Monitored Use

Electronic mail transmissions and other use of the electronic communications system by students and employees shall not be considered confidential and may be monitored at any time by designated Treetops School staff to ensure appropriate use for educational or administrative purposes. Forgery or attempted forgery of electronic mail messages is prohibited. Only the school's authorized IT Manager may read, delete, copy or modify the electronic mail of other system users.

Vandalism

Vandalism is defined as any malicious attempt to harm, disrupt or destroy data of another user of Treetops School's network or any other agencies or networks that are connected to the Internet. This includes, but is not limited to, the uploading or creating of computer viruses. Any of these actions may be viewed as violations of school policy, administrative regulations and, possibly, as criminal activity under applicable state and federal laws. Users must respect the privacy of other users, and will not intentionally seek information on,

obtain copies of, or modify any file, data, or password belonging to another user, or represent themselves as another user unless explicitly authorized. Deliberate attempts to degrade or disrupt system performance and/or degrade, disrupt or bypass system security are violations of school policy and administrative regulations, and may constitute criminal activity under applicable laws.

Any prohibited behavior under this policy will result in the cancellation of technology privileges. Treetops School will, in accordance with school policy, cooperate with local, state, or federal officials in any investigation concerning or relating to misuse of the school's network.

Equipment Policy and Device Protection Plan (DPP)

Ownership of Equipment:

Treetops School retains sole ownership of the Chromebook and related equipment. Your right of possession and use is limited to and contingent upon your full and complete compliance with this policy and the Treetops Acceptable Use Policy. All District-owned Chromebooks will be issued and collected in accordance with the guidelines set forth in this policy. At all times, Treetops School retains the right to collect and/or inspect the Chromebook and accessories at any time, including via electronic remote access; and to alter, add, erase or delete installed software (including the device iOS) or hardware.

Substitution of Equipment:

In the event the Chromebook is inoperable, Treetops School has a limited number of spares for use while the Chromebook is repaired or replaced. This policy remains in effect for this substitution.

Return of Equipment:

Students who graduate, withdraw, or terminate enrollment from Treetops School for any reason must return the Chromebook and related equipment on the date of the qualifying event. Any loss or damages beyond reasonable wear must be paid for at that time. Graduating seniors must return their Chromebook and related equipment no later than the last day of final exams. Any loss or damages beyond reasonable wear must be paid for at that time. Students withdrawing from a Treetops School school must return their Chromebook and related equipment prior to withdrawing. Any loss or damages beyond reasonable wear must be paid for at that time (See Fee Schedule).

Responsibility for Equipment:

Texas Education Code section 31.104(d) places responsibility for the condition of textbooks, including technological equipment on a student or the student's parent or guardian. If the equipment is not returned to the District in "acceptable condition," the student will lose the right to free textbooks and technological equipment until the student or the student's parent or guardian pays for the damaged or unreturned items.

Acceptable Condition:

Technological equipment is considered to be in acceptable condition if: 1) the equipment is returned with the software and hardware in the original condition unless the District authorized changes, and 2) the physical condition of the equipment has been cared for appropriately such that the equipment is not broken or damaged beyond cost-effective replacement or repair. Tex. Admin. Code §66.1205. Students who fail to return equipment are responsible for replacement. If instructional materials or technological equipment are not returned in an acceptable condition or paid for, the district or school may withhold the student's records. Tex. Educ. Code §31.104(d).

Damage or Theft of Equipment:

Students and parents are solely responsible for the care and safekeeping of the Chromebook. Regardless of cause, any damage to the Chromebook or related equipment (outside normal wear due to use) will be the financial responsibility of the student and signatories of this policy. "Damage" refers to injury or harm to the equipment that reduces its value or usefulness. "Theft" refers to the unlawful taking of the property without the expressed consent of the undersigned or the District.

Procedures in the event of damage:

Any equipment that is damaged must be returned by the next school day after the damage occurred. Damage must be reported to the campus main office.

Procedures in the event of theft:

If the Chromebook and/or related equipment is stolen, user must immediately report such theft to the Police Department. Theft of the equipment must be reported to the campus main office by the next school day after the occurrence and a copy of the police report (or case number) must be provided to the District.

Possession

Equipment owned by the District shall not be released to anyone other than the undersigned. Under no circumstances may the Chromebook equipment leave your possession if not properly supervised and/or secured.

Equipment modification and/or alteration

Users may not modify the Chromebook in a way that will permanently alter it either physically and/or electronically. Users may not apply marks, stickers, or other decorations to the supplied Chromebook and/or Chromebook case without permission. Users are strictly prohibited from attempting to circumvent restrictions by accessing the operating system in order to run modified or unauthorized software. Jailbreaking a Chromebook modifies the Chrome operating system in such a way that it is no longer usable to Treetops School. If jailbreaking occurs on a user's device, the undersigned is responsible for the cost of a replacement Chromebook with equal or comparable hardware specifications. Jailbreaking voids the Device Protection Plan coverage. The Treetops School Technology Department has the sole authority to repair, alter, modify, or replace an Chromebook.

Use of Camera and Recording Feature

The Chromebook comes equipped with a microphone, camera, and video capabilities. Treetops School retains the rights concerning any recording and/or publishing of any student or staff member's work or image. The camera and video features on the Chromebook may not be used on campus or at any school-related activity without the expressed permission of the instructor or administrator in charge of the activity. No photos, video, or audio recording of any individual, including students and district employees, may be taken without their permission. Any use of cameras in restrooms or locker rooms at any location, regardless of intent, will be treated as a serious violation. Any

material discovered on the device or appearing in social media that is deemed inappropriate by the administration is subject to disciplinary action.

Use for School-Related Purposes

Students are required to bring their fully charged Chromebook to each class and should take it home in a protective case daily. Students may use the device for school related activities and homework at home and should charge it overnight. All rules and regulations that are in effect during the school day extend to the use of the device at home.

Storage Space

The Chromebook affords ample electronic storage space. Users are encouraged to backup, duplicate or archive files to an independent storage space. It is recommended that users utilize "cloud" storage programs, such as Google Apps, which allow access to documents from other devices via the Internet. It is the users responsibility to ensure that work is not lost due to mechanical failure or accidental deletion.

Device Protection Plan (DPP):

The Device Protection Plan (DPP) is an **optional "insurance"** program the District provides to protect families from costly repairs related to accidental damage or theft. There is an annual enrollment fee of \$45 to participate. The coverage provided with this fee is considered exhausted upon completion of the school year and is nonrefundable. The enrollment fee, if applicable, must be paid within 30 days of the first school day. If you choose to NOT participate in the Device Protection Plan, you will be responsible for the full repair/replacement cost, whether damage/loss occurs at home or school. Please see the fee schedule below for more information. Intentional or negligent damage is not covered under the Device Protection Plan.

Consequences/Disciplinary Action

Violation of Treetops School policies and procedures concerning use of the computer on the network will result in the same disciplinary actions that would result from similar violations in other areas of school policy, including the Student Code of Conduct. Any or all of the following consequences may be enforced if a student violates the terms of this policy:

- Loss of computer privileges/Internet access, with length of time to be determined by campus administration.
- Any disciplinary consequence, including suspension or expulsion, as deemed appropriate by the administration.
- Suspension may be considered for flagrant violations or violations that corrupt the educational value of the computers or the Internet.

Electronic Communication Device Commitment Form

Electronic communications at school and at school-related functions are subject to regulation by Treetops School.

This Electronic Communication Device Commitment Form grants authority and permission to Treetops School to regulate electronic communication devices when these devices are brought to and/or used while on school property or when attending school related functions and events. Such communication devices include but are not limited to cellular phones, pagers, PDAs, and pocket computers. These regulations are made necessary in light of the unique opportunities these devices create for violations of law and school policies, and to perpetrate conduct disruptive of an educational environment essential to the school’s educational program. These concerns are exacerbated by electronic security protections and the personal size of these devices, which are often carried concealed in pockets and purses.

Therefore, all students who would possess or use such devices on school property or at school-related activities are required to sign this form together with their parent, guardian or other adult person having the authority of a parent for school purposes.

Each of you, by your signature below, agrees to the following:

- The possession and use of cellular phones, pagers, PDAs and other electronic communication devices by a student on school property or at school-related events is subject to regulation by Treetops School.
- If a student possesses such devices on school property or while attending school-related events, Treetops School is authorized and has my full consent to confiscate, power on or off, manipulate and do all things necessary to search my device and recover or intercept communications (including but not limited to text messaging) when reasonable suspicion exists that such device has been used to transmit or receive communications in violation of law, the Student Code of Conduct, school policy or regulation.
- I further understand, agree and consent that an electronic communication device used or possessed in violation of law, the Student Code of Conduct, school policy or regulation is subject to confiscation and that Treetops School is not liable for any loss of or damage to confiscated devices.

Grade Point Average (GPA)

Treetops School uses a weighted GPA calculation. For regular credit courses, this is a 4.0 scale, and for dual credit courses, this is a 5.0 scale. For dual credit, if a student took a dual credit and received an 88, the weighted GPA is 3.8. Please see below for GPA Table:

Numeric Value	Regular	Dual Credit
