### A NOTE FROM DR. PETTY

It is time for our "Superbowl"! This month, our 3rd-8th grade students will be taking the ASAA (state testing). Our students have been working really hard and it is time for us to show what they know and how much they have grown this school year. Below you will find a summary of our testing schedule for this month. This assessment will determine our school letter grade for the next school year. Please make sure your students are at school on time, remind them to get rest, and encourage them to do their very best on the test. This is our time to shine!
