

Guiding Principles

- Effective leaders ensure that all students can receive a quality education in a safe, disciplined school with qualified teachers and committed support staff.
- Schools provide rigorous curriculum and relevant, challenging, and engaging instruction to meet the needs of all students.
- Education leads students to set goals, develop a vision for their future, and become productive citizens who are college or career ready.
- Education that welcomes diversity and promotes respect is a shared responsibility among home, school, and the community.
- Responsible resource management benefits all stakeholders.
