

Jack Daley Primary School

October NEWSLETTER

Hello JDPS Families!

Happy Fall!

It has been wonderful watching our K-2 students settle into their routines and enjoy their classrooms. Our students are working hard each day to grow their academic and social skills. Our teachers are also working to create lessons that meet each child's needs and strengths.

As we get closer to the end of the first quarter, thank you for supporting your child at home. Daily reading and math practice are especially helpful. Please watch for more information about our upcoming **Fall Parent-Teacher Conferences**.

Safety & Seasonal Reminders

*Gate Safety: Please continue to practice safe drop-off and pick-up, especially near the east 1st and 2nd grade gates.

*Crosswalks: Please use the designated crosswalks when crossing the street with your child.

*Label Clothing: As the weather gets cooler, please label jackets, sweaters, and sweatshirts with your child's first and last name. This helps us return lost items quickly.

Support JDPS Through Tax Credits

Did you know you can support our school through tax credit donations?

These donations help provide special experiences and activities for our students, including:

*Field Trips

*Red Ribbon Week activities

*SOAR Award book vending machine rewards

How to Give: Donations can be given to Mary Lane at the TUSD District Office. Please be sure to list JDPS as the school you would like to support.

Thank you all do for the support our students and JDPS a wonderful place to learn and grow!

Mr. Lin Gifford, Jack Daley Primary Principal

We are Eagles. Watch us Soar!

First Grade..... We cannot believe how fast this school year is going! We have already learned so many new things and have truly enjoyed watching our students grow. In math, we have been working on addition and subtraction strategies. In language arts, we are continuing to learn new phonics concepts each week as well as red words while also discussing different genres and texts. We also are just wrapping up our first writing assignment where we wrote about different helpers in our community. We are looking forward to this upcoming month's activities such as Red Ribbon week, our field trip to the pumpkin patch and Halloween festivities. Please continue to check Class Dojo as well as your child's folder to stay up to date on all events taking place and to see what we are learning in our classrooms. Parent teacher conferences will be held this month, please look out for that information from your child's teacher. Thank you for all your hard work, support and willingness to work with us to help your students grow and thrive in first grade!

Mrs. Angle, Ms. Claridge, Ms. Lawson, Mrs. Stevens, Ms. Sherwood, and Mrs. Palmer
