Mission:

Together: We Teach, We Learn, We Love

On behalf of the staff of Whitwell Elementary School, we are happy to welcome you to the 2023-2024 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities.

DAILY OPERATIONS

School Hours: Our school day runs from 7:30 am - 2:45 pm, with student drop off beginning at 6:50 am. All students should be dropped off at the car rider door at the front of the building. We are not responsible for any student left at school before 6:50 a.m. Students arriving between 6:50 and 7:15 a.m. should go to the cafeteria for breakfast or to the gym. *If your child arrives after 7:20 he/she will be given a "to go" breakfast for them to take to their classroom.* Students arriving after the 7:30 a.m. bell will be counted tardy and must be checked-in at the office by an adult before reporting to the classroom; if you drop your child off after 7:30 a.m. **you will need to walk your child to the door.** The front door will no longer be unlocked for access to the lobby, there is a security camera and bell that will need to be pressed for access to the office.

Early Checkout: If a student must leave school early, an authorized adult must come into the office to sign out the student. The student information form will be checked to ensure the responsible party is allowed to pick-up. If the party is not named, a written note or email from parent/guardian must be presented. No one will be allowed to go to the student's room. Students will be considered an early check out if someone comes inside to get them before 2:15.

Dismissal: Due to the large number of students that are afternoon car riders, the following procedures will be strictly enforced:

- The school will furnish only two official car rider tags.
- Students will ONLY be released to a car displaying his or her tag. Others will be asked to pull forward while we check for clearance.
- Please clearly display the car rider tag on your rearview mirror when you come through the car rider lane. If you arrive before your scheduled time you may be asked to come back through the line at the correct time.
- All students who are checked out before 2:15 are considered an early dismissal.
- From 2:15 on, all students who are car riders should be picked up through the pickup line, not in the office.

- **If you are parked in the parking lot instead of the car rider line, you will be blocked until the car rider lines leave. Students should be picked up in the car rider lines.**

Car Rider Procedure

Student safety is the top priority at Whitwell Elementary School. In order to ensure every student is dismissed safely and in a timely manner, the following procedures will be used:

Identification of Students

- When picking up your child(ren), please place the car rider tag on your rearview mirror. Make sure the name is visible for the staff member on duty to see the assigned number.
- Students will **ONLY BE RELEASED TO CARS DISPLAYING A WES ISSUED CAR RIDER TAG.**
- You may not create your own tag.

Drop-off/Arrival 6:50am-7:30am

- One lane drop off
- Parent/guardian pulls up into the right side car lane, pulling forward to the cone, alongside the curb.
- Students should be ready to get out when the car stops.
- When the Parent/Guardian reaches the designated drop-off area, students can exit the vehicle.
- **Parents should stay in the vehicle in the drop-off circle**, if you need to get out please park in the parking lot.
- Child(ren) should be accessible from the curb side of the car. For safety reasons, we encourage that your child(ren) do(es) not exit from the flagpole side. If a child must exit from the flagpole side, they should walk around the front of the vehicle.
- Once the child(ren) has/have exited, the vehicle should safely pull forward and exit the carpool lane.

Pick-Up/Dismissal

- At the designated time, parent/guardian will pull up into the designated areas, **two lines**, pulling forward as much as possible alongside the curb.
- Before entering the carpool lane, Parent/Guardian is asked to please place the car rider tag (issued by WES; cannot create your own) on your rearview window. Make sure the name is visible for the teacher staff member on duty to see.
- Please remain in the car or stand beside your car. For safety reasons, please do not attempt to walk up to pick up your child(ren).
- If you send someone to pick up your child who is missing/forgot the tag but is authorized to pick-up your child(ren), that person will need to show ID to pick up. They may be asked to go to the office.
- If you send someone who does not have the tag AND is not on the list, they will have to go to the office and the school will call you to verify the identity of the person. The call can be avoided by sending a note to the school or emailing the wesoffice@mctns.net before 1:30 pm.

Each student will have a short day section on the registration form out at the beginning of each school year. This form is very important. If anything changes, please make sure the office and classroom teacher are notified. We must have confirmation from an adult before we allow students to leave the building. For everyone's safety, if we do not have confirmation, the student will remain in the building with us.

Emails: Please make sure you neatly write your email address on the Registration Form.

Telephone: There is only one line available for student use at school. This telephone line is a business phone and will not be used to make arrangements to go home with friends. These plans should be made at home. We also do not interrupt the learning environment for parent/teacher phone calls. We are more than happy to take a message and ask the teacher to contact you on his/her planning time. Contacting the teacher by email is a preferred form of contact. All email addresses can be found at www.westigers.com under the STAFF section.

Change of Address, Phone, etc.: The school must have current addresses, phone numbers, and emergency information. Please notify the office if there are changes in your physical OR mailing address, phone numbers, and place of employment, babysitter, guardian, or emergency numbers. Make sure your child's short day form is up-to-date. You **MUST** come into the office or send a handwritten note to make changes on the registration form.

First Aid Emergencies: First aid for minor injuries will be given at school (minor cuts and scrapes will be washed off and a Band-Aid applied, if necessary). In case of serious accidents or sudden illnesses, the parent will be notified. **IT IS ESSENTIAL THAT THE EMERGENCY NUMBER ON THE STUDENT'S FORM BE UP-TO-DATE.** WE ENCOURAGE PARENTS TO HAVE AT LEAST 5 EMERGENCY NUMBERS LISTED ON THE EMERGENCY FORM.

Illness: Children who run a fever, vomit, experience diarrhea, or have a cold/flu are not ready for a rigorous day of school. They need at least 24 hours rest before returning to school.

Fever Policy: Your child should be kept home from school any time he/she has a fever and should not be sent back to school until he/she has been fever-free for 24 hours without medicine. A fever is considered any temperature over 100.1.

Recess: Kindergarten - 4th grade students are required to receive 130 minutes of physical activity per school week, including a 20 minute per day recess break. Most recess will be outdoor but during inclement weather (rain, extreme heat or cold) students may use GoNoodle or other indoor recess. Students will not be expected to go outside if the heat index is above 100°F or if the wind chill is below 35°F.

Registration Form Information: For safety reasons, students will not be allowed to leave the care of WES with anyone who isn't a custodial or legal guardian unless this person is listed as an emergency contact. This is for the safety of your child.

Custody: Updated and current custody information must be on file in the office. We are not responsible for any custody situations that have not been filed properly. This includes, but is not limited to, divorce decrees with parenting plans, power of attorney, order of protection, etc.

Room Donations and Books: Room donation for each homeroom is \$20. Homeroom donations may be made in \$5 payments or financial arrangements can be made with the bookkeeper. This money is necessary for the payment of instructional materials, copy paper, etc. Donations may be paid by cash or check. Marion County furnishes school textbooks. A student is responsible for any books lost or damaged. These textbooks are expensive, so please take care of them.

Holiday Celebrations: As a safety and security precaution all Marion County schools will not be inviting guests to any schoolwide holiday celebrations during school hours; Halloween, Christmas and Valentine's Day will be the three main celebrations. There will be a special snack to celebrate at this time. For the safety of all students, snacks must be store bought, not homemade. Snacks will be eaten during your child's intervention time or during recess in order to protect instructional time. A small snack can be sent to celebrate your child's birthday.

PARENTS AS PARTNERS

Every child needs to see the parent and teacher working together as a team. Please make a special effort to meet your child's teacher and help build a positive working relationship for your child's total education. We need each other's support to ensure your child succeeds in school. At WES, our door is always open. **If you have any questions, concerns, praises or comments please reach out to our teachers and/or administration. If the person you need to speak to is not immediately available, he or she will make every effort to get back to you within 24 hours.**

Each teacher has an email address that he or she should provide, which can also be found on the school staff section of our website at www.westigers.com

Parent-Teacher Communication: If you need to talk with your child's teacher, make an appointment at a time convenient for both of you so instruction time is not lost. Teachers are not available to conferences anytime they are supervising students. We encourage notes from home or emails to inform the teacher of any immediate concerns or problems, such as sickness, death in the family, problems with schoolwork, changes in a child's normal routine, etc. When needed, your child's teacher will contact you as soon as possible.

Marion County Board of Education Promotion and Retention Policy

4.603

All students (including those enrolled in dual enrollment classes) will normally progress annually in sequential order from grade to grade with promotion being recorded at the end of each school year with the presentation of final report cards. The professional staff will place students at the grade level best suited to them academically, socially and emotionally. Retention may be made when, in the judgment of the teacher, such retention is in the best interest of the students. Decisions to retain are subject to review and approval of the principal after consultation with the teacher.

In order to prevent a student from being retained, students with problems shall be identified as early as possible in the school year and a retention identifier checklist completed. Parents/Guardians shall be notified when problems are identified and shall be informed within fifteen (15) days of said checklist being completed.

An Individualized Promotion Plan (IPP) shall be created for each student when retention is being considered. A copy of this document shall be included in the student's permanent record file, along with any additional documentation deemed necessary by **February 1st**.

The following factors shall be considered in making a decision on promotion and retention:

1. Mastery of essential competencies. Students shall have mastered essential skills sufficiently to ensure a likelihood of success at the next grade level.
2. Special procedures for special students. Students who have been identified as having special problems, including high risk students and others with special needs, shall be given special consideration. Placement of students with IEPs shall be determined by the IEP-Team. Retention of English learner (EL) students shall not be based solely upon level of English language proficiency (Section I, Part G, Guidelines to Satisfy Legal Requirements of Lau v. Nichols). Retention policies for EL students should not be based on one specific piece of data alone or any sole criterion.
3. Flexible placement. Use of conditional promotion, remedial summer programs, assignment to transitional classes, and other approaches to meeting the needs of students shall be given consideration.
4. Attendance. Attendance shall become a relevant factor only when excessive absenteeism becomes an educational problem.
5. Conduct. Retention shall not be used as a disciplinary measure.
6. Previous retention. Except under unusual circumstances, students shall not be retained more than once in the same grade.
7. Grade level. Retention shall be considered more appropriate in grades K-3.
8. Remediation/Intervention. Opportunities that were offered did not demonstrate sufficient gains to be successful

to the next grade level.

9. Students do not demonstrate social or emotional maturity to be successful at the next grade level.

Once the decision to retain has been made, no later than February 1st an Individualized Promotional Plan (IPP) will be established, and a final Academic Retention Plan (ARP) will be completed prior to the end of the current school year where a retention board will make a final decision:

1. A report of each student retained shall be made to the director of schools.
2. A copy of the IPP should be provided to the parents/guardians within ten (10) days of creation.
3. Documentation verifying student deficiencies shall be placed in the student's record;
4. If an ARP provides for summer remediation, the retention team will meet on or by July 1, to determine if retention, a placement or promotion will occur, and parents will be informed. If the ARP does not provide for summer remediation, the retention team will notify the parent of their decision by the end of the current school year.
5. The progress of a retained student shall be closely monitored during the school year of retention.
6. The Director of Schools shall receive from each school and keep an annual record of each student who is retained. Any student may repeat any course as long as space is available. The first grade earned in the course shall be the grade of record unless the student is repeating the course has been retained. (This does not supersede the curriculum requirements for math.)

CUSTODY/PARENTAL ACCESS

6.209

The Board presumes that the person who enrolls a student in school is the student's custodial parent. Unless a Tennessee court specifies otherwise, the custodial parent shall be the one whom the school district holds

responsible for the education and welfare of that child.

Parents or guardians shall have the right to receive information contained in school records concerning their minor child. The Board, unless informed otherwise, assumes there are no restrictions regarding the non-custodial parent's right; the custodial parent shall be requested to submit a certified copy of the court order, which curtails these specific rights.

Unless there are specific court-imposed restrictions, the non-custodial parent, upon request, shall be given access to all of the student's educational records including but not limited to the student's cumulative file and the student's education file, if applicable.

No principal or teacher shall permit a change in the physical custody of a child at school unless:

1. The person seeking custody of the child presents the school official with a certified copy of a valid court order from a Tennessee court designating the person who has custody of the child.
2. The person seeking custody gives the school reasonable advance notice of his/her intent to take custody of the student at school.

The following procedures have been developed for situations involving child custody, visitation, and release of records.

1. Upon request, non-custodial parents shall be entitled to experience all parental rights to the extent that a legally binding instrument or court order does not restrict such rights.
2. A reasonable attempt will be made to publicize this policy so those affected parents will be informed of their option.
3. The requesting parent will initiate the written request which must include the full legal name and address of the student, the full name and addresses of both parents, and the requesting parent must sign it. The request must be renewed annually or whenever the student changes school, whichever occurs first.
4. Once the request has been made, the Principal will have cause to duplicate and mail/deliver to the requesting parent of record, timely copies of any official information (not to exceed two (2) weeks).
5. Official information for the purpose of this requirement is limited to annual parent and student calendars, report cards issued to alert parents to unsatisfactory midterm progress, notices issued to alert parents to unsatisfactory midterm progress, notice of suspension and/or expulsion, and standardized test score reports routinely distributed to parents.
6. When information is to be provided through a teacher-and/or Principal-teacher conference, the requesting parent, upon his/her request, will be invited to attend the conference provided there is no legal document to forbid it, and the presence of both parents does not compromise the integrity or quality of the conference.
7. Duplicate reports may be photocopies and do not need to be duplicate originals.
8. The requesting parent may also ask that all other materials distributed by the school (newsletters, notices of special functions, disciplinary notices, etc.) be provided as well. To activate this request, the requesting parent may be required to provide a supply of self-addressed stamped envelopes to the school. Such arrangements are to be worked out by the parent and the building Principal.
9. The staff will be oriented as to the rights of the non-custodial parents.

INTERNET USE POLICY

The network is provided for students and teachers to conduct research and communicate with others. Independent access to network services is provided to students and teachers who act in a considerate and responsible manner. Access is a privilege, not a right. Access entails responsibility. Violations may result in a loss of access, as well as other disciplinary or legal action. Parent consent forms will be sent home annually.

VIOLENT CRIME POLICY

Under the Tennessee State Board of Education's Unsafe School Choice Policy, any public school student who is the victim of a violent crime as defined under Tennessee Code Annotated 40-38-111, or the attempt to commit one of these offenses as defined under TCA 39-12-101, shall be provided an opportunity to transfer to another grade-level appropriate school within the district. Additional information regarding this option may be obtained by contacting the Marion County Board of Education at 942-3434 (or use your school's name and number).

TRANSFER OPTION FOR STUDENTS VICTIMIZED BY VIOLENT CRIME AT SCHOOL

There are no Unsafe schools in Marion County, but, if a school is considered unsafe, parents or guardians of all students attending the school must be notified that the school has been designated by the Tennessee Department of Education as a persistently dangerous school and provide for all students to be given safe school choice as provided for under the No Child Left Behind Act of 2001.

Under the Tennessee State Board of Education's Unsafe School Choice Policy, any public school student who is the victim of a violent crime as defined under Tennessee Code Annotated 40-38-111(g), or the attempt to commit one of these offenses as defined under Tennessee Code Annotated 39-12-101, shall be provided an opportunity to transfer to another grade-level appropriate school within the district.

Parents have the right to request (in writing) their child's name, address, and telephone number not be released to a military recruiter without the parent's prior written permission. (Usually, this information is not requested by the military recruiter until high school.)
