Subject: JCI Foundation Scholarship Submissions

It's that time of the year again for High School Seniors to start applying for college/technical school scholarships. We have enclosed information on applying for the SD /US JCI Senate scholarship.

Applicants will compete for three (3) state scholarships...2 college and 1 technical school. By scanning the QR codes listed below, both applications are available. The winners will be forwarded onto National to compete for the National scholarships.

The SD JCI scholarships are 1st place \$500, 2nd place is \$300 and the technical/vo-tech scholarship is \$200. The winning applications are then forwarded onto National judging where they compete for 3 of the 50 scholarships for \$2000 each and 1 named scholarship. The Vo Tech/Trade School scholarships are 1 for \$1000 and 1 named scholarship for \$1500. (The named scholarships are for USJCI Senators who have given over the years.) Applications must be postmarked by February 17, 2027 for competition.

Completed scholarship applications for High School Seniors must be mailed and postmarked by January 10, 2027 to the following address:
