

Tanque Verde Unified School District

District Goals 2012 - 2013

I. Ensure the fiscal sustainability of the District

- a. Keep classroom funding constant while working to correct salary equalization issues for all district employees.
- b. Renew override funding.
- c. Pursue new significant revenue sources, including grants and gifts.

II. Continue to maintain and enhance a rigorous curriculum

- a. Support the transition to meet and exceed the Common Core Standards.
- b. Continually survey and report assessment data to ensure and support student academic achievement.
- c. Continue to support professional development and instructional improvement, with emphasis on writing skills curriculum.
- d. Implement and assess district technology pilot programs.

III. Involve and engage community in District pursuits

- a. Offer programs and facilities which invite active and ongoing participation of all community residents.
- b. Recognize contributions and achievements of community members, students, teachers and staff.
- c. Engage community to support District endeavors.
- d. Identify and promote strengths of District schools, staff, and programs.

IV. Sustain modern, safe and efficient facilities for students, staff and community

- a. Complete solar power project construction and related facility enhancements.
- b. Complete the correction of deficiencies and safety improvements to all campuses.
- c. Enhance transportation efficiency.
