Title: **Gifted and Talented Teacher**

Work Site: **Na' Neelzhiin Ji Olta' Inc., HCR 79 Box 9, Cuba, New Mexico 87013**

Duties:

- Teach K-8 gifted and talented students.
- Utilize educational technology to interact with students.
- Maintain a positive, cooperative, and calm attitude in working together with colleges, students, and parents to plan and implement academic learning plans and to plan to provide additional learning support to students where identified.
- Develop learning programs for individual needs and adapt appropriate materials accordingly.
- Deliver customized learning activities to students either individually or in groups.
- Monitor and support the social and emotional needs of students.
- Develop weekly lesson plans and learning materials to meet curriculum requirements and individual student needs.
- Maintain the classroom environment in an organized and orderly manner.
- Maintain student records including attendance and grades.
- Grade tests, correct work, and check homework.
- Collaborate regularly with staff members to chart the progress of each student.
- Keep parents informed about their child's development, progress, and schedules.
- Participate in extracurricular activities, school events and field trips.

Requirements: Bachelor's degree in Elementary Education or Special Education, 2 years of experience teaching elementary education, special education, or gifted education, New Mexico K-8 Elementary Teaching License and New Mexico K-12 Special Education Teaching License. Full time.
