We have confirmed that the benefits payable to the school system by Medicaid are separate from any personal entitlements for which a student's family is eligible. Authorizing the school system to seek reimbursement for services covered by Medicaid will assist the special education department in providing improved services to our student population.

If you will allow the school district to bill Medicaid for the IEP health evaluations and related services that your child is receiving in accordance with his/her IEP, check 'YES' in the following box and sign below. If you do not check 'YES', the school system will continue to provide IEP health evaluations and related services to your child at no cost to you, the parent/guardian.
