CHARACTER TRAIT HIGHLIGHT

Responsibility

Meet Mrs. Walker

My name is Mi Chong Walker and I am the new Tier 3 teacher. I am originally from South Korea and immigrated to the states when I was 23 years old. I received my bachelor's degree from Korea in Early Childhood Education and completed a master's program in the U.S for my Special Education degree. I am married with two children and a dog named "Duke" who is my youngest child. I am so happy to be here! In all of my experience, I have found Colony Oak Elementary to be the most welcoming and supportive. I am proud to be a part of the Cougar Family!
