TWELFTH MISTER SC STATE UNIVERSITY-ELECT HAS STRONG WCS D TIES

Bryce McIntosh has been named the 12th Mister SC State-Elect, marking a significant achievement in his journey as a student leader and representative of South Carolina State University (SCSU). Bryce, a junior studying Speech Pathology and Audiology, will be officially crowned during the Annual Coronation Ceremony in the fall of 2025 on the SCSU campus.

He is the son of Mr. Bernard and Mrs. Celestine McIntosh. Bryce attended W.M. Anderson Primary School, Kenneth Gardner Elementary School, and Kingstree Junior High School, where he was an honor student in the Williamsburg County Schools. He participated in oratorical contests, spelling bees, and pageants throughout the Williamsburg County School District. Bryce is a proud honor graduate of Lake City High School for the 2020-2021 academic year. Additionally, he was a former member of the SCSU Bulldog Football team, which won the 2024 MEAC Championship.

As Mister SC State-Elect, Bryce will serve as a prominent ambassador for SC State University, representing the values of leadership, service, and academic excellence. His responsibilities will include engaging with various community outreach programs, advocating for student initiatives, and acting as a role model for his peers.

"I am incredibly honored and humbled to serve as the 12th Mister SC State Elect," said Bryce McIntosh. "I look forward to using this platform to inspire others, promote education, and engage with communities across the state."

Bryce's selection as Mister SC State-Elect is the result of a competitive process that involved interviews, community involvement, leadership assessments, and a commitment to fostering positive change. The title is awarded to an outstanding student leader who exemplifies the values of integrity, community service, and academic dedication.

Bryce's journey is a testament to the power of young people determined to make a difference. Bryce's mother, Mrs. Celestine McIntosh, is the school counselor at Hemingway M.B. Lee Middle School. She has been recognized as the 2025-2026 Teacher of the Year at her school and is a graduate of C.E. Murray High School.
