

CES Student Spotlight #1  
November, 2025

Peter Lorenz-Todd

Peter is a delight to have in class! He always comes to class in good spirits and approaches each task with an optimistic attitude. When he feels that he does not think he can do something or isn't very good at it, he shrugs off the doubt and remains determined to try his best anyway. He likes to help his classmates solve problems or show empathy if a classmate is upset. If there were a class "greeter" role, I would choose Peter for his very warm, welcoming, and encouraging attitude that instantly puts others at ease. He is always there to make his teacher laugh when she is having a bad day. Peter has a heart full of gratitude! He approaches each class with a positive attitude, kindness, and genuine appreciation for the people around him. His upbeat spirit and thankful heart make our school community brighter. He is truly a joy to teach!
