II. Pledge of Allegiance

III. Report of Principal

- Teacher Recruitment – We have hired 7 new teachers (2nd Grade, 1st Grade, Kindergarten, EIP, ESOL, and Music). Our growing population has earned us a new slot in both ESOL, EIP, and 2nd Grade.
- Discipline Data – Our data shows that we may earn PBIS Distinguished School next year. Our ISS and OSS days have decreased.
- GA School Climate Survey – Our teacher and staff participation rates were high. Our parent participation rate was medium. We met our goals for all 3 surveys. Next year we plan to increase our parent participation with this survey.
- School Clubs – Jr. Master Gardeners, Chess Club, Music Club, Newscast Club, and Anchored For Life were a huge success this year. Next year we plan to implement a Military Club, STEM Club and Dance Team along with a PTO.

IV. New Business
