Students OF THE MONTH

Evaline School Students Of The Month for SEPTEMBER are:

Kylie Stromer
Brooklyn Moran

CONGRATULATIONS

BUS RIDER OF THE MONTH:

BRENDAN O.

**G R E A T
J O B**

Student of Character Award

Each month one student from each classroom is recognized for their participation and application throughout the school day, particularly in their Social Emotional Learning Class. This weekly class focuses on one character trait during that entire month. In September the character trait was **"RESPECT"**.

Congratulations to the following recipients for the month of SEPTEMBER:

Kindergarten - 2nd: **Clover D.**
3rd - 6th: **Maddison J.**

Important Dates!!

OCT.

Mon. 16th: Booster Club fundraiser due date

Wreath Orders ASB Wreath Fundraiser

Evaline Associated Student Body is selling Holiday wreaths and centerpieces crafted by Country Garland. All earnings are used for a variety of student activities. Each family's fundraiser packet is in today's newsletter envelope. Please read the letter in the fundraiser packet for full details. *** All orders MUST be turned in with money by November 9th.**

Good News Club Will Begin

Tuesday, October 17, 2023

The Good News Club is an after school program sponsored by Child Evangelism Fellowship of Washington, Inc. The GNC will be held every Tuesday after school from 3:00pm - 4:00pm. All students who attend must be picked up by 4:00pm. **Students will be dismissed in the same fashion as our PM dismissal.** Good News Club permission slips were sent out in last week's newsletter envelope. **Permission slips must be filled out and returned if you want your student to attend the after school program. Once we have a permission form on file we will assume students will attend the club each week and won't be put on the bus or in the pick up line. Please call the office if your student will not be attending on a certain day.**

Kindergarten - 2nd Grade September Student of the Month: Kylie Stromer

It is with great pleasure that I have the opportunity to talk about September's Student of the Month. In first and second grade learners focus on "Explorer Expectations." These expectations relate to professionalism as the act of using respect and responsibility for success.

September's Student of the Month consistently makes smart choices, uses kind and productive words, follows directions quickly and silently, and raises her hand to speak or leave her seat. Not only is she a fabulous example to other students she is also super fun and amazingly talented.

I am pleased to name September's Student of the Month as **Kylie Stromer**.

3rd - 6th Grade September Student of the Month: Brooklyn Moran

For the first student of the month award of the school year I was looking for a student who came in ready to work hard and learn from the first day. The student who I picked is new to my classroom this year. They paid careful attention to instructions and quickly learned exactly what I expected in my classroom. I never have to remind her to be on task or do her very best. She comes in each day ready to work hard and help those around her. September's Student of the Month award goes to **Brooklyn**!

Kindergarten

Mrs. Tinnin

We started to learn our letter sounds! For each letter students will learn how to write the letter, the ASL hand gesture for each letter, and letter chant to help us remember the sound. This week students are learning about the letters 'm', 'a', 'd', and 't'. TK is also learning their letters, but at a slower pace. They learned about the letter 'Mm'.

This week kindergarten finished comparing numbers 1-5. They learned how to compare numbers to discover if they are the same, greater than, or less than.

Kindergarten also started learning about numbers 6-10.

TK is working on finding objects that go together.

Their lessons have gradually increased in criteria. First

they started out with finding things exactly alike, then similar, and now they are working on finding pairs that go together- like a crayon and paper. TK is also learning about numbers 1-5.

During circle time all students are learning about the months of the year, the days of the week, counting the days on the calendar, and patterns.

First and Second Grade Explorers

Mrs. Mittge

Thank you Booster Club for a fantastic week of swimming! Students learned so many skills and had a great time!

This week first grade students finished their chapter on subtraction. They will be looking at addition strategies next. Second graders will be completing their unit on numbers to 1,000. We are working hard to think like mathematicians who tackle problems using problem solving strategies.

Students completed their first spelling test last Friday and did a fabulous job! Please look for new words every Monday in Boomerang Folders. Tests are on Friday. Also in Boomerang Folders on Mondays are weekly reading fluencies. Please read these aloud to students on Mondays. Then have your child read them to you the rest of the week.

Please keep reading aloud for 20 minutes every night with your children!

Third and Fourth Grade Classroom

Mrs. Mars

This week 3rd graders finished their math unit on graphing by creating a survey, polling their classmates and recording the data into five different types of graphs! Next week they will start their introduction into multiplication. Fourth graders have continued to work on their chapter about multiplying larger numbers. All fourth graders have now learned how to multiply using regrouping, the strategy that their parents were taught and know! In addition to this they have learned a few other strategies that they can choose between.

This week our class had the chance to visit the Thorbecks pool each day for swimming lessons. Thank you Evaline Boosters for sponsoring this important learning activity!

Fifth and Sixth Grade Classroom

Mr. Burlingame

Swim Week has been upon us and students have had a great time learning and refining their skills in the water.

In the morning, we have been still working hard with math with the 5th graders learning multi-digit division and 6th graders working on multiplying and dividing fractions. They've done a great job this week staying focused while still being excited about swimming.

Please don't forget that due on Monday is the order forms for the Booster Club Country Meats Fall Fundraiser. The funds raised go towards all the great opportunities the booster club does for our students.

AR reading is going well. Our current leaders are: Lillian with 31.1, Sam with 29.8 and Bradon with 13 points. Please keep encouraging your students to read- 20 points are due at the end of October!

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

CANDY FOR THE FALL FESTIVAL PARTY

The Booster Club is asking each family to donate one bag of individually wrapped candies or a bag of small prizes for the party on October 31st. **It can be dropped off in the office.** Please have the candy at the school no later than **Thursday, October 26th.**

For questions please contact: evalineboosterclub@gmail.com

FALL FESTIVAL PARTY

The Booster Club will put on a Fall Festival party on Tuesday, October 31st during school hours. Students are encouraged to dress up. All students will have an opportunity to play carnival games and do a craft. There will also be a costume contest and a pumpkin carving/decorating contest. The party will begin shortly after 8:30. Pre-school students and parents are encouraged to dress up and join us. School will dismiss at 11:30.

Costumes

Please make sure costumes are in good taste: **No blood, knives/weapons, or scary masks.. etc.** Prizes will be awarded to preschoolers and students in each grade for the best costume.

Pumpkin Carving Contest

All students can work with or without a parent/guardian's help to create a masterpiece. Due to limited space and number of pumpkins, we will be doing the pumpkin judging in the bus garage. **You can take your pumpkin(s) directly to the bus garage before school on Monday Oct. 31st.**

Prizes will be awarded in the following pumpkin categories:

1. Funniest
2. Scariest
3. Cutest
4. Best Non-Carved
5. Open Class - Dream up one you think would be a prize winner.
6. Best Student Solo (no parent help)
7. Sweetest
8. Most Clever

Please don't carve or decorate pumpkins in poor taste: Blood, knives, etc will be disqualified. The judges will decide the category in which each pumpkin will be judged. This can be a family project. Students can have mom, dad, sister, brother, etc. help carve and decorate your pumpkin. (Except for the Best Student Solo Pumpkin) If your beautiful pumpkin needs a candle to show the full effect, put the candle inside the pumpkin and the judges will light it. Please take pumpkins home at the end of the party. Any pumpkins left after the party will be thrown out.

The Booster Club needs volunteers for this fun event to take place. Please see the attached form and fill it out if you are able to help out, we really appreciate it! Thank you!!
