The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

HAPPY FALL!

New Staff Member

Please welcome our newest staff member, Annie Gehrman! Ms Annie is preparing the lunches, recess, PE and doing the custodial work here at Evaline. She has been such a pleasure to work with and we are so happy to have her as part of our Evaline team!

School Board Vacancy

Send a letter of interest to Mrs. Bradshaw; via email, via our dropbox in the circle drive or mail it to Evaline School, 111 Schoolhouse Rd., Winlock, WA 98596

CANDY FOR THE HALLOWEEN PARTY

The Booster Club is asking each family to donate a bag of individually wrapped candy for our Halloween party on October 29th. They ask for one bag of candy per student in the household.

There will be a drop box in the office. Please have the candy at the school no later than **Wednesday, October 20th**. For questions please

contact: evalineboosterclub@gmail.com

BOX TOPS FOR EDUCATION. THE NEXT GENERATION OF BOX TOPS IS HERE.

The Box Tops program has become digital-only. Participating brands have changed their packaging from a traditional Box Tops clip to a new Box Top label. If you see this label, use the new Box Tops app on your mobile phone to scan your receipt. Box Tops are still worth 10¢ each for your school. The app will find participating products purchased at any store and instantly add cash to your school's earnings online. For more information go to: www.boxtops4education.com

Kindergarten

Mrs. Tinnin

This week in kindergarten we worked on recognizing similarities and differences in groups of random toys from our free choice time area. Students put the items into pairs and discussed why they decided to put pairs together. It was fun listening to the different reasoning each of our friends discussed as they made their pairs.

In Science, we learned how people cleaned their teeth before toothbrushes and toothpaste were invented.

Students were excited with the introduction of center time. We use center time to work on hands-on activities practicing skills we are learning in ELA and math.

First and Second Grade Explorers

Mrs. Mittge

Explorers had a great time celebrating the first day of fall by harvesting fruits and veggies from our school garden! Next steps will include preparing our beds for the winter.

After mastering our months of the year song, we learned a new song about the days of the week. If you have time each night please review the 12 months and 7 days of the week.

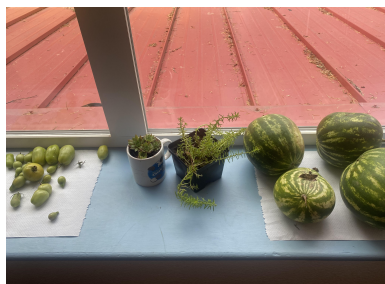

Students are becoming so responsible about returning their Boomerang Folders and Book Baggies. Thank you for initialing the reading logs after your child has read. Please continue to have your child read aloud for 10 minutes every night and interact with a book for 20 minutes total. Happy fall! I can't wait to see everyone next week!

Third and Fourth Grade Classroom

Ms. Turnquist

This week students welcomed the first day of fall by doing a fall harvest of our garden! We harvested many things including potatoes, carrots, and onions. These things were then washed, cut and made into a soup that we shared as a class on Thursday.

Fifth and Sixth Grade Classroom

Mr. Burlingame

Evaline's music department is expanding! We received a shipment of 11 guitars this week for students to learn in the classroom. These guitars are $\frac{3}{4}$ size and so they are the perfect size for students to learn on.

We will continue our work on the xylophones and ukuleles in my class for the time being but soon will add the guitars into the mix.

3rd and 4th graders are learning recorders and how to read rhythms. Kindergarten, 1st and 2nd grade are learning songs and will be doing boomwhackers very soon!
