

Student safety is one of Mountainside's highest priorities. When driving to school, please practice safe driving and be aware of all speed limits and all pedestrians. Please be courteous to the surrounding community when driving to and from school. Please **use the E. Hovey Ave. entrance** to enter the student parking lot. Students are not to enter the student parking lot via the bus lane, as this will interfere with bus transportation and the pedestrian crosswalk.

Always lock your car doors when leaving your vehicle and make sure you take all items needed to be successful during the school day. Students are not permitted to return to their vehicles until school is dismissed for the day. Please do not loiter in your vehicle before and/or after school.

Always use the designated crosswalk when traveling to and from the student parking lot to classes. Be sure to look both ways before crossing.
