

Dear 6th Grade Families,

Welcome to Middle School!

On behalf of the middle school teachers, I want to convey that we are all looking forward to getting to know each of you and teaching your children.

For the summer reading assignment this year, I am asking the incoming 6th graders to read ***Holes*** by Louis Sachar.

Holes is a story of adventure and self-discovery. The book is a classic that never goes out of style! I love it! I hope your student enjoys it as much as I do.

In addition to reading the book, I am also asking that the attached assignments be completed and turned in by the first Monday (Aug 12) back to school.

Have a wonderful summer break. Stay safe and healthy.

I look forward to seeing you in August.

Many blessings to you and your family,

Mrs. Melian
