**MRS.
FRITZ**

As we continue through the school year, I want to take a moment to thank our students, staff, families, and community members for your ongoing support of our high school. Every day, I am proud of the hard work, dedication, and resilience I see in our students—both in the classroom and beyond it.

Our school remains committed to providing meaningful learning experiences that prepare students for college, careers, and life. From academics and the arts to athletics, service, and leadership opportunities, our students continue to rise to the occasion and represent our community with pride.

Thank you for partnering with us, celebrating our successes, and supporting our growth. Together, we are creating a strong, supportive environment where all students can thrive.

HIGHLIGHT - REALITY CHECK EXPERIENCE

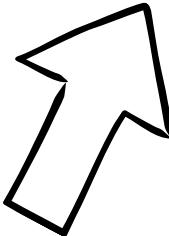

Mr. Burkholder's Personal Finance classes participated in 1st Ed Credit Union's "Reality Check" on January 22nd.

Each student was provided with a budget based on their future career choice and then made purchases for housing, transportation, food, clothing, etc. Sometimes life happens, so each student also spun the "Wheel of Reality.". Once students purchases were complete, they met with a financial counselor to discuss their choices.

FCCTC (Vo-Tech) interviews will occur during the second week of February. Students eligible to be interviewed will be notified of their interview date and time by an email to their SASHS email address. For interview tips and possible interview questions, see the FCCTC website at www.franklinctc.com and look at the FAQs in the "Programs of High School Students" section.
