33 **11. NEW BUSINESS**

- 34
- 35 A. Committee Reports - No Committee reports.
- 36
- 37 B. ***Dr. Jennifer Foley said as we all know there is a teacher shortage. She***
- 38 ***spoke with the Superintendent at Logan Township Schools, who we've***
- 39 ***been doing shared services agreement with for Spanish instruction, and***
- 40 ***they have not been able to locate a Spanish teacher so they will not be***
- 41 ***offering Spanish to their students this year; only Italian. Dr. Foley said***
- 42 ***she reached out to all the county Superintendents asking for shared***

- 44 ***best to locate and secure a replacement for that. Roseanne Lombardo***
- 45 ***said Paulsboro does offer Spanish but the teacher is overwhelmed and in***

1 the younger grades, they have been going through an online program.
2 **John Goetaski** asked if it would be acceptable if we moved to on-line
3 learning for Spanish? **Dr. Foley** spoke with Pat Haney about it because
4 they are investigating it. She did not feel comfortable with the program for
5 her district. **Mr. Goetaski** feels that in the younger grades it may be ok
6 but not for the 8th graders. **Dr. Foley** said the students here are learning
7 high school Spanish and if they went to on-line, she feels it will put them at
8 a disadvantage. **Susan Vernacchio** asked if maybe there was a retired
9 teacher in the community who would want to teach one hour a day. We
10 can put it out on our website and they must be K-12 certified.

11
12 C. **Scott Campbell** said the district will be installing new cameras at both
13 schools. A security camera outside the main entrance here at Nehaunsey
14 and installation of new door phone cameras at the main entrances at
15 Broad Street and Nehaunsey. These should be done before school starts.

16
17 D. **Mr. Campbell** then said he received the contract from the NJ School
18 Boards Association for the Strategic Planning Meetings. He is not asking
19 for approval tonight; he is just sending it home with the Board members. It
20 will be on the agenda for the September meeting. The cost for this will be
21 \$4,000.00.

22
23 E. **Mr. Campbell** said the work on the track will begin tomorrow and in
24 Executive Session we will discuss a possible change order for pickleball
25 courts. The original resolution was for \$118,000.00 and **Mr. Campbell** will
26 let the Board know how much that will be. \$70,000.00 of the cost comes
27 from grant money that we received, "local recreation grant". So we won't
28 be taking a lot of money out of our pocket and the money we do take out
29 will not come from taxpayers money. It is coming from our maintenance
30 reserve account; money we have raised over the last 20 years. **Mrs.**
31 **Vernacchio** said it is good for the community and since this track has
32 never been upgraded in over 40 years, it was time to get it done.

33
34 **12. CORRESPONDENCE**

35
36 None at this time.

37
38 **13. PUBLIC - AGENDA/NON-AGENDA ITEMS**

39
40 This is the time when anyone from the public who wishes to speak to the Board
41 may do so. Please state your name, address and phone number. The Board will
42 hear your concerns. The Board may or may not take action this evening. The
43 Board of Education recognizes the value of public comment on educational
44 issues and the importance of allowing members of the public to express

1 themselves on school matters of community interest. The Board will follow Policy
2 #0167 - Public Participation in Board Meetings.
3

4 **Nicole Trainor**, 246 Tomlin Station Road, Gibbstown, NJ first wanted to say that
5 her son went to the summer camp as well as a lot of kids in her community and
6 they had a great time. **Ms. Trainor** then spoke about the test scores and her
7 question was how are we going to make time to adjust our curriculum to make
8 sure students are successful going forward? **Dr. Jennifer Foley** responded by
9 saying that the classroom teachers do a good job by providing enrichment
10 activities to move them forward. For those students that need it, there is
11 remediation in both schools where the student will be pulled out. We are also
12 bringing in Dr. Milou who can give the district an insight as to what is working and
13 what is not working. **Ms. Trainor** then asked if the grading scale was in line with
14 the rest of the state? **Dr. Foley** said she met with several teachers to have them
15 pick a grading scale that was more in line with Paulsboro and GCIT considering
16 that is where more of our students went. Those schools didn't have the same
17 grading scale so we approximated and it is close to what our sending districts
18 have.
19

20 **14. EXECUTIVE SESSION**
21

22 Pursuant to certain requirements of the *Open Public Meetings Act, N.J.A.C. 10:4-*
23 *6, et seq.*, which provides that an Executive Session, not open to the public, may
24 be held for certain specified purposes when authorized by Resolution. The
25 Board of Education for Greenwich Township, assembled in public session on
26 **August 8, 2023**, hereby resolves that an Executive Session closed to the public
