

7th Grade Newsletter

Week of September 21st, 2026

Math Mrs. Jarrett mjarrett@rappahannockschoools.us Block 1: We are working on Simplifying Numerical Expressions. We will wrap this unit up with a quiz on the 23rd. We will then begin our unit on Two-step Equations. Blocks 2&3: We are wrapping up our unit on Rational Number Operations with a unit test on Monday the 21st. We will then begin our unit on Simplifying Numerical Expressions. Please do not hesitate to reach out with any questions, comments or concerns.	English Miss Rowell mrowell@rappahannockschoools.us Students will have a vocab quiz Friday Sept. 25th. We are continuing our non-fiction unit and researching holiday traditions in different countries. Students will complete a brochure and present on their findings.
Civics Mr. Hummill mhummill@rappahannockschoools.us We are in the middle of our second unit on the federal government. We will have a quiz on the powers of the branches and checks and balances Thursday Sept. 24th.	Science Mrs. McCabe emccabe@rappahannockschoools.us We are continuing our unit on cells. Students have a project due on Tuesday, September 29th. Details will be sent home with students. Questions or concerns? Please feel free to reach out with an email.

Important Notes and Reminders

- ***Interims were sent home today. Please sign and return them next week.***
- ***We have seen an increase in glass beverages and energy drinks. As a reminder, glass containers are prohibited. Energy drinks (including Alani beverages) are banned for all student athletes per VHSL and more information on this can be found on page 23 of the RCPS Athlete Handbook located on the RCPS website.***
