Same LAB class on Monday and Tuesday: Music, PE, Art, and Technology classes will not be changing for Monday and Tuesday. We will start our new rotation after we return from break on Monday, November 29th, which also is the beginning of trimester 2. Report cards will be going home with students on December 10th.

Vaccination Clinic at Town Hall on Sunday: The Town is sponsoring a clinic solely for children ages 5-11 on Sunday (November 21st) from 10am-4pm in the Town Hall. The clinic for the second dose will be December 12th, also from 10am-4pm.

- A parent or guardian must accompany the child ages 5-11. The Pfizer vaccine will only be given to children who are ages 5-11. No other vaccines will be available and no other age groups will be vaccinated.

Another clinic will also be held at the NCES gym on Wednesday, December 8th, from 4-7pm.

Santa Letter: The Canaan Fire Company will be sponsoring the Annual Light Parade next Sunday, November 28. Santa is returning to the pavilion for in-person visits following the parade. There will be a dropbox near Santa to mail a letter to the North Pole. The dropbox may be a good idea for you and your family as you may be concerned about safety for the in-person visit. Note that all letters will be answered. If you would like a blank copy of the letter you may contact the office and we will send one home in your child's folder.

Library News: Here are some Thanksgiving videos from Scholastic for students of all ages, showing what life was like for the Pilgrims upon arriving here: [The First Thanksgiving](#).

Middle School Winter Program Registration Open: Click the link to register your middle school student for regional basketball or art garage. Registration closes today. The Parent Meeting will be on Monday. The athletic director will send the meeting link to all who have registered.

YMCA Family Swim Afternoon: Our families and students are invited to enjoy an afternoon of family swim and pool games today. Registration is required. Click the link for more information.

Happy Thanksgiving!
