President Donald Trump in a statement shared Thursday on Truth Social after backlash over an image critics said depicted Trump as Jesus Christ.

The statement was released Thursday by Graham and shared by the president as a signed letter.

"I do not believe President Trump would knowingly depict himself as Jesus Christ — that would certainly be inappropriate," Graham wrote.

[Planned Parenthood has been busy](#)

The largest abortion business in the U.S. has released its 2024-25 annual report and it reveals that it carried about 435,000 abortions. The organization says it also handed out 3.7 million dollars to women to "overcome obstacles to abortion care". It's not clear exactly how many abortion pills Planned

Parenthood has dispensed lately but a majority of America's abortions are now carried out via medication rather than surgery.

[Christians abroad are hoping for changes in Iran](#)

That country's nuclear weapons program is the reason that the U.S. and Israel launched military operations, but Iran is one of the worst persecutors of believers on earth. Christians were a small minority but they did not face death for their beliefs. Since then the persecution has been deadly and relentless.

Highlights from Letters to Power 88

- I just want to thank you for being on the air all the time and always playing uplifting music -especially music that draws in teens - like me. You make worshiping something new and alive! I am so thankful for you guys at the station.
- I have been in church most of my life but in Christ for 5 years. I had struggled to know Christ for much of my time in church but I could never reconcile my life with the gospel. At the age of 44, I was listening to David Jeremiah on your station. He told a story in his broadcast that put Christ into perspective for me, I was saved, and 9 months later I was baptized. My life & eternal destiny are so much better because of your station. Thank you. Sorry it took so long to start giving.
