## Educational Background:

I began my education journey right here at Hudson Park Elementary. I started here as a kindergarten student and graduated as a senior at Rainier Junior Senior High School.

I attended Lower Columbia College to earn my associates degree geared towards education. Then transferred to Washington State University Vancouver where I received my Bachelor's of Arts degree in Education majoring in elementary education.

Additionally, I was given the opportunity to student teach in a kindergarten classroom at Northlake Elementary in Longview, Washington. This is my second year teaching 4th grade at HPE and I am excited it gets to be with all of you!

# Educational Philosophy

I believe all students can learn when they feel safe in the classroom and are supported by the teacher. As an educator, it is my job to meet the needs of all my students to help them meet their learning potentials. My goal is to create a safe and welcoming environment, so students can feel comfortable to take risks and express themselves.
