

PPS Parents:

This is Holly McNider from Prattville Primary School. I would like to share a few reminders:

- Students and staff will continue focusing on Habit #2 this week, begin with the end in mind. We will focus on how important it is to know what you want before you do it.
- Our 2nd graders will be traveling to the YMCA this week for their water safety lessons. Please make sure to send extra clothes with your child on their assigned day.
- We will be focusing on the accelerator reader reading program this week. All first and second graders will participate in this reading program where they are able to read library books and then take online comprehension tests and earn points. All students who meet our school goals will be rewarded with incentives throughout the school year.
- On Friday this week will celebrate a PPS spirit day. It will be apple day and we encourage all students to wear their favorite apple attire or dress like Johnny Appleseed. Another idea for PPS spirit day is to wear your PPS school shirt.
- Our Friday special snack this week will be slushies, a student favorite. Slushies will be \$1 each.
- Currently, Autauga County Schools are encouraging all students, staff, and visitors to wear a mask. However, please understand that this is a fluid situation and decisions continue to be adjusted to keep everyone safe. We are now conducting contact tracing when needed and if your student wears a mask correctly and consistently, they will be less likely to be required to self isolate if they are determined to be exposed. Always contact our school nurse with any Covid 19 questions or concerns.
- Thank you for your support.
