Dear Frazier Parents and Guardians;

Today, the Frazier School District was made aware of a tip that was reported to the ATF regarding a high school student of the Frazier School District. This alleged threat involves shooting various students and other acts of violence. The Frazier School District administration and school police officers worked with the PA State Police to address the party involved.

Pennsylvania State Police (PSP) have investigated this matter and deemed the tip to be **non-credible and unfounded**. The authorities have assured the district our students are not in danger and there is no threat to the public.

The Frazier School District will always prioritize the health, safety, and welfare of our students and staff. I will do my best to keep our parents and guardians informed, when it comes to sensitive matters such as this.

Yours In Education,

Michael V. Turek
Frazier School District Superintendent of Schools
