

## Remote Core Survey

### High School Questionnaire

2020-2021

This survey asks about your behavior, experiences, and attitudes related to your school, health, and well-being. It also asks about your experiences learning and doing schoolwork from home if you are not attending school in person due to the novel coronavirus (Covid-19). The survey also includes questions about use of alcohol, tobacco, and other drugs, and bullying and violence.

**You do not have to answer these questions**, but your answers will be very helpful in improving school and health programs. **You will be able to answer** whether or not you have done or experienced any of these things.

**Please do not write your name on this form or the answer sheet. Do not identify yourself in any other way.**

Please mark all of your answers on the answer sheet. Fill in the bubbles neatly with a **#2 pencil**. Do not write on the questionnaire. Mark only one answer unless told to ***“Mark All That Apply.”***

This survey asks about things you may have done during different periods of time, such as during your **lifetime** (you ever did something), or the past **12 months**, or **30 days**. Each provides different information. Please pay careful attention to these time periods.

**Thank you for taking this survey!**
