As a parent in Morristown Elementary School District, you have the right to a quality education for your children, including access to technology and innovative instructional practices. To make sure that every student enjoys that right, the District has established procedures regarding use of electronic devices. The procedures for student use of electronic devices are designed to create a rich learning environment that is safe and productive for all students and staff. The expectations are reasonable and fair, and they are as consistent as possible at each school. We ask that you carefully read the expectations, guidelines and consequences. Morristown Elementary School District has severe consequences for misuse of electronic devices and electronic information systems. Any violations may result in suspension, long-term suspension, expulsion, and/or referral to a local law enforcement agency.
