School Goals

CES will provide a program to allow ALL students the opportunity to succeed academically, develop social-emotional skills, and pursue a life of wellness. CES will build multi-tiered systems in reading, math, social-emotional development, and attendance to meet this goal. We will improve math performance by developing an RTI system for math to ensure students receive quality instruction and necessary supports when needed. CES will develop systems and interventions to support students that are at risk due to chronic absenteeism. CES will build practices to develop the social-emotional skills needed to become resilient individuals.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

CES will continue to create a safe and welcoming community school environment by further developing our Positive Behavior Interventions & Support systems and practices. CES will establish a Culture of Care based on Trauma Informed School best practices. Furthermore, CES will build systems and practices to support all students' social-emotional development. Please visit CES to learn about these important new initiatives.

EXTRACURRICULAR ACTIVITIES

Clatskanie Elementary School offers only community-based extracurricular activities such as youth sports programs, and other learning opportunities through youth organizations and groups such as 4-H and Cub Scouts. Please contact CES for more information about these opportunities.

PARENT ENGAGEMENT

CES believes parent engagement is critical to student success. CES also believes the relationship between families and school must remain strong in order to realize this success. CES encourages all parents to get involved with our CES learning community by volunteering, becoming a member of the PSEA, attending student-teacher conferences, and supporting our efforts to make CES a truly amazing school. We invite all parents to visit CES at any time to learn more.

COMMUNITY ENGAGEMENT

CES will continue to build partnerships with organizations and community groups to strengthen our program at CES. We look forward to working with our community to continue to make CES the best it can be. We believe Clatskanie Elementary School has an opportunity to be a truly amazing school. We invite all organizations and community members to CES to discover the great things happening. Please feel free to visit CES to find out how you can get involved with our CES learning community.
