NOW, THEREFORE, BE IT RESOLVED, by the School Board, as follows:

SECTION 1. The School Board hereby authorizes and secures the issuance of the Bonds, pursuant to this Resolution and in accordance with the Debt Act, to undertake the Capital Projects. The Financial Advisor is retained as the School District’s independent municipal advisor in connection with the Bonds, and pursuant to the Proposal. Eckert Seamans Cherin & Mellott, LLC, is retained by this School District as its bond counsel in connection with the issuance of the Bonds.

SECTION 2. The School Board finds that it is in the best financial interests of this School District to sell the Bonds in a private sale by negotiation and determines that the debt to be incurred pursuant to this Resolution shall be nonelectoral debt.

SECTION 3. The facilities constituting the Capital Projects have reasonably expected useful lives of between five (5) years and at least twenty-eight (28) years, with the aggregate principal amount of the Bonds equal to the separate cost of each facility being stated to mature prior to the end of each useful life. The Board hereby elects to combine the Capital Projects for purposes of financing. The first maturity of principal of the Bonds will not be deferred beyond two years from the issue date of the Bonds.

SECTION 4. The School Board accepts the Proposal of the Financial Advisor, and the President or Vice President of the School Board is authorized to sign the Proposal on behalf of this School District. This School District's Business Manager or Superintendent, is hereby authorized to approve, in consultation with the Financial Advisor, the Addendum, including the timing and terms of the issuance of the Bonds, and resulting in bond proceeds available for the Capital Projects in an amount not to exceed \$9,995,000. The Addendum so approved shall be executed and delivered by the President or Vice President of the School Board and included as a part of the Proposal accepted by this Resolution.

SECTION 5. The Bonds, when issued, will be general obligation bonds of this School District.

SECTION 6. The Bonds shall be issuable as one or more series, as fully registered bonds, without coupons, in denominations of \$5,000 principal amount or any integral multiple thereof.

Each of the Bonds shall bear interest from the interest payment date next preceding the date of registration and authentication of such Bond, unless: (a) such Bond is registered and authenticated as of any interest payment date, in which event such bond shall bear interest from such interest payment date; or (b) such Bond is registered and authenticated after a Record Date (hereinafter defined) and before the next succeeding interest payment date, in which event such bond shall bear interest from such next succeeding interest payment date; or (c) such Bond is registered and authenticated on or prior to the Record Date next preceding the first interest payment date, in which event such Bond shall bear interest from the dated date of the Bonds; or (d) as shown by the records of the Paying Agent, interest on such Bond shall be in default, in which event such Bond shall bear interest from the date to which interest was last paid on such bond. Interest on each of the Bonds shall be payable initially on a date selected by this School District, and thereafter, semiannually, until the principal sum thereof is paid or provision for payment thereof duly has been made. Except as to distinguishing series or subseries, numbers, denominations, interest rates and maturity dates, the Bonds and the Paying Agent's certificates of authentication shall be substantially in the forms and shall be of the tenor and purport hereinafter set forth, with insertions and variations (including CUSIP numbers) approved by this School District, the Purchaser and the Paying Agent, as may be appropriate for different series, denominations and maturity dates.

Principal, premium, if any, and interest with respect to the Bonds shall be payable in lawful money of the United States of America.

The principal of and premium, if any, on the Bonds shall be payable to the registered owners thereof or their transferees, upon presentation and surrender of the Bonds at the place or places set forth in the Bonds. Payment of interest on the Bonds shall be made by check mailed to the registered owners thereof whose names and addresses appear at the close of business on the fifteenth (15th) day next preceding each interest payment date (the "Record Date") on the

registration books maintained by the Paying Agent on behalf of this School District, irrespective of any transfer or exchange of any Bonds subsequent to the Record Date and prior to such interest payment date, unless this School District shall be in default in payment of interest due on such interest payment date. In the event of any such default, such defaulted interest shall be payable to the persons in whose names the Bonds are registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Paying Agent on behalf of this School District to the registered owners of the Bonds not less than fifteen (15) days preceding such special record date. Such notice shall be mailed to the persons in whose names the Bonds are registered at the close of business on the fifth (5th) day preceding the date of mailing.

If the date for the payment of the principal of or interest on any Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the Commonwealth are authorized or required by law or executive order to close, then the date for payment of such principal or interest shall be the next succeeding day that is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized or required to close, and payment on such date shall have the same force and effect as if made on the nominal date established for such payment.

SECTION 7. This School District and the Paying Agent may deem and treat the persons in whose names the Bonds shall be registered as the absolute owners thereof for all purposes, whether such Bonds shall be overdue or not, and payment of the principal of, premium, if any, and interest on the Bonds shall be made only to or upon the order of the registered owners thereof or their legal representatives, but registration of a transfer of ownership may be made as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds, to the extent of the sum or sums so paid, and neither this School District nor the Paying Agent shall be affected by any notice to the contrary.

SECTION 8. Registration of the transfer of ownership of Bonds shall be made upon surrender of any of the Bonds to the Paying Agent, accompanied by a written instrument or instruments in form, with instructions, and with guaranty of signature satisfactory to the Paying Agent, duly executed by the registered owner thereof or his attorney-in-fact or legal representative. The Paying Agent shall enter any transfer of ownership of any of the Bonds in the registration books and shall authenticate and deliver, at the earliest practicable time, in the name of the transferee or transferees, a new fully registered bond or bonds of authorized denominations of the same series, maturity and interest rate for the aggregate principal amount that the registered owner is entitled to receive. Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same series, maturity and interest rate.

SECTION 9. If Bonds shall be subject to optional redemption or mandatory redemption prior to stated maturity, this School District and the Paying Agent shall not be required to register the transfer of or exchange any of the Bonds then considered for redemption during the period beginning at the close of business on the fifteenth (15th) day next preceding any date of selection of such Bonds to be redeemed and ending at the close of business on the day of mailing of the notice of redemption, as hereinafter provided, or to register the transfer of or exchange any

portion of any of the Bonds selected for redemption in whole or in part until after the redemption date.

SECTION 10. This School District shall cause to be kept, and the Paying Agent shall keep, books for the registration, exchange and transfer of Bonds in the manner provided herein and therein so long as Bonds shall remain outstanding. Such registrations, exchanges and transfers shall be made without charge to bondholders, except for actual costs, including postage, insurance and any taxes or other governmental charges required to be paid with respect to the same.

SECTION 11. The Bonds shall bear interest, each with yield(s) to maturity, and principal maturing or payable upon mandatory sinking fund redemptions in the maximum annual amounts in each fiscal year not exceeding the Bond Parameters set forth in **Exhibit B** attached hereto.

SECTION 12. The Bonds may be subject to optional redemption by this School District prior to maturity, on such date or dates and under such terms as may be determined from the Addendum described in Section 4 hereof. The Bonds may be subject to mandatory redemption prior to maturity, to be set forth in each Addendum, not exceeding the principal payment amounts by fiscal year set forth in **Exhibit B** attached hereto.

SECTION 13. This School District appoints the Paying Agent as the paying agent with respect to the Bonds and directs that the principal of, premium, if any, and interest on the Bonds shall be payable at a designated corporate trust office of the Paying Agent, in lawful money of the United States of America.

Any corporation or association into which the Paying Agent, or any appointed successor to it, may be merged or converted or with which it, or any appointed successor to it, may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Paying Agent shall be a party, or any corporation or association to which the Paying Agent, or any appointed successor to it, sells or otherwise transfers all or substantially all of its corporate trust business, including its functions under this Resolution, shall be the successor paying agent hereunder, without the execution or filing of any paper or any further act on the part of the School District, and thereafter references herein to the "Paying Agent" shall refer to such resulting corporation or association, or to such transferee, as the case may be.

If the Paying Agent at any time shall resign or shall be removed by this School District, the Board of School Directors shall appoint a successor paying agent that is duly qualified in accordance with the Act to serve as paying agent for the Bonds and sinking fund depository with respect to the Sinking Fund created herein, and the principal of, redemption premium, if any, and interest on the Bonds shall be payable, when due, at a designated office of the successor paying agent located in the Commonwealth and at such additional payment offices as the successor paying agent shall designate. Upon acceptance of such appointment and the transfer by the Paying Agent to the successor paying agent of the appropriate documents, records, and funds, references herein to the "Paying Agent" shall thereafter refer to such successor paying agent.

SECTION 14. The form of the Bonds, including the form of Assignment and the form of the Paying Agent's Certificate, shall be substantially as set forth in **Exhibit C**, which is attached hereto, with appropriate insertions, omissions and variations.

SECTION 15. The Bonds shall be executed in the name of and on behalf of this School District by the manual or facsimile signature of the President or Vice President of the School Board, and the official seal or a facsimile of the official seal of this School District shall be affixed thereto and the manual or facsimile signature of the Secretary or Assistant Secretary of the School Board shall be affixed thereto in attestation thereof; and said officers are authorized to execute and to attest the Bonds.

SECTION 16. No Bond shall be entitled to any benefit under this Resolution nor shall it be valid, obligatory or enforceable for any purpose until such bond shall have been registered and authenticated by the Certificate of Authentication endorsed thereon duly signed by the Paying Agent; and the Paying Agent is authorized to register and authenticate the Bonds in accordance with the provisions hereof.

SECTION 17. This School District covenants to and with registered owners, from time to time, of the Bonds that shall be outstanding, from time to time, pursuant to this Resolution, that this School District shall: (i) include the amount of the debt service on the Bonds, for each fiscal year of this School District in which the sums are payable, in its budget for that year, (ii) appropriate those amounts from its general revenues for the payment of the debt service, and (iii) duly and punctually pay or cause to be paid from the Sinking Fund (hereinafter identified) or any other of its revenues or funds the principal of and interest on each of the Bonds at the dates and places and in the manner stated therein, according to the true intent and meaning thereof; and, for such budgeting, appropriation and payment, this School District shall and does pledge, irrevocably, its full faith, credit and taxing power. As provided in the Debt Act, the foregoing covenant of this School District shall be specifically enforceable.

SECTION 18. There is created, pursuant to the requirements of the Debt Act, one or more sinking funds for the Bonds (collectively, the "Sinking Fund") including, if applicable, multiple series or subseries, or a mandatory sinking fund. The Sinking Fund shall be administered in accordance with applicable provisions of the Debt Act.

SECTION 19. This School District appoints the Paying Agent as the sinking fund depository with respect to the Sinking Fund.

SECTION 20. This School District covenants to make payments out of the Sinking Fund, or out of any other of its revenues or funds, at such times and in such annual amounts, as shall be sufficient for prompt and full payment of all obligations of the Bonds when due.

SECTION 21. The School Board hereby authorizes the preparation of a Preliminary Official Statement for use in the marketing of the Bonds and authorizes the Superintendent or

Business Manager of the School District to approve the form of such Preliminary Official Statement and the form of a final Official Statement with respect to each series of the Bonds of the School District, with such insertions and amendments as shall be necessary or appropriate to reflect the final terms and provisions of the Bonds, the accepted Proposal and this Resolution. The School Board authorizes the President or Vice President of the School Board to affix his or her signature to the final Official Statement approved as described above, and such execution of the final Official Statement shall constitute conclusive evidence of the approval thereof by the School Board.

SECTION 22. The President or Vice President and the Secretary or Assistant Secretary, respectively, of the School Board are authorized and directed, as required, necessary and/or appropriate: (a) to prepare, to certify and to file with the Department the debt statement required by the Debt Act; (b) to prepare and to file with the Department any statements required by the Debt Act that are necessary to qualify all or any portion of the debt of this School District that is subject to exclusion as self-liquidating or subsidized debt for exclusion from the appropriate debt limit of this School District as self-liquidating or subsidized debt; (c) to prepare and to file the application with the Department, together with a complete and accurate transcript of the proceedings for the required approval relating to the debt, of which debt the Bonds, upon issue, will be evidence, as required by the Debt Act; (d) to pay or to cause to be paid to the Department all proper filing fees required in connection with the foregoing; and (e) to take other required, necessary and/or appropriate action.

The School Board authorizes and directs that a Borrowing Base Certificate be prepared for filing with the Department as required by the Debt Act. The President or Vice President and the Secretary or Assistant Secretary, respectively, of the School Board are hereby authorized to prepare and to execute, or to authorize the preparation and execution of such Borrowing Base Certificate.

SECTION 23. If applicable, as determined from an Addendum, the School Board authorizes the purchase of municipal bond guaranty insurance with respect to any Bonds. The officers and agents of this School District are authorized to take all required, necessary and/or appropriate action with respect to such insurance, as contemplated in an Addendum, including the payment of the premium of such insurance.

SECTION 24. The President or Vice President and the Secretary or Assistant Secretary, respectively, of the School Board are authorized and directed to contract with the Paying Agent for its services as paying agent for the Bonds and as sinking fund depository in connection with a Sinking Fund established for the Bonds.

SECTION 25. It is declared that the debt to be incurred hereby, together with any other indebtedness of this School District, is not in excess of any limitation imposed by the Debt Act upon the incurring of debt by this School District.

SECTION 26. The officers and agents of this School District are authorized to deliver the Bonds and to authorize payment of all costs and expenses associated with the issuance of the

Bonds as provided for in the Proposal, but only after the Department has certified its approval pursuant to the provisions of the Debt Act or at such time when the filing authorized to be submitted to the Department pursuant to the Debt Act shall be deemed to have been approved pursuant to applicable provisions of the Debt Act.

SECTION 27. This School District covenants to and with purchasers of the Bonds (or any portion thereof intended to be exempt from federal taxation) that it will make no use of the proceeds of such Bonds, or of any other obligations deemed to be part of the same “issue” as any portion of such Bonds under applicable federal tax regulations, that will cause such Bonds to be or become “arbitrage bonds” within the meaning of Section 103(b)(2) and Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”), and the regulations implementing said Sections that duly have been published in the Federal Register or any other regulations implementing said Sections, and this School District further covenants to comply with all other requirements of the Code if and to the extent applicable to maintain continuously the Federal income tax exemption of interest on such Bonds.

This School District further covenants to and with purchasers of the Bonds that it will make no use of the proceeds of the Bonds, of the proceeds of any other obligations deemed to be part of the same “issue” as the Bonds under applicable federal tax regulations, or of any property or facilities financed with the proceeds of the Bonds or of any such other obligations deemed to be part of the same “issue” as the Bonds, that will cause the Bonds to be or become “private activity bonds” within the meaning of Section 141 of the Code and the regulations implementing said Sections that duly have been published in the Federal Register, and this School District further covenants to comply with all other requirements of the Code if and to the extent applicable to maintain continuously the Federal income tax exemption of interest on the Bonds.

If applicable, the President or Vice President of the School Board is authorized to represent in a certificate delivered when the Bonds are issued, that this School District does not then reasonably expect to issue tax-exempt obligations that, together with all tax-exempt obligations reasonably expected to be issued by all entities that issue bonds on behalf of this School District and all “subordinate entities” (within the meaning of Section 265(b)(3)(E) of the Code) of this School District, in the aggregate, will exceed Ten Million Dollars (\$10,000,000) (excluding obligations issued to refund (other than to advance refund) any obligation to the extent that the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligation) in the calendar year of issuance and, accordingly, thereby designate Bonds (to the extent they are not “deemed designated” under Section 265(b)(3)(D)(ii) of the Code), on behalf of this School District, as “qualified tax-exempt obligations,” as defined in Section 265(b)(3)(B) of the Code, for the purposes and effect contemplated by Section 265 of the Code.

SECTION 28. The Secretary of the Board of this School District is hereby authorized and directed to execute and to submit to the Pennsylvania Department of Education, promptly following settlement for the Bonds, the appropriate application and other documents and information necessary to obtain state reimbursement with respect to the debt service on the Bonds (including the filing of the appropriate PLANCON Parts, as applicable).

SECTION 29. This School District shall enter into, and hereby authorizes and directs the President or Vice President of the School Board to execute, a Continuing Disclosure Certificate (the "Certificate") on behalf of this School District on or before the date of issuance and delivery of the Bonds. Such Certificate shall be executed and delivered to satisfy the terms and conditions of the accepted Proposal for sale of the Bonds and Securities and Exchange Commission Rule 15c2-12, and shall be substantially in the form presented to this meeting, which is hereby approved, together with any changes therein made and approved by the executing officer of the School Board, whose execution and delivery thereof shall constitute conclusive evidence of such approval. A copy of the Certificate shall be filed with the Secretary of the School Board and shall be and hereby is made part of this Resolution.

This School District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Certificate. Notwithstanding any other provision of this Resolution, failure of this School District to comply with the Certificate shall not be considered an event of default with respect to the Bonds; however, any registered owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause this School District to comply with its obligations under this Section and such Certificate.

SECTION 30. The Bonds shall be made available for purchase under a book-entry only system available through The Depository Trust Company, a New York corporation ("DTC"). If applicable, at or prior to settlement for the Bonds, this School District and the Paying Agent shall execute or signify their approval of a Representation Letter in substantially the form on file with DTC (the "Representation Letter"). The appropriate officers of this School District and the Paying Agent shall take such action as may be necessary from time to time to comply with the terms and provisions of the Representation Letter, and any successor paying agent for the Bonds, in its written acceptance of its duties under this Resolution, shall agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

SECTION 31. Notwithstanding the foregoing provisions of this Resolution, the Bonds shall initially be issued in the form of one fully-registered bond for the aggregate principal amount of the Bonds of each maturity, and the following provisions shall apply with respect to the registration, transfer and payment of the Bonds:

(a) Except as provided in subparagraph (g) below, all of the Bonds shall be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC shall request that the Bonds be registered in the name of a different nominee, the Paying Agent shall exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds of the same series, interest rate and maturity registered in the name of such nominee or nominees of DTC.

(b) No person other than DTC or its nominee shall be entitled to receive from this School District or the Paying Agent either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof, unless DTC or its nominee shall transfer

record ownership of all or any portion of the Bonds on the registration books (the "Register") maintained by the Paying Agent in connection with discontinuing the book-entry system as provided in subparagraph (g) below or otherwise.

(c) So long as any Bonds are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds shall be made to DTC or its nominee in accordance with the Representation Letter on the dates provided for such payments under this Resolution. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of this School District or the Paying Agent with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Paying Agent shall not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Paying Agent, upon request, a written confirmation of such partial redemption and thereafter the records maintained by the Paying Agent shall be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

(d) This School District and the Paying Agent may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to holders of Bonds under this Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken by holders of Bonds and for all other purposes whatsoever; and neither this School District nor the Paying Agent shall be affected by any notice to the contrary. Neither this School District nor the Paying Agent shall have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being a registered owner of Bonds, with respect to (1) the Bonds, (2) the accuracy of any records maintained by DTC or any such participant, (3) the payment by DTC or any such participant of any amount in respect of the principal or redemption price of or interest on the Bonds, (4) any notice which is permitted or required to be given to holders of the Bonds under this Resolution, (5) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Bonds, and (6) any consent given or other action taken by DTC as holder of the Bonds.

(e) So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the holders of such Bonds under this Resolution shall be given to DTC as provided in the Representation Letter.

(f) In connection with any notice or other communication to be provided to holders of Bonds pursuant to this Resolution by this School District or the Paying Agent with respect to any consent or other action to be taken by holders of Bonds, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that this School District or the Paying Agent may establish a special record date for such

consent or other action. This School District or the Paying Agent shall give DTC notice of such special record date not less than 15 calendar days in advance of such special record date to the extent possible.

(g) The book-entry only system for registration of the ownership of the Bonds may be discontinued at any time if either (1) after notice to this School District and the Paying Agent, DTC determines to resign as securities depository for the Bonds, or (2) after notice to DTC and the Paying Agent, this School District determines that continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interests of this School District. In either of such events (unless in the case described in clause (2) above, this School District appoints a successor securities depository), the Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of this School District or the Paying Agent for the accuracy of such designation. Whenever DTC requests this School District and the Paying Agent to do so, this School District and the Paying Agent shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

SECTION 32. The School Board hereby declares that proceeds of the Bonds shall reimburse the School District's capital reserve or general fund for expenditures made for the Capital Projects prior to the issuance of the Bonds and that this Resolution shall constitute a "declaration of official intent" pursuant to Section 1.150-2 of the regulations under Section 150 of the Code.

SECTION 33. Any reference in this Resolution to an officer or member of the School The President and Vice President and the Secretary or Assistant Secretary, respectively, of the Board are authorized and directed to perform such acts as may be necessary to facilitate the marketing and settlement of the Bonds and to undertake the funding of the Capital Projects.

SECTION 34. Any reference in this Resolution to an officer or member of the School Board shall be deemed to refer to his or her duly qualified successor in office, or other authorized representative, if applicable.

SECTION 35. In the event any provision, section, sentence, clause or part of this Resolution shall be held to be invalid, such invalidity shall not affect or impair any remaining provision, section, sentence, clause or part of this Resolution, it being the intent of this School District that such remainder shall be and shall remain in full force and effect.

SECTION 36. All resolutions or parts of resolutions, insofar as the same shall be inconsistent herewith, shall be and the same expressly are repealed.

SECTION 37. This Resolution shall be effective in accordance with the Debt Act.

This Bond is one of a series of bonds of the Issuer, known generally as "General Obligation Bonds, Series of 202__" (the "Bonds"), all of like date and tenor, except as to numbers, denominations, dates of maturity, rates of interest, and provisions for redemption, in the aggregate principal amount of _____ Dollars (\$_____).

The Bonds have been authorized for issuance in accordance with provisions of the Local Government Unit Debt Act, 53 Pa.C.S. Chs. 80-82 (the "Debt Act"), of the Commonwealth, and by virtue of a duly adopted resolution (the "Resolution") of the Issuer. The Debt Act, as such shall have been in effect when the Bonds were authorized, and the Resolution shall constitute a contract between the Issuer and registered owners, from time to time, of the Bonds.

The Issuer has covenanted, in the Resolution, to and with registered owners, from time to time, of the Bonds that shall be outstanding, from time to time, pursuant to the Resolution, that the Issuer shall: (i) include the amount of the debt service for the Bonds, for each fiscal year of the Issuer in which such sums are payable, in its budget for that year, (ii) appropriate such amounts from its general revenues for the payment of such debt service, and (iii) duly and punctually pay or cause to be paid, from the sinking fund established under the Resolution or any

This Bond shall not be entitled to any benefit under the Resolution, nor shall it be valid, obligatory or enforceable for any purpose, until this Bond shall have been authenticated by the Paying Agent.

The Bonds are issuable only in the form of registered bonds, without coupons, in the denominations of \$5,000 principal amount or any integral multiple thereof. Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same maturity and interest rate upon surrender of such Bonds to the Paying Agent, with written instructions satisfactory to the Paying Agent.

The Issuer and the Paying Agent may deem and treat the registered owner hereof as the absolute owner hereof (whether or not this Bond shall be overdue) for the purpose of receiving payment of or on account of principal hereof, premium, if any, and interest due hereon and for all other purposes, and the Issuer and the Paying Agent shall not be affected by any notice to the contrary.

This Bond may be transferred by the registered owner hereof upon surrender of this Bond to the Paying Agent, accompanied by a written instrument or instruments in form, with instructions, and with guaranty of signature satisfactory to the Paying Agent, duly executed by the registered owner of this Bond or his attorney-in-fact or legal representative. The Paying Agent shall enter any transfer of ownership of this Bond in the registration books and shall authenticate and deliver at the earliest practicable time in the name of the transferee or transferees a new fully registered bond or bonds of authorized denominations of the same series, maturity and interest rate for the aggregate principal amount which the registered owner is entitled to receive.

The Issuer and the Paying Agent shall not be required to issue or to register the transfer of or exchange any Bonds then considered for redemption during a period beginning at the close of business on the fifteenth (15th) day next preceding any date of selection of Bonds to be redeemed and ending at the close of business on the day of mailing of the applicable notice of redemption, as hereinafter provided, or to register the transfer of or exchange any portion of any bond selected for redemption until after the redemption date.

The Bonds stated to mature on or after _____, _____, are subject to redemption prior to maturity, at the option of the Issuer, as a whole, on _____, _____, or on any date thereafter, upon payment of the principal amount thereof, together with accrued interest to the date fixed for redemption.

The Bonds stated to mature on or after _____, _____, are subject to redemption prior to maturity, at the option of the Issuer, from time to time, in part, in any order of maturity selected by the Issuer, on _____, _____, or on any date thereafter. If less than all Bonds of any particular maturity are to be redeemed, the Bonds of such maturity to be redeemed shall be drawn by lot by the Paying Agent. Any such redemption shall be upon payment of the principal amount to be redeemed, together with accrued interest thereon to the date fixed for redemption.

The Bonds stated to mature on _____, _____, are subject to mandatory redemption prior to maturity, in the amounts and on _____ of the year(s) set forth in the following schedule as drawn by lot by the Paying Agent in behalf of the Issuer:

<u>Year</u>	<u>Amount</u>
	\$ _____
	\$ _____

Any such redemption shall be upon application of money available for the purpose in the Mandatory Sinking Fund established under the Resolution and shall be upon payment of the principal amount to be redeemed, together with accrued interest thereon to the date fixed for redemption. In lieu of such mandatory redemption, the Paying Agent, as sinking fund depository, in behalf of the Issuer, may purchase, from money available for the purpose in the Sinking Fund established under the Resolution, at a price not to exceed the principal amount plus accrued interest, or the Issuer may tender to the Paying Agent, all or part of the Bonds subject to being drawn for redemption in any such year.

In the case of any partial redemption of Bonds of any maturity that is subject to mandatory sinking fund redemption, the Issuer shall be entitled to designate whether the amount to be redeemed shall be credited against the principal amount of such Bonds due at maturity or credited against the principal amount of such Bonds scheduled to be called for mandatory sinking fund redemption on any particular date or dates, in each case in an integral multiple of \$5,000 principal amount.

If this Bond is of a denomination larger than \$5,000, a portion of this Bond may be redeemed. For the purposes of redemption, this Bond shall be treated as representing the number of Bonds that is equal to the principal amount hereof divided by \$5,000, each \$5,000 portion of this Bond being subject to redemption. In the case of partial redemption of this Bond, payment of the redemption price shall be made only upon surrender of this Bond in exchange for Bonds of authorized denominations of the same maturity and interest rate and in aggregate principal amount equal to the unredeemed portion of the principal amount hereof; Provided, however, that should this Bond be registered in the name of The Depository Trust Company ("DTC") or Cede & Co., as nominee for DTC, or any other nominee of DTC, or any other successor securities depository or its nominee, this Bond need not be surrendered for payment and exchange in the event of a partial redemption hereof and the records of the Paying Agent shall be conclusive as to the amount of this Bond which shall have been redeemed.

Notice of redemption shall be deposited in first class mail not less than 30 days prior to the date fixed for redemption and shall be addressed to the registered owners of the Bonds to be redeemed at their addresses shown on the registration books kept by the Paying Agent as of the day such Bonds are selected for redemption. Failure to mail any notice of redemption or any defect therein or in the mailing thereof shall not affect the validity of any proceeding for redemption of other Bonds so called for redemption as to which proper notice has been given.

On the date designated for redemption, notice having been provided as aforesaid, and money for payment of the principal, premium, if any, and accrued interest being held by the Paying Agent, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds or portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Resolution, and registered owners of such Bonds or portions thereof so called for redemption shall have no rights with respect thereto, except to receive payment of the principal to be redeemed and accrued interest thereon to the date fixed for redemption, together with the redemption premium, if any.

The Issuer, in the Resolution, has established a sinking fund with the Paying Agent, as the sinking fund depository, into which funds for the payment of the principal of and the interest on the Bonds shall be deposited not later than the date fixed for the disbursement thereof. The Issuer has covenanted, in the Resolution, to make payments from such sinking fund or from any other of its revenues or funds, at such times and in such annual amounts as shall be sufficient for prompt and full payment of all obligations of this Bond.

It hereby is certified that: (i) all acts, conditions and things required to be done, to happen or to be performed as conditions precedent to and in issuance of this Bond or in creation of the debt of which this Bond is evidence have been done, have happened or have been performed in due and regular form and manner, as required by law; and (ii) the debt represented by this Bond, together with any other indebtedness of the Issuer, is not in excess of any limitation imposed by the Debt Act upon the incurring of debt by the Issuer.

[This Bond has been designated by the Issuer as a “qualified tax-exempt obligation”, as defined in Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended (the “Code”), for purposes and effect contemplated by Section 265 of the Code (relating to expenses and interest relating to tax-exempt income of certain financial institutions).]

IN WITNESS WHEREOF, the Issuer has caused this Bond to be executed in its name by the manual or facsimile signature of the President or Vice President of the Board of School Directors, and its official seal or facsimile thereof to be affixed hereto and the manual or facsimile signature of the Secretary of the Board of School Directors to be affixed hereto in attestation thereof, all as of the Date of Series.
