day of June, 1916.

(Signes) Conrad Neet

gusti Peace

My commission expires 4464 1917 worn to, to entitle the district to public manay.)

## READ THESE NOTES.

If the district is fractional, write the names of the children in each lowenship separately under the name of the lowenship, beginning with that township in which the served township in which the district is in part situated, giving the number of children five years of age and under twenty years residing in that part of the district if there is not space on this page sufficient to contain the names of all the children in the district, write the remainder upon ordinary lookeap paper, properly relact, and att The ages of the children must be given as they are on June 1, 1915. If a child remove from the district during the fifteen days proceding June 1 he should be about the number of the number of the children when the second of the children is the number of the n use or site is situated. A separate statement must be made to et lying within their respective townships. statesh the same to this sheet. Do not use additional blanks, rolled in the district in which he is resident June 1.
