

# Math Intervention

**Contact Information:** kelly.hetzel@k12.nd.us, Cell: (701)202-0462

**Availability:** 7:30 – 8:15 a.m. (except Wednesday) & By Appointment

**Course Materials:** Paper, Pencil (No Pens!), Chromebook, Scientific Calculator

**Classroom Code:** j4fzvkr

**Topics Covered:** Same as in your current Algebra I/Geometry Class

**Grading:**  
4/7 (57%) Assignments - IXL Supplemental Work  
2/7 (29%) Weekly Mental Math & Daily Spring Math Participation  
1/7 (14%) Semester Test

**Assignments:** All IXL assignments align with the material that was learned in that day's Algebra I or Geometry class. The goal is to get a smart score of 77 each day. Your grade will be based on your percent of a total of 77. All assignments will be due by the day you take your quiz/test in your Geometry/Algebra I class. 1 bonus point will be added for every 3 smart score points above 77, for a max of

**Classroom Rules:**  
**E**ngage appropriately. (No swearing. Be nice to each other.)  
**L**earn actively. (Take notes. Participate in discussions.)  
**W**ork quietly. (Talk quietly to allow others to get work done.)  
**A**sk questions. (Don't be afraid to ask for help!)  
**Y**ou can do it! (Believe in yourself!)
