Roadrunner Families,

As you are aware, we take the safety of our students and staff very seriously. We discuss our Emergency Operation Plans with our students, practice in our classrooms and complete school wide safety drills for a variety of incidents. We hope and pray that we will never have to use these measures, but at the same time want to be prepared if something this horrendous would ever occur in our small community.

I am disappointed and sad to share with you that during yesterday's school-wide Lockdown Drill, many of our students in Gr. 6-8 refused to participate, did not comply with the staff member they were assigned to at the time and/or did not take the drill seriously. If this had been a real emergency situation, their behaviors would have not only endangered their life, but the lives of everyone around them.

Homeroom teachers and our TOA, Mrs. Gaona, will be reaching out to individual families regarding specific students and their actions. We highly recommend that all parents and guardians take a few minutes to remind, and stress to the importance of, these drills to their children. We need to be united in our efforts to keep our children safe at all times!

Thank you for your continued support!

Mrs. Murrieta

Familias Roadrunner,

Como ustedes saben, nos tomamos muy en serio la seguridad de nuestros estudiantes y del personal. Hablamos con nuestros estudiantes sobre nuestros Planes de Operación de Emergencia, practicamos en nuestras aulas y realizamos simulacros de seguridad a nivel escolar para una variedad de incidentes. Esperamos y rezamos para nunca tener que usar estas medidas, pero al mismo tiempo queremos estar preparados en caso de que algo tan horrendo ocurra en nuestra pequeña comunidad.

Me siento decepcionado(a) y triste de compartir con ustedes que, durante el simulacro de encierro a nivel escolar realizado ayer, muchos de nuestros estudiantes de los grados 6 a 8 se negaron a participar, no cumplieron con las instrucciones del miembro del personal asignado en ese momento y/o no tomaron el simulacro con seriedad. Si hubiera sido una situación de emergencia real, sus comportamientos no solo habrían puesto en peligro sus propias vidas, sino también la vida de todos los que los rodeaban.

Los maestros de grupo y nuestra TOA, la Sra. Gaona, se estarán comunicando con familias específicas en relación con ciertos estudiantes y sus acciones. Recomendamos encarecidamente que todos los padres y tutores tomen unos minutos para recordarles a sus hijos, y recalcarles la importancia de estos simulacros. ¡Necesitamos estar unidos en nuestros esfuerzos por mantener a nuestros niños seguros en todo momento!

¡Gracias por su continuo apoyo!

Mrs. Murrieta
