

The Concetta and David Carey Sr. Memorial Scholarship was established in 2019 with intentions of helping students succeed in their higher education pursuit.

KINDNESS MATTERS

Concetta and David Carey Sr. were the loving parents of four children raised in the West Pittston area. They instilled in their children the belief that success in life comes from hard work and dedication. They worked tirelessly to provide and care for their family in dire times and although unable to pursue higher education themselves, they believed that every child should have the opportunity to fulfill their dreams, regardless of financial ability. Through their kindness, love and leadership, they

demonstrated to their children the value of helping others that are in need. They did this in life through many small ways and now their son Ken, along with his wife Kari and siblings Connie, David and Cathy, hope to continue their virtue of giving back by offering this scholarship to future generations.

Applicant must be a Wyoming Area graduating senior who plans on continuing their education after graduation. The applicant must hold a part-time job and be in financial need of a scholarship.
