- Music- Weeks of 9th

How do you mend a broken Jack-o-Lantern?

With a pumpkin patch!

We had such a beautiful day at the Spring Valley Tree Farm. We are so grateful to the staff for putting on such a fun outing for us. Thank you to the parents that attended as well!

"I'd say the first thing you need is... a pumpkin." -Fairy Godmother (Cinderella)

CLASS ACTIVITIES

Students used their pumpkins on Halloween for pumpkin math day to weigh and measure and explore their pumpkins with the help of the 6th grade class.

A quick science reminder not to eat too much Halloween candy!

If you have a special skill or an interesting job that you'd like to share with the class, contact Ms. Hazeltine or Mrs. Malm. We'd love to learn from you!
