Highlights from Letters to Power 88

I grew up chosen by God. A young child devoted without strong family guidance but on my own will and love for God. As a young teenager, emotional devastation hit me and Satan fought to sway my heart and mind with all his might. I fell and I fell hard. A marriage and three children later I finally broke to my knees again as my eldest son of 18, kind hearted and good natured made a mistake that can cost him so much. I learned that Satan will use every weakness to keep you. We are still dealing with this situation but in turning my heart back to God, I vowed that I would stand up against the demons in my life. My eyes are fixated on my Heavenly Father and I show my family and those in my life that it is never too late. You can touch many with little through God's power. My son is now devouring the Word of God with inquisitive and devoted thirst. My husband is seeking the truth, which is a miracle in itself. I have turned my life over to God, learning His Word with the desire to share it with everyone I come in contact with. **Power 88 has lifted my spirit, helped strengthen my faith and quench my thirsting soul. God Bless your radio station. I am so grateful that God has placed your station in my life. I listen to Power 88 any time my radio is playing.**

Great New song playing on Power 88.5 FM Read the words they will move you.

Song Title: Parking Lot Artist: Cochrane & Co

It wasn't where I thought we'd meet Outside that apartment on Franklin Street
With tears in my eyes in the driver's seat But that's the place God came for me
It was a still small voice On a Tuesday night
Like you were right there with me On the passenger side You turned that car into a
mountain top

Oh, I met Jesus in a parking lot

I've heard other stories just like mine Your love moved through a song at the perfect
time

You don't just wait at the altar for us to walk the aisle **You grab our heart right
through that radio dial**

It was a still small voice On a Tuesday night

Like you were right there with me On the passenger side **You turned that car into a
mountain top**

Oh, I met Jesus in a parking lot

**Oh, I saw the light in that dashboard glow Oh, threw my hands in the air when
You saved my soul**

There's no place we're out of reach Your love can show up like it did for me
