Secretary. Sadie Burks

Dear OHS Family,

Welcome to the 2021-2022 school year! I am honored and grateful to represent Opp High School as your Overall SGA President. I am equally excited to have the opportunity to be back in school in-person with all of you this year.

We experience challenges everyday, but none will compare to the challenges COVID 19 presented us with over the past few years. Due to the efforts from our wonderful administration, staff, and students we were able to overcome those unprecedented obstacles. As we enter this upcoming school year I can say, with full certainty, that no matter what we encounter, we will be able to have a successful year together! I am very thankful to be a part of such a terrific school, and even more thankful that I get to be a part of and represent such a (bobcat) strong student body.

As we attempt to re-enter a normal school year, I encourage everyone to look back on the past year with pride, and look forward to the upcoming year with anticipation! I know my fellow SGA members and I are more than willing to help or support in any way we can to make this year as smooth as possible. I pray we all have a successful year together and that we continue to seek opportunities to make the world a little brighter!

Have a wonderful year,

Sarah Kate Rhodes
Overall SGA President

Classroom teachers implement these interventions and provide periodic feedback to the RTI team to determine the effectiveness of the interventions. ATTENDANCE

The student's attendance record is available on-line at INOW. However, it is ultimately the responsibility of the parent or guardian and the student to ensure that the school's attendance requirements are met.

Absences

1. Being present at school on a daily basis is critical to academic success. Therefore, if a student has any unexcused absences, he or she will not be able to exempt any final exam during the term an unexcused absence occurs. Students with unexcused absences will be given a zero for all missed work, and they cannot make it up without written permission from the principal.
2. When a student is absent from school, the student's family will be contacted the following all-day absence notified by automated school messenger.
3. State law 290-3-1-.02(7)(c)3.(i) requires that after the fifth unexcused absence or tenth questionable excused absences(absences which have not been satisfactory explained) students will be referred to Early Warning Program.
4. Thereafter, if the student reaches the seventh unexcused absence or if the student is suspended for an additional time for misconduct, the superintendent or principal may file a complaint against the parent(s), guardians(s) or legal custodian(s) for violation of Alabama Code Section 16-28-12. This is a misdemeanor criminal charge with carries a maximum fine of \$100.00 and possible jail sentence of up to 90 days.
5. Excused absences include those outlined by OCS board policy. Days absent due to administrative disciplinary decisions (suspension, alternative school, time-out, etc.) will not count toward the days absent.
6. In the event that a student is absent, he or she should report to Mrs. McCurley in the office to code the attendance the next school day before school (7:00-7:50am.). Students **do not** return absence excuses to teachers. An absent student will have TWO school days to return an excused note to Mrs. McCurley's office in order that it may be coded. Notes turned in afterward may not be accepted and may result in unexcused absences for the dates missed. Check-outs from classes will also count toward the absence total permitted.
7. Parent notes are accepted as long as it does not exceed five parent notes per year. After five parent notes, your child's absences will be marked as unexcused unless you provide a doctor's excuse.

Check-ins and Check-outs

NO STUDENT IS TO LEAVE CAMPUS WITHOUT FIRST CHECKING OUT THROUGH THE MAIN OFFICE, AND HE/SHE WILL NOT BE ALLOWED TO LEAVE SCHOOL UNLESS A PARENT, GUARDIAN, OR PARENT-APPROVED EMERGENCY CONTACT PERSON IS PHYSICALLY PRESENT IN THE SCHOOL'S OFFICE AND PRESENTS A VALID PICTURE ID.

- **Checking-Out:** Checking-out will only be approved after an office visit by a parent who must speak with the secretary or an administrator on the day of the check-out or in advance of the check out. **Each check-out will require a parent to come to the check-out office before the student will be released from class.** Any student who leaves campus without adhering to this policy may receive punishment.
- **Checking-In:** Students must always check-in through the main school office when arriving to school any time during the day after first period has begun.

If a student is present for at least 45 minutes of 1st, 2nd, or 3rd block , he/she will be considered present for that specific block as it pertains to exemption consideration.

If a student is present for at least 25 minutes of block 4a or 4b , he/she will be considered present for that specific block as it pertains to exemption consideration.

A parent must accompany the student after the fifth check-in.

College Visits

Two (2) one-day college visits for seniors may be scheduled through the Guidance Office where forms are available. Forms must be signed by an administrator prior to the visit. After the visit, forms are to be completed and returned to Mrs. McCurley.

Early Dismissals for Driver's License Test

Students will be given an excused absence to take their driver's license test. A Student Enrollment Verification Form, an original birth certificate, social security card, and \$28.00 cash (\$5.00 for written test and \$23.00 for license) is required at the time of the driving exam. You must take your learner's permit with you, proof of insurance, and tag receipt on the vehicle that you will be taking your driving test with.

School Function

Students who are away from school on a school-related activity are coded as School Function. While these students will miss class(es), the nonattendance days do not count as absences nor do they count toward the students' exam exemption status. Each student will be responsible for making up any missed work.

Tardy Policy

Class time is valuable and has to be protected as much as possible. For that reason, all students must be seated in their desks by the time the tardy bell stops ringing. All teachers are expected to enforce the tardy policy.

1. The final determination as to whether a student is or is not tardy rests with the teacher.
2. Teachers will manage the excessive tardy problem according to the school wide tardy policy. Students will be allowed three tardies to each class. Students will receive teacher assigned consequences prior to being referred to the office.
 - 4th tardy-Teacher will notify parent**
 - 5th tardy- 1 day of principal's detention**
 - 6th tardy- Saturday School**
3. On the seventh and subsequent tardies to any given class, the student will be sent to the Assistant Principal.
4. The tardy policy will end with the conclusion of first term and starts over with the beginning of the second term.
5. Students must always check in through the Mrs. McCurley's office when arriving to school after 7:50 AM.

Tardy Referrals and Consequences — Students must remember that once the referral process begins for tardies, it is the number of times referred that determines the consequences, not the number of tardies accumulated in each class.

DISCIPLINE POLICIES

Alternative School

Students who are assigned to Alternative school have:

1. Failed to respond to classroom teacher's attempts to correct behavior.
2. Failed to respond to administrator's attempts to correct behavior.
3. Committed an offence that requires immediate assignment (fighting, possession of tobacco, etc.)

Note: Parents of students who are assigned Alternative School will be contacted and informed of circumstances and consequences as well as procedures for Alternative School.

Procedures:

1. Students will be isolated from student body.
2. There will be no recess.
3. Lunch is eaten in classroom.
4. No extra-curricular activities.
5. Student must report to Alternative classroom upon arrival.
6. No transportation is provided.
7. There is a No Tolerance Policy for misbehavior of any kind while serving in Alternative School. Minor violations may add time to the length of the assignment. More severe violation will lead to immediate suspension from school, administrative hearing, or expulsion.
8. Alternative school hours are from 8:00-2:00.

Cell Phones/Electronic Devices

The Opp City Schools policy on cellular telephones is designed to ensure that the use of cell phones does not interfere with teaching and learning during the school day.

1. Student involved in before or after school academic programs shall observe school hour rules during these programs.
2. A cell phone may be in the student's possession. However, the use of cell phones for any purpose – including phone calls, text messaging, games, and other functions – is not permitted during the school day or in the building at any time without teacher permission.
3. Cell phones must be turned completely off (not simply on silent or

- vibrate mode) during the school day.
4. Student use of electronic devices is prohibited on school buses on regular routes before and after school.
 5. Students participating in field trips, extracurricular activities, and athletic events must get permission from their coach or sponsor for using a cell phone after school hours or on after-school bus trips.
 6. At all times, the use of camera phones is strictly forbidden in private areas, such as locker rooms, washrooms, dressing areas, classrooms, and offices. When necessary, camera phone violations may be treated as Level II or Level III offenses. Such use may also be in violation of the criminal code of Alabama.
 7. Any phone communication during the instructional day will take place on school telephones with permission from office personnel with the exception of emergency situations deemed by the principal. **Parents should continue to call the school for any emergency situation.**
 8. Students are not to bring cell phones into a classroom where standardized testing is taking place. Teachers will collect any student cell phones in classrooms where standardized testing is occurring. If the device is used during the administration of a secure test, the students' test will automatically be invalidated. Phones will be returned in accordance with school policy.
 9. Possession of a cell phone by a student is a privilege, which may be forfeited by any student not abiding by the terms of this policy. Students shall be personally and solely responsible for the security of their cell phones. The Opp City School System shall not assume any responsibility for theft, loss, or damage to a cell phone, or unauthorized calls made on a cell phone.

Violations of Cell Phone Policy

Confiscated cell phones are subject to search by school officials.

Cell phones may be picked up from the office before or after school only.

1st Offense — Cell phone confiscated and returned to parent.

2nd Offense — Cell phone confiscated. The parent can pick up the phone after 10 days after a conference with school administration.

3rd Offense — Cell phone confiscated. The parent can pick up the phone after 30 days after a conference with school administration.

Any Following Offense — Cell phone confiscated. The student and parent will attend a meeting with the principal before returning to school.

We believe good behavior is a cooperative effort and requires good common sense. If all students adopt the policy that the main purpose of attending school

is to receive an education and strive toward that goal, disciplinary problems would be nonexistent.

If approved in advance by the administration, a teacher's classroom rules and policies will be supported. The students will receive copies of the rules, or they will be visibly posted in the classroom.

Dress Code and General Appearance

The Opp City Board of Education and administration recognize the effect that student dress and grooming have upon student behavior and commitment to learning. The Board and administration further recognize the role of parents in assisting their children in making appropriate choices regarding clothing, accessories, and personal appearance. In order to maintain an atmosphere conducive to learning, it is required that all students exercise good taste with regard to their personal appearance. Attire considered disruptive or that could present a health or safety problem is not appropriate.

Any clothing, appearance, or personal hygiene and grooming practices that draw an inordinate amount of attention to the individual student are considered inappropriate for school. The dress and/or grooming style of any student must not interfere with the educational process of other students.

Annual Notice of Student Education Record Privacy

Parent/Guardian:

Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive federal funds. FERPA gives parents certain rights with respect to their child's education records. Under FERPA, parents and eligible students have the following rights:

1. To inspect and review the student's education records maintained by the school within 45 days school's receipt of a written request. The request should identify the record(s) being inspected. The school is not required to provide copies of records and may charge a fee if copies are requested. The following staff person may be contacted to seek access to your child's records: Margaret Fox Telephone 334-493-6332 E-mail Address mfox@oppboe.com. You will be notified of the place and time the record(s) may be available for review.

2. To request that a school correct records believed to be inaccurate or misleading, the request must be in writing and clearly specify: (a) the part of the record requesting to be changed, and (b) why it is inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student has the right to place a statement in requests for grade or disciplinary decisions, opinions of school officials in the education record, or the child's special education determination. The following staff person may be contacted to request an amendment to your child's record: Aaron Hightower Telephone 334-493-6332 E-mail Address ahightower@oppboe.com.

3. To control the disclosure of their child's personally identifiable information from their education record, parents may request that the school, with certain exceptions, obtain their written consent prior to the disclosure of student information. An exception which permits disclosure without consent is disclosure to school staff with legitimate educational interests, such as a person employed by the district: a person serving on the school board; or a parent or student serving on an official committee, such as a grievance or disciplinary committee or assisting another school official; school official has a legitimate education interest if the official needs to review an education record in order to fulfill a professional responsibility. Parents will be notified of these policies at least annually at the start of each school year and after any substantive changes. The district will also inform parents at the beginning of the school year if the district has identified the specific or approximate dates of activities or surveys. For activities scheduled after the school year starts, parents will be provided reasonable notification of the planning activities and surveys and will be provided an opportunity to opt their child out of such activities and surveys.
