GRADING SCALE/WEIGHTING

Southland Academy operates on a two semester calendar year. The final grade for the year is determined by the average of the two semester grades. For in-house GPA purposes, honor courses are weighted with an additional three points, as well as AP and dual enrollment courses are weighted with an additional ten points.

**Weighted averages are used only in calculation of honor roll averages and GPA.*

**Transcripts reflect unweighted individual course averages, and weighted GPA.*

A: 90-100 B: 80-89 C: 70-79 F: 0-69

CLASS RANK

Southland Academy does not rank. Based on the high academic nature of the school and our use of a selective admissions policy, small differences in grade point averages can make significant differences in rank. We feel, therefore, that ranking does not indicate an accurate measure of a student's performance, nor does it provide a true distinction between members of an academically competitive class.
