

**Araya Levett**  
**Quarter 3 Student Success Story**  
**North Country Charter Academy**

Araya joined our NCCA family in January, coming in as a freshman with no credits. However, this has not stopped her from earning stellar grades in each of her classes. So far, she has earned in the high 90s in each course she has completed and is continuing on that same path with her current courses. She does this by taking her time to thoroughly read the coursework, take notes, and work hard to carefully complete each assignment. There is nothing Araya does that isn't thoughtful and impeccable.

On top of her outstanding academic performance, Araya is a kind and bright student who sets an excellent example for her classmates. She is the first to offer help to others and is the perfect example of an NCCA successful student. Keep up the great work, Araya!
