# NOT PEACE, BUT DIVISION

By Fr. Richard Heilman

*"I have come to set the earth on fire, and how I wish it were already blazing" (Luke 12:49).*

In today's Gospel, we hear the Prince of Peace say, "Do you think that I have come to establish peace on the earth? No, I tell you, but rather division" (Luke 12:51). How can that be? Isn't Jesus the Prince of Peace? He is! But, the peace our Lord offers is a "peace of mind" and "peace of heart"--a peace we will have **only if** we stand with Jesus. Faithful Christians are accused of causing division, because we choose Christ over the world. Division comes when others separate themselves from the Lord; when others decide to "go their own way" or to "go the way of the world," rather than staying with the Lord.

St. Jude reminds us that it is the world that sets up division, not you and I: *"But you, beloved, remember the words spoken beforehand by the apostles of our Lord Jesus Christ, for they told you, 'In the last days there will be scoffers who will live according to their own godless desires.' These are the ones who cause divisions; they live on the natural plane, devoid of the Spirit. But you, beloved, build yourselves up in your most holy faith; pray in the Holy Spirit. Keep yourselves in the love of God and wait for the mercy of our Lord Jesus Christ that leads to eternal life. On those who waver, have mercy; save others by snatching them out of the fire; on others have mercy with fear, abhorring even the outer garment stained by the flesh" (Jude 1:17-23).*

You and I have simply "stayed put"; we have decided to stay with our Lord. It is the world that decided a mother's womb should no longer be the safest place in the universe; it is the world that decided that the very words of the Second Person of the Holy Trinity, regarding marriage, no longer matter, and so anyone can marry anybody! It is the world that decided that grown men can use the little girls' restrooms, and so on and so forth.

**WHY IS THERE SO MUCH DIVISION TODAY?** Because we live in an information age, and the vast majority of those who "control the message" seem to either ignore or even have disdain for Godly values. In other words, we are being "programmed by the worldly." Those who live on a steady diet of television and movies that herald such things as fornication, sodomy, and adultery, are especially prone to this indoctrination. Of course, the temptation is to "go along to get along," or to remain silent in the face of such atrocities. Many believe it is better to avoid "hot-button issues" in order to be more unified. They neatly categorize these issues as "political," and, thus, they say they should not be confronted by Christians. But this silence has led many of the faithful to mistakenly believe God is "okay" with such things as abortion, contraception, and the redefinition of marriage. St. Catherine of Siena railed against such silence: *"We've had enough exhortations to be silent. Cry out with a thousand tongues! I see the world is rotten because of silence."*

The rate of speed with which our culture has turned its back on God and His truths, as revealed through Scripture and Tradition, seems to run concurrent with the advance of communication technology. While the government held strict moral decency laws early on, efforts to “push the envelope” have been relentless over the years. Now, any child who can work a cell phone can access the most egregious pornography imaginable. A recent Pew Research study shows that Christianity has seen a dramatic drop from their ranks. The most significant drop is among Millennials, who happen to be the most “tuned in” to pop culture. As more and more people fall prey to this indoctrination, “traditional” folks become fewer and fewer and are, therefore, seen as “out of touch with the times.” We truly are becoming a “remnant.” Venerable Fulton Sheen once said, *“Moral principles do not depend on a majority vote. Wrong is wrong, even if everybody is wrong. Right is right, even if nobody is right.”*

I am particularly concerned with the accelerated rate of this indoctrination in just the past few years. With the advent of high speed internet, the brainwashing is in hyperdrive. Consider the change of attitude of our country toward gay marriage. In 2008, both Democrats (including Obama) and Republicans ran “in favor” of the DOMA (Defense of Marriage Act). During the 2016 election--just eight short years later--the Democrats believed that their support of gay “marriage” was a make-or-break issue. Republicans, and even most leaders within the Catholic Church, are choosing to remain mostly silent on the issue. Why? According to another Pew Research study done in 2001, Americans overwhelmingly opposed same-sex marriage by a 57% to 35% margin. However, the March of 2019 Pew Research Study shows a majority of Americans (61%) supporting same-sex marriage, compared with 39% who oppose it. Literally overnight, the country has flipped on this issue and Americans are now willing to allow the redefinition of marriage--something that has not occurred since the dawn of civilization.

And so, if you and I have decided to stand with our Lord, and to stand with thousands of years of generations that have gone before us, we are now chastised and ridiculed as “out of step” and “not with the times.” We are called “haters” and “bigots” and “homophobes.” Many risk losing their business or job or relationships with family and friends. Jesus said, *“If the world hates you, know that it has hated me before it hated you”* (John 15:18). In spite of the increasing ridicule we receive as our numbers grow smaller, what does it really mean to be “faithful?” It simply means we are “staying home” while others are “moving away.” We are remaining in God’s truth, as revealed through Sacred Scripture and Sacred Tradition. We need to be united; we need to be on the “same page.” But, where is that “page?” Is it with the world? Or, is it with God? Stay put! Abide in Him! It isn’t easy, and it may cause division, but we will have the peace of mind and heart that “We Stand with God!”

**Remain strong, Christians!  
We are in for a rough ride!**

## BE A VOICE FOR LIFE

The California Assembly Appropriations Committee is voting on SB 24, a bill that would require all state college health centers to distribute medical abortion pills.

**#RUserious**

Your representatives need to hear from you! Please call!

If you believe in LIFE, then voice your opposition to #SB24!

Student mothers and their babies need support, not abortion! Pregnant students need affordable housing, on-campus childcare, flexible scheduling, and support,

not more abortions. Our universities are intended to be places of higher education, not abortion clinics! This is not even a pro-choice bill, but exclusively a pro-abortion effort which does nothing to help pregnant students find the resources they need in order to have real choices—other than abortion! Chemical abortion is dangerous and traumatizing for women. Side effects include heavy bleeding and/or passing blood clots the size of lemons, as well as nausea, vomiting, diarrhea, and fever. Imagine this painful experience happening in the dorm bathroom late at night with no one to call for help! Since approving the abortion drug Mifepristone in 2000, the FDA reports more than 4,000 women have had serious "adverse events," more than 1,000 women have required hospitalization, 598 women have experienced blood loss so severe they required transfusions, and 22 women have died from taking the abortion pill.

**#BeAVoiceForLife!** CALL all these members of the California Assembly Appropriations Committee and let them know you OPPOSE SB24 and want them to Vote No:
