

Third Grade News

Week of February 2nd-February 6th

This Week We Will Be Learning ... Johnson

Reading: We are beginning Module 3, Peter Pan. In this module students will focus on character development and traits.

Math: Area, Perimeter, and partitioning shapes

Inquiry Lab: Inheritance Traits Unit:
How do organisms get their traits?

Note from Mrs.

Dear Families,

The following items have been taken care of: sprinkles, plates and napkins. Items still needed are: frosting, sweet treats fruit and drinks. If you would like to provide an item for our party please send me an email with the item you would like to provide.

Thank you
