

EHIS 26-27' Family Partnership: The EHIS Connection

Welcome to the Eagle Family! At East Hickman Intermediate, we don't just teach students; we partner with families and community partners to provide an educational experience. This plan was built together—by parents, teachers, and neighbors—to ensure every child feels safe, valued, and ready to soar.

How We Grow Together

- **A Warm Welcome:** We want you here! **Conferences, Family Nights, Eagle Strut, Leadership Committee, and Family Lunches** would not be the same without you. Join us anytime or all the time!
- **Clear, Kind Communication:** Whether it's through **Newsletters, Synergy, LiveSchool, Facebook, or Phone Calls**, we'll keep you in the loop. Please keep us in the loop too. If something is going on with your student, we want to hear from you. If you have questions, we want to hear from you. Communicate with us anytime via a phone call or email. If you would like to meet, please reach out to schedule.
- **Tools for Success:** We host **Family Nights** with games and workshops to give you practical strategies for our curriculum. You'll also receive regular updates on exactly what your child is learning and how they are progressing.
- **Your Voice Matters:** You have a seat at the table. Join our **Leadership Committee** or participate in our annual surveys to help us plan for the future.
- **Every Child, Every Day:** We partner with our families to ensure all students are represented and have opportunities to learn. We provide equitable opportunities and personalized support for our students daily.
- **Community Roots:** We love our local partners! We hope to expose our students to educational experiences outside of our school walls, and partner with community partners to be the best we can for our students. Some examples of this are our **Friday Friends, 4-H, Classroom Sponsors, and Career Day**. We love our community!
