PRACTICE

Official practice will begin Wednesday, April 8th.

-We will meet outside at the track for practice unless it's raining.

Practice will run from 3-4:30

-If your child is not doing any field events, hurdles or blocks, they can be picked up at 4:30.

Additional practice 4:30-5:00

-This will be time for high jump, long jump, shot put, hurdles, blocks and relays..

If your athlete is not going to be at a practice please email a coach to let us know.

Things to bring to practice daily

- A full water bottle
- Sweatpants and sweatshirt (until the weather is consistently above 60)
- Good work ethic (we are expecting to have a large group this year so having a good attitude and work ethic will go a long way)

Also, it is very important to make sure your athlete is eating enough and eating healthy. Running is tough on the body as it is but even harder when you don't properly refuel before and after practice.
