

Job Summary:

St. John Paul II Catholic High School is seeking a dedicated Interventionist to support students in achieving academic success through targeted instruction and intervention strategies. The Interventionist will work closely with teachers, counselors, and administrators to identify students who need additional support, develop intervention plans, and foster a learning environment that reflects the values and teachings of the Catholic faith.

Key Responsibilities:

Student Support & Intervention:

- Provide individualized and small-group instruction to students needing academic interventions in core subject areas and develop reading comprehension, math, and writing skills.
- Assess students' strengths and challenges using data-driven methods to design effective intervention strategies.
- Monitor student progress and adjust interventions accordingly to ensure growth and success.
- Collaborate with teachers to differentiate instruction and provide accommodations for students with diverse learning needs.

Collaboration & Communication:

- Work with faculty and staff to develop and implement Response to Intervention (RtI) or Multi-Tiered Systems of Support (MTSS) processes.
- Maintain open communication with parents/guardians regarding student progress and strategies for support.
- Partner with school counselors to support students with Individualized Service Plans (ISP) or accommodations.

Faith & School Mission Integration:

- Model Catholic values and integrate faith into interactions with students and colleagues.
- Encourage a learning environment that fosters respect, inclusion, and Gospel-centered values.

- Support students in their holistic formation—academic, spiritual, social, and emotional growth.

Qualifications:

- Bachelor’s degree in Education, Special Education, or a related field (Master’s preferred).
- Valid teaching license with certification in intervention, special education, or related endorsements.
- Experience working in intervention, special education, or differentiated instruction at the high school level.
- Strong understanding of learning differences, instructional strategies, and assessment tools.
- Commitment to Catholic education and the ability to integrate faith into the learning environment.

Preferred Skills:

- Excellent communication and collaboration skills.
- Ability to analyze data and implement evidence-based intervention strategies.
- Familiarity with RtI, MTSS, and differentiated instruction best practices.
- Experience working in a Catholic school setting.

Our Mission

St. John Paul II Catholic High School develops young people in spirit, mind and body to foster a lifelong discipleship of Christ in the sacramental life of the Church. We encourage, challenge, and support each student to learn enthusiastically, lead honorable, and live responsibly.

About the Employer

In one of the most dynamic and growing areas in the country, St. John Paul II Catholic High School (JPII) is also growing and expanding. Operated by the Diocese of Birmingham and a Board of Trustees, JPII offers students a faith-based college preparatory high school curriculum and environment. We serve a growing, diverse

and dynamic student body from North Alabama, Southern Tennessee, and abroad on a 55-acre campus surrounded by Research Park, a center for space aeronautical and bio-medical research. Recently, the educational organization NICHE rated JP2 as the best Catholic high school in the state of Alabama for the past two years and the sixth best private high school in the state. Other notables include last year's ACT average score of 26.1 (state and national averages are 18.9 and 20.8 respectively); AP test scores that include 34 AP scholars; and \$9.7 million in merit college scholarships. Thus far, this year, we have 7 National Merit Scholars, including 3 semi-finalists; won our first team state championship in Class 4A boys' cross country; and have numerous accomplishments in the fine arts, including 10 state qualifiers for the Trumbauer Festival.

Applicants who have the qualifications and expertise are encouraged to apply attaching a cover letter, resume/CV, and supporting employment information (e.g., transcripts, reference letters, certification/licenses) to dolszewski@jp2falcons.org
