## EARLY CHILDHOOD SCREENINGS ~ 'ECS'

As of January 2014, the Early Childhood Screenings will be conducted by the Lakes Country Service Coop. The Community Education office will be doing the scheduling and the screenings will be completed at the New York Mills School. This screening is required by the school for entrance into PreKindergarten and required by Minnesota Statute 121A.17 for entrance into Kindergarten unless an Exemption form is filled out. It is an opportunity for you to review your child's growth and development and to follow up on any health or learning concerns. The Early Childhood Screening is a FREE screening and includes a developmental assessment, vision and hearing test, height and weight measurements, immunization and health history review and a parent visit. It is NOT an examination to determine readiness for school. Its purpose is to identify conditions that might interfere with your child's ability to learn and to assist parents in developing strategies to help their child succeed. Please call Deb in the Community Education office to schedule an appointment at (218) 385-4203. Please leave a message if there is no answer and she will get back to you as soon as an appointment is available.

## WHY TREATIES MATTER EXHIBIT AT NYM CULTURAL CENTER

Traveling Gallery Exhibit in NYM through October 2. The New York Mills Regional Cultural Center announces its new traveling gallery exhibit: "Why Treaties Matter." This exhibit includes 20 freestanding panels and a 14-minute video titled "A Day in the Life of Minnesota Tribal Nations," all on display in the Cultural Center Gallery now through October 2, 2021. The traveling exhibition "Why Treaties Matter: Self-Government in the Dakota and Ojibwe Nations" offers an unprecedented opportunity to learn more about the Native nations in Minnesota and the history of treaty-making with the United States. The exhibit relays Minnesota's Native history in a way that has never before been done – in the voices of Dakota and Ojibwe people in this place once called "Mnisota."

"Why Treaties Matter" – traveling throughout the state since August 2011 – has been displayed at Indian reservations, tribal colleges, universities, museums, historical societies, cultural centers, libraries and community centers. A copy of the exhibit is permanently on view at the Minnesota State Capitol. The exhibit is the result of a historic partnership forged by three organizations: the Minnesota Indian Affairs Council, the official liaison between the state and Minnesota's Native nations, the Minnesota Humanities Center, and the Smithsonian Institution's National Museum of the American Indian in Washington, D.C.

Additional activities are being planned at the Cultural Center, including a speaker and closing reception, with dates and times to be determined. Please visit [kulcher.org](http://kulcher.org) for all the latest details. The Cultural Center Gallery, located at 24 Main Ave N in NYM, is always free to see and open to all. Open Hours: Wednesdays & Thursdays 10am-7pm, Fridays 10am-5pm, Saturdays 10am-3pm. This exhibition is made possible in part by the voters of Minnesota through a Minnesota State Arts Board Operating Support grant, thanks to a legislative appropriation from the arts and cultural heritage fund. For more information, call the Cultural Center at (218) 385-3339 or visit the Center's website at [www.kulcher.org](http://www.kulcher.org).
