Highlights from Letters to Power

Power 88 has been an encouragement to me. It is so easy to be tempted to listen to all the kinds of music that is in this world, but power 88 has help me stand up before my friends

who think that God and Christian music aren't cool, and show them that hey there is something better out there than filth. I praise God for this station. It helps me be a positive witness when other people see I listen to music with a powerful message, a message of salvation thru the blood of Christ.
