

PRIORITIZATION OF FACILITY IMPROVEMENTS

The Board of Directors recognizes that not all facility improvement needs have the same level of importance. Therefore, the Board directs the executive director to develop a process to prioritize the relative importance of each facility improvement need. The four following priority groups shall be used in prioritizing capital improvements:

1. Priority Group 1 – Critical projects
2. Priority Group 2 – Necessary projects
3. Priority Group 3 – Deferrable necessary projects
4. Priority Group 4 – Desirable projects
