

Good afternoon BHS families,

Our school district utilizes the School Messenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more. We have received feedback that some families are receiving messages and some are not. If you are not, you can participate in this free service just by sending a text message of "Y" or "Yes" to our school's short code number, 67587. You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

Opting in will allow you to receive all text messages, in addition to the phone calls and emails that may be sent. This feature merely adds another layer of connection to ensure you receive important information.

Thank you.
