A note from Mr. Cochran

Welcome to 2023! We are excited to have our PPS leaders back on campus. This is my favorite time of the school year. Our first graders become more confident and proficient in their reading skills, and second graders suddenly become more like third graders. All students become more independent, accountable and begin to truly blossom in their academics. During the month of January, PPS teachers will reflect on our first semester achievements and adjust instruction to meet the needs of our students. As always, if you have questions or concerns, please contact your child's teacher. Thank you for your daily support of PPS. Remember we are learning today, so we may lead tomorrow!

Take care.
Mr. Cochran

What is the Reading for Education Fundraiser?

Reading For Education is a safe and easy fundraiser with no face-to-face selling, collecting money, or delivering products. Our school earns up to 50% as supporters shop online or donate gift cards to our school to purchase books and educational magazines.

Students/Parents will email family and friends informing them about the fundraiser. Students receive a prize just for sending a minimum number of emails!
